Dedication of Minutes

As a result of action taken by the Executive Board of the Brunswick Baptist Association on October 14, 1991, and the Brunswick Baptist Association in Annual Session on October 24 and 25, 1991, these Minutes of the Ninety-third Annual Meeting are dedicated to Miss Ruth Galloway, who has served as Treasurer of the Association for twenty-five years; and to Mr. E.J. Prevatte, who has served the Association in many capacities for more than fifty years, now serving as Parliamentarian and Trustee.

MRS. RUTH GALLOWAY

Ruth Galloway is one of the most dedicated Christians in our Brunswick Baptist Association. She was born in Supply and has lived there all her life. Her parents are Mrs. Thelma Lennon Galloway and the late Vinton E. Galloway. It seems that she has always, since childhood, been dependable. At a very early age, she began helping her grandmother, Mrs. Lillian Galloway, in the family grocery store in Supply.

After graduating from Shallotte High School, Ruth entered Meredith College and received her A.B. Degree and teaching certificate. She taught seven years in what was then Waccamaw High School and since that time has been teaching in the Math Department of New Hanover High School in Wilmington, N.C. She is known by her students as a "hard but fair" teacher. She is an active member of Delta Kappa Gamma Society of the National Education Association and the North Carolina Education Association.

She is a charter member of Supply Baptist Church which was organized in March 1948. She continues to be very active in every phase of the church's life. She served as Church Treasurer for many years. She has taught many age groups in the Sunday School at Supply, in Church Training and in Vacation Bible School. It seems that perhaps her best work has been done with G.A.'s and Acteens. Ruth is a very missions-minded woman. She also serves as a member of the church choir and is noted for her beautiful flower arrangements for the sanctuary each Sunday and for other special occasions.

Ruth is an unselfish, willing worker in the Brunswick Association and has served as its Treasurer for the past twenty-five years. Her records are always accurate and her reports made to the Association on a quarterly and annual basis.

ELIAS JESSE PREVATTE

Elias Jesse Prevatte (affectionately known to family, friends and co-workers as Jimmy or Mr. E.J.) was born and reared in Robeson County, North Carolina, the son of James Lawrence Prevatte and his wife, the former Sarah Ausley.

Jimmy, along with his two brothers and five sisters attended public schools in Robeson County. At a very young age, E.J. was graduated from Wake Forest College (now Wake Forest University) with a B.S. in Commerce in 1932 and then an LLB in 1936.

He was blessed with growing up in a Christian home and in his early youth accepted Jesus as Saviour and was baptized into the membership of Buies Baptist Church, Buies, N.C. He was active in local churches wherever he lived and in college took part in the religious activities on the campus, especially in Training Union.

Upon moving to Southport to practice law in 1939, he immediately moved his church letter to Southport Baptist Church where he is still an active member. In the fall of 1939 he attended the Annual Meeting of the Brunswick Baptist Association. Since that time he has missed very few of its sessions, and then only when family illness or an avoidable business trips made it necessary for him to do so.

In the Southport Church Mr. E.J. has served as Sunday School Director, Sunday School teacher, deacon, choir member, trustee and on innumerable committees, especially Pulpit Committees and Building Committees. In 1961 he was one of two members of the Southport Church assigned to its mission church on Oak Island (now First Baptist Church of Oak Island) to establish a Sunday School.

In the Brunswick Baptist Association, Mr. Prevatte has served as Moderator (three terms), as representative on the N.C. General Board, Trustee, and on many committees. He has now been serving as Parliamentarian for several years. In the early 1940s he helped in organizing Training Unions in various churches in the Association.

Jimmy has felt it a privilege to serve the Association as its legal counsel, when needed, without charge. He is always willing to give time and advice for all the affairs of the Association when such is necessary.

At the State level, Jimmy served many years on the General Board and its Executive Committee, on the Council of Christian Higher Education, and several terms on the Board of the North Carolina Baptist Hospital and Bowman Gray School of Medicine. He is still serving on that Board. In 1984 he and Mrs. Prevatte estab-

Along with his busy religious and professional life, E.J. has also found time for community and civic activities. He has been involved in service on the Board of Trustees of Dosher Memorial Hospital, in the Lions Club, in the Rotary Club, Pythagoras Lodge (32nd degree Mason and Shriner) and as a Director of United Carolina Bank.

Mr. Prevatte is married to the former Amaretta Bennett and they have one daughter and two grandchildren. They make their home on Bay Street in Southport.

History of Supply Baptist Church

On the first Sunday morning in January 1948 twenty persons of the Supply, North Carolina, community assembled in the vacant store building of J.J. Hawes located at the intersection of N.C. Highway 211 and Blanton Road and organized a Sunday School with J.H. Hawes as Director.

On March 21, 1948, Supply Baptist Church was organized with nineteen charter members which included Mrs. Lucy Lennon, Mr. and Mrs. Frank Lennon, Clarence Lennon, Mrs. Lucy Margaret Banks, Mr. and Mrs. J.J. Hawes, Miss Mildred Hawes, Mrs. Doris Thompson, Mr. and Mrs. Carl Hewett, Mrs. Natalie Nichols, Mr. and Mrs. Dennis Hewett, Mr. and Mrs. Vinton Galloway and V.E., Ruth and Richmond Galloway.

On December 12, 1948, the new church extended a call to the Reverend Carl Talley to become its first pastor.

Soon thereafter excavation was started for the construction of a cinder block building with a basement. Mr. Lennell Hewett was employed to work and supervise the construction of the building. By the summer of 1950 the building was ready for use.

The ground breaking for a parsonage was held November 11, 1956, and construction was completed in 1957. A dedication service for both church and parsonage was held on August 11, 1957.

The church felt a need to build a sanctuary on level ground. A committee studied the possibilities of remodeling the block building then in use. Finally, the members decided to erect a new one-story church, construction to be under the supervision of Walter Sellers. The ground breaking was on November 30, 1969. The first services were held in the newly completed building on June 6, 1971. The dedication of the church followed during the first Homecoming Service on August 29, 1971.

Supply Baptist Church has licensed two men to preach the gospel: Elwood Gore and Dennis R. Hewett.

In 1990 the church built a covered driveway and installed a chain link fence in front of the church and pastorium.

From a charter membership of 19 in 1948, the church has grown to 308 members at the end of the 1990-91 Associational year. During the year, the Rev. Tom H. Williams, now more than 90 years of age, was named Pastor Emeritus.

Goshen Baptist Church - 1852

(copied from the Associational Minutes - author not named)

Our knowledge of the past must depend in part on tradition passed down from generation to generation and recorded for us by the late William J. Butler, Sr.

According to tradition, the Baptists of this neighborhood during the early 1800's held services in the home of a Mr. Murrell and later in a small school house due to the lack of a church building. In 1852 Bryan's Chapel Church was constituted on land donated by Mr. Joseph L. Bryan, land which at one time had belonged

to former Governor Benjamin Smith. In 1858 the church joined the Cape Fear Association, with a membership of 19. In 1867 there were 35 members, and by 1871 Sunday School services were being held. On the second Sunday in Feburary 1888, Bryan's Chapel Church voted to change the name of the church to Goshen Baptist Church. In 1899 Goshen Missionary Baptist Church entered the newly formed Cape Fear - Columbus Baptist Association, and in 1932 it joined the Brunswick Baptist Association.

The sancutary of the present church was the original church building, although apparently at one time there was an upper balcony and the interior was unfinished. In 1893 major remodeling of the building was undertaken, the balcony removed and the interior sealed. During the 1930-1940 period, five Sunday School rooms were added and additional improvements were made.

God has greatly blessed our church and community. Goshen has continued to grow through the years; since 1959 it has been with a loving guidance of Rev. and Mrs. James C. Spivey. A great expansion of the church began in November 1975 with the building of a beautiful and spacious two story educational building connected to the original sanctuary. This was completed in June 1976 through total commitment of our congregation of 114 members.

Our guest speakers for dedication of this building on June 27, 1976, were Rev. Linwood Peterson, Rev. Woodrow W. Robbins, and Rev. Arthur R. Waisner. On October 22, 1976, Goshen will be one of the host churches for the Brunswick Baptist Association.

For approximately 150 years Goshen Baptist Church has been a beacon light for this small rural community. It has been kept alive through the years by many loving Christian people. May we continue to grow steadfastly in the faith of our Lord Jesus Christ who has so blessed us with Christian heritage.

Report of Director of Missions

October 24, 1991

PILGRIMAGE

Several weeks ago, I took a spiritual pilgrimage to the seaside. My day was spent on the beach with the Lord. Carefully, calmly and prayerfully the Lord and I reviewed the PURPOSE, TASK and RESULTS of an effective ministry of a Director of Missions.

That day it became clear to me that the PURPOSE of an effective ministry of a Director of Missions and an Association is to PERCEIVE THE FUTURE GOD HAS PROMISED: perceive that the TASK is to CREATE THE FUTURE God calls us to CREATE; and to perceive that the RESULTS is to realize the FUTURE God wants us to have.

The Lord laid on me an awareness of the FUTURE God has promised the Brunswick and laid on me the awareness of the urgency for us to obey God's vision of reaching the lost, unchurched and unenlisted multitudes for baptism, church fellowship and Bible study. He laid on me an understanding that you and I have but one life to live and that many among us have only a few short years to do

the witnessing to which we are called. He laid on me that there isn't time for any of us to waste our last hours on earth in a spirit of conflict with our brothers. The Lord laid on me His intent to lead us to new levels of our commitment, creativity, unity and effectiveness in our task.

MANDATE

The United States is called the melting pot of the nations. In that sense a segment of the world's people are available right here in the Brunswick for twentieth century churches to exercise the New Testament mandate to go teach all nations. We must not neglect applying the great commisison to any part of the world and more especially to those of our county. Unless we willingly accept in a spirit of unity the purpose of God for the Brunswick, many will die outside the household of our Father God.

FOCUS

The focus of this report is on the "world." When we say "world", we do not use the word as John used it in his first letter. "Do not love the world nor the things in the world. If anyone loves the world and we might add, behaves like the world, the love of the Father is not in him" (John 2:15 NAS). Another we use the word as Jesus used it in his great discourse on the new birth, "For God so loved the world, that he gave his only begotten Son, that whosoever believes in him should not perish, but have eternal life." (John 3:16 NAS). We use the word not as John used it in the lines, "He was in the world, and the world was made through Him" (John 1:10a-b,NAS), but as John used the word in the next line, "and the world knew him not." (John 1:10c NAS).

PURPOSE

What was the ultimate intention of God in creation? Why did He create this universe? Why did He create this planet that we live on?

"And God created man in His image, in the image of God He created him; male and female he created them. And God said to them, "Be fruitful and multiply, and fill the earth and subdue it; and rule over the fish of the sea and over the birds of the air and every living thing that moves on the earth" (Gen. 1:26-28 NAS).

God made man to share His own eternal life. Man was intended to express, in all that he is the esential nature of God. Man was made to share the very life of God. God always wanted many sons and daughters. God wanted a family with character like that of His.

CHARACTER

This passage also suggests that God made man to exhibit His character. This is the significance of the words, "Let us make man in Our likeness." The father is not just concerned to have many children; He wants all his children to have the character of His Eternal son. He wants them all to be "like" Jesus, who was the esence of God, God INFLESHED, the exact image of our Father.

If God wants us to be like Jesus Christ, what was the character of the Lord? What was He like? What was His Behavior? What kind of character are we to have? What will be our behavior in dealing with each other?

The Lord never hurt anyone never mistreated anyone, never spoke an evil word about anyone. In conflict He never built up sides against anyone in order to win

a fight. He never mistreated anyone; never recruited others to help him hurt a brother, never plotted against anyone.

God infleshed was loving, kind, merciful, good and a peacemaker. God demands this kind of character in all of his household. The ungodly cannot be in the family of God here on earth nor with his family in heaven.

Character is never created. Character is never born in anyone. Character is developed as we are placed in situations of stress, in places of responsibility, and in the cries of tribulation, trial, and temptation.

When Eve was tempted it was not primarily a temptation to the lust of the flesh, or even the lust of the eyes, but of the PRIDE of life. The serpent said to her: "You surely shall not die for God knows that in the day you eat from it your eyes will be opened, and you will be like God, knowing good and evil (Genesis 3:45 NAS). The serpent offered her a shortcut to character, a chance to be like God without having to travel the road of maturity.

When Adam and Eve sinned, they fell off the high road to God's Purpose. When behavior becomes unlike that of Jesus Christ we fall off the high road to God's purpose. Man is now dead in his transpasses, cut off from the life of God. He needs redemption. Redemption of character. Redemtpion that makes him behave like Jesus. Redemption that makes him a peacemaker. Redemption that makes him fit to live with God in His family.

ASSOCIATIONS

Southern Baptist Churches must see themselves as God's means to accomplish His mission in the world. The association must see itself as serving the churches. As a part of this service. The association must find new and/or more effective ways of planting world-wide vision in the minds of pastors and churches.

The world is in a rapid state of change, becoming more lost every day. Through increased prayer, we need to find God's plan for redeeming it and follow His leadership. Long-range planning needs flexibility to respond to rapid changes. We must face the need to change our methodology and structures to meet the emerging needs.

The association must become and continue to be a full partner of global missions and global evangelism, locally and worldwide. The association has a vital role to play in world missions and evangelization, but grassroots strateging must not be neglected. The strengthening of the association itself is a first priority.

VISION

That day I spent on the beach with my Lord brought me to the conclusion that facilities, location, programs, and finances are nice, but to follow the future opportunities God has placed before the Brunswick really three things are needed: Jesus Christ, lost people and God infleshed character. We have Jesus. We have the lost. We need God infleshed character. We need the character and behavior that was found in Jesus. We need Christ-like behavior.

The significance of the words, "Let us make man . . . according to Our likeness" suggests that God made man to exhibit His character. To relate to each other as did Jesus. When you begin to study Acts 4, you find several important ingredients in the New Testament Church.

First, PRAYER MUST BE PRIMARY. The New Testament pattern was one of prayer. Every situation was handled with prayer.

Second, OBSTACLES MUST BECOME OPPORTUNITIES. Great associations can only be built when we cease to allow obstacles to become solid barriers to success.

Third, CELEBRATION MUST BE CONTAGIOUS. Acts 4:31 says, "And when they prayed the place was shaken where they assembled. ." No doubt there was a spirit of celebration among the early believers. Associations need the joy of celebration.

Fourth, last but certainly not least, SOUL WINNING MUST BE CENTRAL. . . "and they spoke the word of God with Boldness" (Acts 4:31).

I believe these four ingredients of the early church are as relevant today to an association as they were in the early church.

CONCLUSION

That day on the beach with my Lord rekindled in my heart a desire to see the Brunswick Association engage in a great massive Central Revival in the fall of 1992 or in the spring of 1993 or at the time the Lord leads.

That day on the beach I was made to see that the UNITY OF PURPOSE AND SPIRIT is our most precious achievement. The Psalmist says,

"Behold how good and how pleasant it is for brethren to dwell in unity."

Unity of spirit and purpose comes not by debate, not by vote, not by change in leaders. Unity is born out of the infleshed God like character of believers who live and behave like Jesus Christ and make the Lord, Lord of Life.

1991 Clerk's Report to Association

This time there are 35 churches on the Clerk's Honor Roll of "Early Birds." I am happy to report that this is up by two churches from last year. Our Clerks just get better and better. Lalon Willoughby, the new Associational Clerk, and I both appreciate you very much. We have not yet heard from Bolivia, Calabash, Mount Pisgah, Oak Island, Sabbath Home, Stanley Road and Supply. I hope there are those here today who have brought UCLs from those churches.

From the statistics gathered from the 35 letters that have been received, we find the following:

Total baptisms for the year 249, a decrease of 31 from last year

All other additions to church rolls 331, a decrease of 40 from last year.

Six churches reported no baptisms; five churches reported no additions.

Total reported membership of all churches to date: 7,274.

Our churches range in membership from 22 to 781. Seven churches have less than 100 members. Twenty churches fall in the category of 100 to 300 members. Six churches are in the range of 300 to 500 members. Only two of our churches have a membership of over 500, as reported to this point. I thought you might be interested to hear this breakdown.

Although the response has been good in getting the Church Letters before the Annual Meeting, we still need your help in getting the others. When we do not have all the letters, we cannot give you an accurate report. Often it also means that we do not receive the letters in time for the churches to be included in the information we send to SBC headquarters in Nashville and the State Office in Cary. Another problem which affects us more directly is that when the UCls are not

received on time we must either hold up information going to the printer or send in incomplete information. Either way, it works to our disadvantage in doing the work of the Association. If we get the data to the printer at a late date, then we are very late in getting the printed Minutes for distribution, which means, of course, that Minutes coming to us in June or July are not much good to the officers and workers in the Association. It is too near time then for the new year to begin. So you see we need the help of everyone in getting the UCLs filled in and mailed to the Associational Clerk before our Annual Meeting or within a very few days after the meeting, no later than November 1. Our reports are due two weeks after the Annual Meeting and they have to be compiled from 42 sources!

Now another problem for your attention. In spite of the announcement made at the 1990 Annual Meeting and by the Associational Clerk in her corrspondence with the churches, there is still some confusion on the cost of the Minutes to the churches. By way of clarification, may I again state that the October 1990 Executive Board authorized the Clerk to each year set the price for the Minutes based on the quotation received that year from the printers. The cost for the 1990 Minutes was $3.00 per copy. No free copies. The "free copy" action was taken for one year only in Executive Board session in 1988 - to apply only to 1988. However, for some reason, that is the only action on the subject that I've been able to get the churches to remember.

For the 1991 Minutes we have been able to keep the cost at $3.00 per copy. There is no guarantee, of course, that we will be able to keep it at that; we just have to notify you each year when the UCLs are sent to the churches.

There are still two boxes, at least 100 copies, of the 1990 minutes that have not been delivered. We have them with us today. Pick them up if you are interested. We would truly like to know if the churches actually want to receive the Minutes. We certainly need copies for the various Associational officers and the State and National Agencies, so we would have to have them printed. I don't know that we will save any money on having less copies printed bcause cost of printing is based on the first 200 to 300. After that the cost for additional copies is minimal. I simply don't like to waste natural resources if there is no desire for the books. Think about this and instruct your representatives to the Executive Board.

After today, Mrs. Willoughby will be your Associational Clerk. She had the leadership training at Ridgecrest and she has already assumed some of the duties. She will not nag you as I have done, but I'm going to be helping her for awhile so you will still have to contend with me. But seriously, be sure to get acquainted with her. You will like her very much. She will help in any way she can.

Susan S. Carson
Associational Clerk

Minutes of the Executive Board

January 14, 1991

EXECUTIVE BOARD, BBA

The Executive Board of the Brunswick Baptist Association met in regular quarterly session on Monday, January 4, 1991, at Shell Point Baptist Church, with the Rev. Wayne Trexler, Moderator, presiding.

The Moderator called the meeting to order and the Rev. Bryan Dosher led us in our devotional thoughts and prayer. The hymn, "Blest Be the Tie" was sung, indicating the unity in our Association.

The Clerk made the attendance report as follows: 24 churches represented 12 pastors, 33 church-elected representatives, the Director of Missions, five directors/chairmen of Missions Performance Committees (not otherwise counted), three general officers (not otherwise counted) and six visitors, a total attendance of 60.

The minutes of the previous meeting were read and approved as read.

The new Moderator spoke for a few moments on his appreciation for the work being done by the Association and his hopes that we will continue in unity of purpose for the coming year.

The Treasurer's report was given.

Mr. Trexler, General Board Member, stated that no meeting of the General Board had been held since he reported at our Annual Meeting in October. He asked that we especially pray for the General Board during this time of controversy among Baptists of the state.

As an item of unfinished business, Rev. V.C. Potter stated that the cost of Dr. Bill Bennett's transportation to our Annual Meeting exceeded by $325.00 the amount which we had paid to him following the Annual Meeting. Motion was made, seconded, voted upon and carried that the Association send Dr. Bennett a check in the amount of $325.00 to cover this difference.

A report from the Missions Performance Group was given.

The Director of Missions gave an oral report and at the close of his report stated that the Pastors' Conference was recommending that the Association give a memorial for Mrs. Margaret McRackan in the amount of $100.00 to the Scholarship Fund of Coastal Study Center in appreciation for years of dedicated service to the Association. Motion for this was made, seconded and duly carried, and we observed a moment of silence in thanks for her life and what it meant to the Brunswick Baptist Association.

The Moderator led us in a period of directed prayer as expression of our deep concern about the Persian Gulf Crisis in which the world is now involved.

Several announcements were made and the Rev. Leo Cannon gave the benediction.

We then adjourned to the Fellowship Hall for delicious and bountiful refreshments served by the women of Shell Point Church.

APRIL 15, 1991

The Executive Board of the Brunswick Baptist Association met in regular quarterly session on Monday, April 15, 1991, at Beach Road Baptist Church. The Moderator, Wayne Trexler, presided.

The meeting was called to order and the Rev. Mack Moore, a member of Beach Road, welcomed us and led in the devotional. Following the singing of a hymn, the Clerk gave the attendance report showing six pastors, 19 church-elected representatives, two general officers (not counted elsewhere), the Director of Missions, three Missions Performance Directors and nine visitors present, or a total of 40 in attendance. Thirteen churches were represented. With a quorum in place, the meeting continued.

The minutes of the January 14, 1991, meeting of the Executive Board were read by the Clerk and approved as read. The General Board report was given by Mr. Trexler, General Board Member.

The Moderator called for a period of special prayer for the Brunswick Baptist Association ministries and several concerns were heard from the body. Six or seven people led in prayer for these concerns.

The Treasurer handed out her written report. As there were no questions, the report was filed with the Clerk. There was no unfinished business. The Missions Performance Group report was given and filed with the Clerk.

The Moderator called for items of new business. The Chairman of the Nominating Committee gave a partial report which was approved by the body. The Missions Development Committee asked that the Executive Board enter a resolution approving the application of Holden Beach Mission for a loan from the Baptist State Convention. After such motion was made and seconded, there being no discussion, the suggested resolution was approved.

The Director of Missions gave his report which was filed with the Clerk. The Moderator then read a letter of resignation from Mrs. Vera I. (Lib) Sellers, Associational Secretary. Motion was made, seconded, voted upon and carried that the Moderator appoint a three-member personnel committee to select and hire a replacement for Mrs. Sellers, and that the committee also develop a job description for the position. The Director of Missions is to serve as ex officio member of the committee so appointed. The Director of Missions was given permission to employ a secretary on an interim basis if no replacement for Mrs. Sellers is selected before May 31, 1991, the effective date of her resignation.

Motion was made, seconded and unanimously carried that the Moderator purchase a gift for Mrs. Sellers to be presented during National Secretary's Week as an expression of the Association's appreciation for her competent, efficient and loving services rendered the Association during her years of service to it.

There were no announcements and following the benediction, the meeting was adjourned. Refreshments were served in the Church Fellowship Hall by the ladies of the church.

JULY 15, 1991

The Executive Board of the Brunswick Baptist Association met in regular quarterly session on July 15, 1991, at Leland Baptist Church, with the Moderator, Wayne Trexler, presiding.

A quorum being present, the meeting was called to order and J. Tyler Potter, member of Leland Church, welcomed the body and brought a devotional message. The Clerk then gave the attendance report as follows: eight pastors, 24 church representatives, three general officers (not counted elsehwere), the Director of Missions, three Missions Performance Directors (not counted elsewhere), and five visitors, or a total of 44 present. Eighteen churches were represented.

At the request of the Clerk, the Clerk-elect read the minutes of the April 15, 1991, Executive Board Meeting. The minutes were approved as read. The Treasurer's written report was handed out. There were no questions and the report was filed for information.

Vic Potter, Jr., member of the Secretary Search Committee, introduced the new Associational Secretary, Mrs. Patricia Lewis, member of Antioch.

General Board Member, Wayne Trexler, gave an informative report from the General Board.

The Moderator then called for a prayer time for the Executive Committee which was led by Hayden Cartner, interim pastor at Supply.

There was no unfinished business.

Paul Early, Chairman, gave a report from the Missions Performance Committee. Copies of his written report had already been distributed.

Jack Hancox, of the Missions Development Committee, brought a recommendation from that committee that the Executive Committee approve Bonaparte's request for assistance from the Baptist State Convention. The motion was seconded, there was no discussion, and the motion was unanimously carried.

The Clerk read from a letter received from Edmonds Printing Company with regard to the printing of the minutes for 1991. The letter stated that the cost of 450 copies of a 100-page annual, such as ours in 1990, would increase slightly, the amount to be $1,324.00, which includes postage. Hugh Price moved that the bid be accepted. This was seconded by Douglas Huff. There being no discussion, the motion was voted upon and carried.

Don Lamb of the Properties Committee, made a recommendation from the committee concerning a request from Hope Harbor Home (Domestic Violence Shelter whose property adjoins the Association's Resource Center) that Hope Harbor be granted a perpetual right and easement to construct a sewage drain field and connecting lines over the portion of the Association's property as described in the proposed easement and shown on an attached map. Copy of easement and map are on file with the Clerk. After discussion, questions answered, and a study of the document by E.J. Prevatte, Attorney, and Parliamentarian, the matter was voted upon and it was unanimously agreed that the Trustees be authorized to sign the easement for the Association.

Jack Hancox announced that Paul and Lena Early and Jack and Doris Hancox had been approached by the Foreign Mission Board, asking them to return to the mission field, Mr. and Mrs. Early to Belize and Mr. and Mrs. Hancox to Haiti. The two couples asked for our prayers that they might follow God's will in these matters.

The Director of Missions gave his report, a five-year summary of Associational work since he has been Director of Missions.

Douglas Huff, of Oak Island Church, gave a report on Resort Ministries being carried on this summer. He also brought a report on Youth Work from his wife, Mrs. Gaylon Huff.

Several announcements were made just prior to the closing prayer. Following the benediction, the ladies of Leland Church served refreshments in the Fellowship Hall. They made it rather special by having a cake decorated with "Brunswick Baptist Association" written in the icing. It was so lovely they had trouble getting anyone to be willing to cut into it!

Ordination Report

The Ordaining Council met with the following men during the past Associational year to examine each man as a possible candidate for ordination into the Gospel Ministry:

John Marcus Sellars at the request of Elah Baptist Church.

Edward E. Robinson at the request of Boones Neck Baptist Church.

Upon satisfactory examination in the doctrine of our faith, including their conversion experience, their call to the Gospel Ministry, their acceptance of the "Bible as the Word of God" and their willingness to cooperate with the local Association and both State and Southern Baptist Conventions, the Council recommended that the Churches proceed with ordination. Both men were ordained and are in the service of their church.

Respectfully submitted,
J. Bryan Dosher, Chairman

Resolutions Committee Report

We wish to thank the members of Supply Baptist Church and of Goshen Baptist Church for their hospitality to us and the warm spirit of fellowship.

We recognize the need for more church involvement in reaching out to the unreached in our association - the lost, the indifferent church member, and those with heavy hearts who need to see in our lives the love and compassion of our Lord Jesus Christ.

We will strive to promote Total Church Life, a process of balanced church growth, in our churches, recognizing the need to Exalt the Saviour, Equip the Saints, and Evangelize the Sinners.

Respectfully submitted,
Myrtle Watson, Chairman

Recreation Report

1991 - 92

Attendance could have been better at our Second Annual Associational Picnic, but those who came certainly enjoyed the good fellowship and participation in the many events offered.

A Co-Ed Softball League was inaugurated. Each team played a 10-game schedule on Saturday afternoons at the County Park in Supply. Round-robin playoffs succeeded the regular season with a picnic on the final day. Its purpose was to furnish a vehicle for fellowship and fun. This mission was largely accomplished. We expect more churches to enter teams next year, and will consider a fall schedule in addition to the spring one.

An Associational Golf Tournament has been scheduled for November 23 at Brierwood Golf Club.

Organizational meetings are scheduled to form an Associational Basketball League to play from December thru February 1992.

With the Lord's blessing, these endeavors will be successful.

Woman's Missionary Union Report

1990 - 1991

W.M.U. began the new church year with a Training Workshop for Church Age-Level Directors at Supply Church. A team of conference leaders from the Wilmington Association conducted the Workshop. Leaders from 22 churches attended.

Baptist Women's World Day of Prayer was observed in 11 churches.

The Foreign Mission Study books were taught and the Week of Prayer for Foreign Missions and Lottie Moon Christmas Offering were observed in 33 of our churches. The Lottie Moon Christmas Offering reached an all-time high in many of our churches.

In February the Home Mission study books were taught were taught in 21 churches and the Week of Prayer and the Annie ARmstrong Offering were observed in 27 churches.

On March 1, 1991 the WMU Banquet for Pastors, Key Church Leaders and WMU Directors was held at Mt. Pisgah and was attended by 126 persons. We enjoyed fellowship, food, WMU information, and inspiration.

Also in March Nancy Curtis, State WMU Executive Director, met with the Associational Council and the Director of Missions to discuss ways to improve WMU and to share ideas for future growth. The Council was host to Nancy and Sara Ann Hobbs, a former WMU State leader, at a dinner meal before the meeting.

Girls in Action were busy during the year. A GA camp was held at Caswell and enjoyed by all attending. The GA Banquet was a huge success with over $200.00 being raised for the Annie Armstrong Easter Offering. A new GA was organized at Old Shallotte.

Also during the year WMU work was begun at the Brunswick Island Mission with an enthusiastic group of Baptist Women. They now have all the WMU organizations.

We approach a new church year with anticipation as Farmer's Chapel begins work in all age-levels. Susan Sellers, Associational BYW Director and Pastor's wife, is real excited and has played a big part in getting this work started. A new Mission Friends organization is scheduled to begin at Friendship in October. Calvary is beginning a new year with organizations for BYW and Acteens in addition to their already organized work in Baptist Women, GA and Mission Friends. A spaghetti supper and a skit about WMU was the springboard to their new organizations.

The Annual WMU Meeting at Leland was the climax of our year. Attendance was super and churches responded with love to a "Shower of Bears" for the Brunswick Bear Program, wherein teddy bears are used by law enforcement officials in dealing with children who are experiencing trauma. Det. Don Gates of the Brunswick Sheriff's Department spoke in the afternoon session about the Bear Program. Laurie Sillings, GA Director, presented a video of 1990-91 GA activities. The evening session inspired all to new heights as Nancy Curtis challenged us to be Care-Bear-ers for WMU in the Brunswick Association in 1991-92.

Response to the appeal for kneesocks for the Women's Prison Ministry in November 1990 was great. We were able to send more than our quota. This year Brunswick WMU is responsible for 800 washcloths for the Red Christmas Boxes donated each year by North Carolina WMU for the Women's Prison Ministry. We believe the 1991 response will be just as great as that of 1990.

I was a Sunbeam, my first association with missions. In my family missions was and is a way of life. It is hard for me to understand how any person could read God's Word and not believe that missions is a must for Christians. I have a burden because I am not sure that missions is alive in many of our churches. A lot of the reports I receive do not show any missions work for the youth. I wonder if the term "missions" has become like a comfortable, wellworn shoe. The word "missions" is not radical. Few eyebrows are raised when it is mentioned; it is a totally acceptable cause. It is, after all, the distinctive over which the Southern Baptist Convention was formed in 1945. Missions is proper. Even women and children may safely engage in missions endeavors. The term "missions" seldom evokes a sense of danger. Only one question remains: Is Missions alive? Missions is, or can be, alive!! The existence of WMU and Brotherhood is critical if a church desires to see missions come alive. Men and women who are willing to invest themselves in providing organizations for preschoolers, children and youth are needed to insure that Southern Baptists will have missionaries in the next century. How do local church leaders keep missions alive? By taking it out of the back closet - dusting it off, placing it where it can be seen, appreciating it, using it as a vital part of church life. If your church is earnest about wanting missions alive, give Woman's Missionary Union a chance. Have your other programs, sure, but don't leave out Mission Friends, Girls in Action, and Acteens. I dare you pastors, deacons, church leaders, laymen and women to take the necessary steps to make missions come alive in your church! If you need help, the Brunswick WMU Council is here to help - we're a very special people, with a very special job to do. We are CALLED AND ACCOUNTABLE to keeping missions alive in the Brunswick Association. We want to help you.

MISSION ACTION REPORT

This year our prison ministry consisted of presenting knee socks to the women's prison. Also migrant kits were given to the migrant workers.

I am sorry to say we were unable to have the trainig session on personal witnessing.

We are looking forward to a new year with high hopes that we can have more mission action projects this coming year.

We are in need of 800 washcloths for the prison ministry. Please help us in this effort. Please take them to the Resource Center, Southport Baptist Church or Mrs. Jackie Smith's home, by noon on November 15. They are to be mailed that evening.

We sincerely thank you for your help in our mission action projects this year. May God richly bless each of you for your efforts.

WMU Mission Action Chairman

GIRLS IN ACTION 1990 - 91

On March 8 we had A Night of Adventure. We had 25 present representing three churches. There were workshops in each of the age levels of Mission Adventures. Refreshments were served and Easter favors were made for the nursing home

out of spoon filled with jelly beans, wrapped in green netting and pink ribbon. Before the GAs could come to the function, they had to have memorized the longest set of verses in their Mission Adventure Steps.

In April, we had our Annual Mother-Daughter Banquet. We went to Old Shallotte where they had done an outstanding job in decorating. We enjoyed a wide assortment of goodies as Good Baptist women can cook. We had 56 present from five churches. The program was on He Loves Me, He Loves Me Not. This was how we may think God doesn't love us because of the evil things we do, but the Bible tells us he loves us still. Daises were used in the theme. They were handed out to each church group, a bloom for each dollar they collected for the Annie Armstrong Easter Offering. Music was provided by Friendship GA.

Our GA Camp was another fun filled weekend at Caswell. We had 68 girls and leaders and not a moment spared to get bored. We had fun in the pool followed by a 20-foot ice cream Sundae. Water games, a puppet presentation by the Puppets Out Witnessing of SC and a devotional by Idena Hendricks of Caswell Beach. This was a complete story of the Bible composed on a lampshade of sea shells. Everyone was enchanted. This was all just on Friday night. Now on Saturday after devotions we met in the classrooms for seminars with our guest missionaries, Paul and Lena Early. They are retired from the Bahamas and Trinidad. We also enjoyed shell craft projects emphasising the Lampshade story from Friday, a mission action project of a Bible Dictionary with puzzles and a pencil for the remote villages of the Bahamas where they don't have books of any kind. We also had a session in music by Becky Falor.

Many thanks to all the GA leaders that helped in the workshops and took over in my absence.

I want to visit the GA groups in our Association this year and help stabalize and start GA groups. WMU directors, I can't stress enough the importance of your filling out your reports of who your leaders and directors of each age level are. We cannot plan or include your group if we don't know who you are.

Baptist Women Director Report

1990 - 1991

Baptist women were blessed to have Mrs. Dorothy Fennell of Wilmington to lead the Baptist Women section of the WMU Workshop. During the year your Baptist Women Director held several individual conferences with Baptist Women in the Association, either in person or by telephone.

Beginning in May, I had the privilege of meeting on three different occasions with the Baptist Women of the newly organized Holden Beach Mission, now Brunswick Islands Mission, and helping them with some hands-on training. I'm most happy to report that they are an enthusiastic group well on their way to becoming a strong organization. I am so thankful to have had a part in what they have and are accomplishing. Quite a few of them are here today and I want to show them off and introduce them to you. Jackie, I truly believe that from this group we will soon see some associational leaders emerge.

Also, I had the opportunity of teaching the study course book, *Annie Armstrong, Dreamer in Action,* both at Mill Creek and at Oak Island. These classes were opened to all women in the Association who might desire to be a part. Through them we reached at least seven churches and approximately 45 women.

On December 3 I met with the women of Oak Island First for their Week of Prayer program; held a Mission Study Institute on January 17, and attended the Associational WMU Banquet for Pastors and Directors on March 1. I have published three or four issues of *Baptist Women News and Views.* I have been ably assisted in many of these activities by Gayla Varnam, Assistant Baptist Women Director and Mission Action Director. I deeply appreciate her help.

Already I have been asked to have a part in the activities of three of our churches in the coming year. It is good to see the women planning ahead for the year's work and I am glad that I can have a part. It is a joy to serve through Woman's Missionary Union and Baptist Women.

Historian's Report

The information for this report was gleaned from the Uniform Church Letters and from events reported in *The Tabloid* during the year. Very few churches reported in either place, so this is a plea for Clerks and Pastors to be more diligent in reporting church happenings during the new church year. Each church plays an important role in the history of our association. Please help us record it properly.

Some of the highlights for the year that were reported follow. Two men were ordained to the Gospel Ministry and one man was licensed. Five new deacons were ordained and three churches reported Pastor Appreciation Days.

Prospect and Oak Grove observed their Centennials and Southport held a 120th Anniversary celebration and published an updated history of that church. Faith observed her 14th Anniversary.

Beach Road Church held its first service in the new building on November 11, 1990, followed by a dedication service on December 16, 1990. Quite a few churches engaged in renovation projects and some installed stained glass windows. Gospel Center completed a new Education Building which was dedicated on August 18, 1991. Southport began a second Challenge to Build program and purchased an existing building across the street from the church to be used for expansion purposes. Two churches paid off their indebtedness. Brunswick Islands purchased an eight-acre tract for a church and a building committee was chosen to begin plans immediately.

In a large number of the churches Senior Adult ministries and Youth ministries were emphasized. A Singles Ministry was started at Southport and several churches reported new missions organizations. One church began a Discipleship Training program and some reported new Sunday School classes organized.

Some of the churches reported ministry projects such as a Handyman Ministry to senior citizens and handicapped persons, a new nursing home ministry and a tape ministry.

Two churches reported the purchase of church vans.

Antioch held a successful Parent/Teenager Communications Skills Conference.

Several churches exceeded their goals for both the Lottie Moon Christmas Offering and the Annie Armstrong Easter Offering.

Bonaparte's Pastor, Hilton Willetts, received a B.S. Degree in church ministries, and Dan Bennett, Pastor at Grace, was awarded his doctorate. Dr. Bennett was recognized by the church in a special service at which the Rev. A.R. Waisner, former DOM of the Brunswick Baptist Association, was guest speaker.

Supply Church named one of its most beloved members, the Reverend Tom H. Williams, as Pastor Emeritus. Brother Tom is now more than 90 years of age and is still actively serving his Lord.

Resort Ministries under the direction of Dr. Jack Hancox and the Missions Development Committee were carried on in five resort locations during the summer of 1991.

The reports of the various committees and the Director of Missions as printed in these Minutes also form a vital part of the history of this Association. Your History Committee urges you to read those reports to find out how we as an Association are responding to the call to be God's People in this place.

Media Library Report

1990 - 1991

Early in the year we had a very good meeting at the Resource Center and looked forward to more churches in the association joining us.

Had two (2) people, Eloise Andrews and Doris Shook, from Jennie's Branch, attend the State Media Library Convention at Caraway.

Your Director attended Key Leadership at Ridgecrest in late May. We had the most people present that we had in many years. New tips on promotion were given and hands on experience was done in the field of promotion. Churches represented were Faith, Calvary, Southport, Jennie's Branch, Bethel, and Holden Beach Mission.

Your Director went to Jennie's Branch in August and presented a program on Media Library to 32 senior citizens that meet at Jennie's Branch.

The last meeting of the year, on September 17, had good attendance and work was done to help catalog and process many items for the associational library.

The associational library has added 75 new books, six audio cassettes, 13 new videos, one new bookshelf, and other items of interest. Also, 19 new Equipping Centers were added.

We sincerely hope that in 1991-1992 many more will get involved with this important ministry to the churches and the association.

Respectfully submitted,
Margaret Clemmons

Evangelism Committee Report

1990 - 1991

"GO . . . SEEK . . . FIND"

Approximately 200 persons attended the Associational Evangelism Conference held at Southport Baptist Church on Monday, February 18, 1991, at 7:00 p.m. Special music was provided by an Associational choir under the direction of Eddie Hicks, and by "The Missionaries" quartet from the Brunswick Island Baptist Mission.

The speaker for the conference, former Foreign Missionary Rev. Jack Hancox, presented a challenge to reach out to others around us with the message of salvation in Jesus Christ.

We encourage the people of our churches to be "bold" in their efforts to evangelize the people of Brunswick County.

Respectfully submitted,
Douglas Huff
Evangelism Chairman

Church Mission Development Program

Last year (1990-91) a packet of materials was made available to all the churches attending the annual meeting. The concept of church mission development was described briefly as the normal outreach of the local church to get "the whole gospel to the whole man throughout the whole world."

What will a mission development committee do for your church? Evidence now coming from North Carolina Baptist churches engaged in mission development indicates four (4) important results. They are as follows:

1. Mission needs of the area around the local church are identified and defined.
2. Appropriate responses to meet these needs are determined.
3. Available resources are discovered to meet the needs as defined.
4. Application of responses and resources as designed by the church is put into motion to involve the total church in mission - meeting the needs in Jesus' name.

While this is a viable and effective concept of total missions, only two (2) churches in the association are using the mission development program. Please contact me if your church is interested. Remember that missions development idea is not the creation of another organization. It is a process that builds upon the existing organizations of Sunday School, WMU and Brotherhood.

No new "mission" churches were organized during the year. One church, the Stanley Road Baptist Church, closed it's doors after five (5) years of struggle.

The Holden Beach Baptist Mission has completed two years of existence and is moving rapidly toward churchhood. Present membership stands at 76, and the budget of $58,500 is being met. Property has been purchased at the junction of highway 130 and Mt. Pisgah Road. The building committee is hard at work and hopeful to adopt a plan of construction soon.

The Resort Ministry of the Association experienced a great summer. Regular services, all at 8:30 a.m., were sponsored in the following locations:

Bricklanding - Sea Mist Campground - Jennie's Branch Church
Tanglewood - Tanglewood Shelter (Holden Area) - Town Creek (Walter Clegg) Campground by the Sea Holden Beach - Holden Beach Mission (John Hancox)
The Cabana - Long Beach - First Baptist Church Oak Island (Doug Huff) and the summer staff - Caswell
First Baptist Church Oak Island Early Service (Doug Huff)

The statistical data was not available at this writing, but early records did reveal that the average attendance for all five services exceeded 200.

My prayer remains that our churches re-discover the Biblical truth that the church (your church) is a resurrection community and we are to minister in Jesus' name to all people in need, both here where we live, and around the world.

Sunday School/Assist Team Report

1990 - 1991

The Brunswick County School Assist Team was busy preparing themselves and leading churches in improving Brunswick Sunday Schools. The team attended two leadership conferences, one at Cary, and part of the team went to Ridgecrest. They met four (4) times to plan for events.

During the year, five (5) teaching conferences were presented with a total attendance of 292. The conferences were:

Two (2) Sunday School Directors Meetings.

One (1) Pastor/Sunday School Directors Meeting.

One (1) Associational Sunday School Training book taught.

One (1) Sunday School Leadership Workshop. (two nights)

The teams, or a member of the team, were invited to come into five (5) churches and help these churches with their S.S. organization and teaching improvement.

Overall, it was a good year for the Assist Team.

Discipleship Training Report

1990 - 1991

Discipleship Training is the organization assigned the task of helping church members, new church members, and church leaders (also potential leaders) grow in their Christian discipleship. The Discipleship Training program does not compete with other church programs, but enhances the total work of the church.

During the past church year Discipleship Training in our association:

1. Sent the Director, Rebecca Chapman, to the Key Leadership Conference at Ridgecrest.
2. Conducted an Associational Key Leadership at Supply on May 28, 1991.
3. Sent six (6) children to the State Bible Drill at Fayetteville. They are: Keri Bakan, Kelly Lockamy, Elizabeth Martin, Jennifer Price, Jason Shew, and Mary Sillings. Jason Shew is a three year winner. All of the children are from the Southport Baptist Church.
4. Conducted "M" Night on November 26, 1990 at Faith Baptist Church.
5. A Discipleship Interpretation meeting was conducted on March 18, 1992.
6. Members of the Associational Discipleship Team had the opportunity as a team and also individually to go into several churches and interpret the Discipleship Training Program.

The Discipleship Training Team for the church year 1990-1991 was:

Rebecca Chapman, Director
Mae Parsons, Adult Coordinator
Ruby Casanova, Youth Coordinator
Lib Sellers, Children's Coordinator
Gayla Varnam, Pre-School Coordinator

Thank you for the opportunity to serve my Lord in this capacity.

Respectfully submitted,
Rebecca Chapman

Music Report

Our goals for our associational music work have been to (1) develop a program of fellowship among church musicians (2) evaluate and meet the musical needs of our association (3) provide help for church music leaders.

We have sought to meet these needs during the 1990-91 associational year by:

(1) Providing music for the annual meeting.
(2) Forming a "church training" choir for the Associational "M" night.
(3) Providing music for the Associational Evangelism Conference.
(4) Receiving training at Key Leadership Conferences.
(5) Conducting a music clinic for directors and music leaders in how to make better use of choir rehearsal time.
(6) Establishing zone directors to expand leadership.
(7) Attending and participating in the volunteer Music Directors Retreat at N.C. Baptist Assembly - Caswell.

Coastal Baptist Study Center

Southern Baptists are committed to education, especially the education of persons preparing for the Christian ministry. Traditionally this has involved the support of colleges, universities, and theological seminaries located around the world.

Several years ago the need surfaced, in eastern North Carolina, for an educational opportunity that would minister to the specific needs of local students. Out of this need COASTAL BAPTIST STUDY CENTER was birthed!

Christian Action League of North Carolina, Inc.

This has been a most eventful year for the cause of Applied Christianity.

With North Carolina facing a 1.1 billion dollar shortfall and with news accounts stating that citizens from North Carolina are spending 100 million dollars annually in the Virginia lottery, it appeared almost inevitable that a lottery bill would pass the 1991 legislative session.

In addition to the economic factors, the gambling industry had 13 lobbyists working the halls of the Legislature daily promoting lottery legislation.

Even though lottery legislation passed the Senate, it was quite evident that the lottery lobbyists could not line up enough votes to get the measure through the House of Representatives. Lottery supporters did not push for a vote, for they knew that the legislation would be dead. Therefore, the proposal will be eligible to be considered in the next legislative session when it convenes in June, 1992.

Between now and then, it is most important that you secure a commitment from your representatives in the North Carolina House to oppose state-sponsored gambling. The Senate will not be voting on the lottery in 1992 because it has already passed that body.

Key lottery supporters were Senator Ken Royall (D-Durham), Senator George Daniels (D-Caswell), Representative David Redwine (D-Brunswick), Representative Joe Mavretic (D-Edgecombe), Representative Robert Hunter (D-McDowell) and Representative Frank Rhodes (R-Forsyth).

Opponents of the legislation were led by Governor Jim Martin, Lieutenant Governor Jim Gardner, Senate President Pro-Tem Henson Barnes (D-Wayne), and Speaker of the House Dan Blue (D-Wake).

While we were successful in side-tracking lottery legislation, the Legislature refused to enact the following proposals:

1. PARENTAL CONSENT: North Carolina remains one of the few states in the nation that allows a minor to receive an abortion without parental consent. Legislation to enact parental consent passed the House, but died in the Senate.
2. DRUNK DRIVING: The House passed legislation that would change the alcohol blood level from .1 to .08 as the breathalyzer standard for Driving-While-Impaired. The Senate refused to act on this proposal.
3. OPEN CONTAINERS OF ALCOHOLIC BEVERAGES IN MOTOR VEHICLES: It is ironic that an open *liquor* bottle is prohibited in a motor vehicle, yet there is no limit to the number of open beer containers allowed in a motor vehicle. Highway safety authorities confirm that a large majority of the drivers charged with driving-while-impaired are beer drinkers. N.C. Highway Patrol officials endorsed the open container legislation, but it got "hung up" in a House committee.
4. TEEN AGE PREGNANCIES: In order to address this growing problem, legislation was introduced to require sexual abstinence instruction to be a part of the curriculum of our public schools. (Such instruction has been very successful in reducing teen-age pregnancies in other areas of our country.) However such a program was opposed by our N.C. Department of Public Instruction. Education officials charged that such legislation would be imposing a standard of morality upon our youth. The measure simply stated: "The public school curriculum shall include instruction, in appropriate grades and classes, that abstinence from sexual activity outside of marriage is the expected standard

for all school age children, that abstinence from sexual activity is the only certain means of avoiding out-of-wedlock pregnancy, sexually transmitted diseases, including AIDS, and other associated health problems; and that a mutually faithful monogamous relationship in the context of marriage is the best lifelong means of avoiding sexually transmitted diseases, including AIDS."

5. ABORTION FUND: North Carolina is the only Southeastern state that used state funds for medically unnecessary abortions. Some $400,000 of state tax funds have been budgeted by the state legislature to pay for these elective abortions. Therefore, we are denying thousands of babies *LIFE,* liberty, and the pursuit of happiness.

How can we turn the tide on these important moral issues? It will occur when North Carolina Baptists and other Christians are willing to become actively and publicly involved in upholding our Judeo-Christian moral standards. It is not enough just to wring our hands and just talk about the problems. We need to cry out publicly and act against sin. Baptists need to be informed about the stands taken on these issues by those who are running for public office, and then *vote* for those who reflect our standards.

In addition to a demanding legislative session, the Christian Action League has successfully assisted several counties and municipalities in liquor, beer, and wine referendums.

Good Government Seminars were conducted in the Asheville and Wilmington areas, at which some of the above issues were addressed. Nationally recognized authorities came to share their expertise on the issues of gambling and family matters. These included Dr. Paul Cameron, Chairman of the Family Research Institute, Washington, D.C., Austin McGuigan, former State's Attorney for Connecticut, and Bill Swindell, National Field Director, American Family Association, Tupelo, Mississippi.

We praise God for your prayer and financial support as we join in addressing moral and ethical issues facing our society.

The Biblical Recorder

Associational Report - 1991

The Baptist world is changing rapidly; some would contend it is for good while others think it is nothing short of a tragedy.

Whatever one' view may be, there is an indispensable need for correct and reliable information. The *Biblical Recorder* was born and continues to serve for that purpose.

People are reading less than any time in recent history. It is true of secular publications, it is true of wholesome books from respected libraries, it is true of religious publications. We live in an electronic, fast-food, everything is disposable age! We often think we know the answers only to discover later we do not.

An informed Baptist is a better Baptist; an uninformed Baptist may be an uninvolved or disruptive Baptist. No democracy, including our local churches and the denomination they comprise, can survive long without an informed, involved con-

stituency which makes corporate decisions based upon accurate information from reliable sources.

The most important thing facing us at this point is to get the *Recorder* into more Baptist homes than ever before. Your support as a subscriber and reader and your encouragement to others will enable the paper to better serve the constituency with accurate and helpful information delivered to Baptist homes and churches. We need your help!

In order to save churches large amounts of money and to increase the readership of the *Recorder*, Church News Service (CNS) was launched in 1990. This system lets any congregation have their church newsletter incorporated into the *Biblical Recorder* which saves staff time, postage and printing costs. Usually, for less than what it costs to produce the church newsletter, CNS gives the entire Baptist communication package to each family in the congregation. We are steadily adding churches to the CNS program.

The paper focuses more and more attention on North Carolina Baptists with news, features and inspirational articles which will encourage individuals and churches in their witness and ministry.

Never has God given Baptists a greater opportunity; never have there been as many difficulties and obstacles to overcome. One sure way to conquer problems and overcome the barriers to effective witness and ministry is to have the facts, know the issues and be adequately informed.

That is why the *Recorder* was born; that is why it serves today. For more information on how your church can subscribe or use CNS, contact:

Baptist Retirement Homes of North Carolina, Inc.

1991: Making Life for Older Adults the Best of Times

The Baptist Retirement Homes of North Carolina, Inc. operates four residential facilities for Older Adults around the State - Albemarle Baptist Home in the Southern Piedmont, the Western North Carolina Baptist Home in Asheville, the Hamilton Baptist Home in Eastern North Carolina, and the Brookridge Retirement Community in Winston-Salem.

In Asheville, 1991 began with a great deal of excitement. After more than five years of trying to receive state approval to build a nursing care bed addition, the Baptist Retirement Homes was awarded a Certificate of Need for 100 medicaid certified nursing care beds for its Western North Carolina Baptist Home on Richmond Hill in Northwest Asheville. Currently the only nursing care provided by the Baptist Retirement Homes is the 85 bed nursing care unit at the Brookridge Retirement Community in Winston-Salem. The addition of 100 medicaid certified beds will mean that quality nursing care can be offered to Western North Carolina Baptists regardless of their ability to pay for the institutional services that they need.

The 39,000 square foot addition will cost approximately $2.8 million. At the present time, the Baptist Retirement Homes has raised approximately $2 million of the $2.8 million needed to make this long hoped for dream a reality. Baptists across Western North Carolina are being urged to help Baptist Retirement Homes meet the financial challenge of building this new unit on Richmond Hill.

In Winston-Salem, the Brookridge Retirement Community completed its second year of operation. Under the leadership of a well-trained and committed Christian staff, the Brookridge Retirement Community's Independent Living area and Health Care Unit are considered among the finest in the state.

In Albemarle and Hamilton, Assisted Living care is provided to Older Adults in residential settings. The Albemarle and Hamilton facilities offer quality care to Older Adults regardless of their ability to pay for the cost of the care they receive. . .a service unmatched by any other church related long-term care institution in this state.

Please support our ministry with your prayers and financial resources. Help us make life for Baptist Older Adults. . . The Best of Times!

North Carolina Baptist Assembly

As the home county and Association for the N.C. Baptist Assembly you have a tie to other N.C Baptists. This year our facility on the Cape Fear River will be host to some 26,000 guests. You are probably aware of the large numbers of guests we have during our ten weeks of camp in the summer months. This year we had 8,792 children, youth, and adults come for programs provided through the Baptist State Convention of North Carolina. You may not be as aware that during this fall and winter we will almost equal that number of guests. We play host to seven Coastal Senior Adult Retreats this fall and have hundreds of volunteers from churches takin gpart in our continuing renovation. Volunteers from Baptist Men's Organizations all over N.C come to share their skills and labor in return for lodging.

The Assembly also values our relationship with those in Brunswick County. We have a summer child care program called Camp Seabreeze and during the school year are host to the Oak Island Preschool. Another summer program for locals is our swimming lesson and free swim time. This year's summer staff of college students joined First Baptist Oak Island in sponsoring Oak Island's Worship on the Beach that reached over 500 people in weekly seaside worships on Sunday mornings.

Let me encourage you about all of the opportunities your church can take advantage of at the Assembly in 1992. First on New Year's Eve youth and adults from your church can come be a part of our Exciting Alternative New Year's Eve Celebration. This program includes separate tracks for youth and adults in a Christian environment including good food, fellowship, worship and the Lord's Supper to begin 1992. Youth groups can come be a part of our Spring Fling weekends in April. In May there will be a Couples Retreat and next year we have 16 scheduled retreats for your Senior Adults to choose from. And the singles of your church have a weekend in June to come together with other Baptist singles from all over North Carolina.

In August there will be a weekend training conference for Discipleship Training leaders and send the Sunday School teachers and leaders in October. In Sep-

tember Volunteer Music Directors will have a retreat and there is an October weekend reserved for the Deacons and their wives!

Our facilities are also available for local church events and often serve as host for Associational events as we did this year to Associational pastors, G.A.'s, Youth, and the Father/Son Fishing Tournament. Please know of our desire to serve you, our Baptist neighbors.

1991 Youth Ministry Report

This calendar year Brunswick Baptist Association has provided two events to which the youth groups of the churches have been invited.

On Saturday March 16 the annual Associational Youth Night was held at First Baptist Oak Island. Church groups were invited to participate in the program by providing music. The youth choir from Town Creek sang in response to that invitation. Youth speaker was Mark Howell of Winston-Salem, and a BSU team from Eastern Kentucky University presented a skit and shared testimonies. Some 80 persons attended and seven churches were represented.

June 22 the churches were invited to a Youth Day at the North Carolina Baptist Assembly. Recreational faciliteis including the pool and volleyball courts were made available in the afternoon before a cookout. The program consisted of a talent show put on by the Caswell Summer Staff and church youth groups and a closing devotional time led by the Summer Staffers. A charge of $4.00 per person covered expenses for the entire event. Seventy-one people from our churches participated.

A list of youth workers from the churches has been compiled and plans are in the making for a fellowship/meeting time for these workers to meet together for encouragement and the sharing of ideas and resources. A date has already been set for another Associational Youth Night in March.

1991 North Carolina Baptist Hospital

The year 1991 is significant in the history of Baptist Hospital - it marks the 50th anniversary of its entering a partnership with the Bowman Gray School of Medicine of Wake Forest University, to form one of the 126 academic medical centers in the nation. Appropriate events have been planned to celebrate this anniversary.

This partnership makes it possible for Baptist Hospital to offer its patients the most advanced technology for diagnosing and treating their health problems. For example, ours is one of 15 medical centers in the nation involved in clinical trials of a new coronary laser which vaporizes plaque in blocked coronary arteries. We

are one of five centers in the U.S. conducting clinical trials in stereotactic radiosurgery, a procedure in which high-energy beams of radiation from a linear accelerator are focused by computers on brain tumors and lesions to destroy them. This procedure can be done on an outpatient basis. We are one of 24 Comprehensive Cancer Centers in the nation. We are the designated organ procurement agency for northwest North Carolina, and we recently received approval to begin performing pancreatic transplants this year. Early in 1992, we expect to open our new Center for Positron Emission Tomography, one of the most advanced radiological services which is capable of measuring the chemical structure of the body. This new diagnostic procedure promises to make possible earlier detection, and hence, earlier treatment of tumors, hopefully, improving the outcome of the treatment.

During the past year, the hospital admitted approximately 22,000 patients, and almost 400,000 persons were treated through the various outpatient services of the Medical Center. These patients came from most counties in North Carolina, from 32 other states, and from several other countries.

During the past year, Baptist Hospital was re-accredited by the Joint Commission on Accreditation of Health Care Organizations, and the survey ranked it in the top 10 percent of hospitals in the nation. According to a recent report from the N.C. Medical Database Commission, average charges for care at Baptist Hospital are 10 percent below the average charges for similar diagnoses in hospitals statewide, and substantially lower than charges in the other North Carolina academic medical centers.

The Pastoral Care Department, which is funded in part through the Cooperative Program, provided Clinical Pastoral Education to 42 students during the past year. The Pastoral Care staff provided more then 54,000 specific ministries to hospital patients, family members, and staff. And, the counseling division provided over 21,700 counseling sessions. The Professional staff of the Pastoral Care Department continues to respond to requests for help from churches in conflict, from pators and their families across the state.

For the first time since 1978, a Mother's Day Offering exclusively for Baptist Hospital Benevolent Care was received in North Carolina Baptist Churches. At the time this report is being written, results of the Mother's Day Offering appear to be very favorable. The staff and patients at Baptist Hospital are profoundly grateful to North Carolina Baptists for this support.

North Carolina Baptist Foundation

June 1991

The Board of Directors and the staff of the North Carolina Baptist Foundation are committed to effective leadership in generating increased perpetual financial support of Baptist causes throughout the state, nation and world. With assets approximately $27 million (market value) at the end of the 1990 fiscal year, the income distribution to Baptist causes is significant each year.

Typically, assets are either held as endowments paying interest income in perpetuity to named Baptist causes, or they are held in trust with current income being paid to individuals and future income being paid to Baptist causes in perpetuity.

Earned income distributed to Baptist institutions and mission causes during fiscal year of 1990:	$647,180
Earned income distributed to individuals with Baptist causes named as charitable remainderman during fiscal year of 1990:	$686,124

The staff of the Foundation consists of seven full time employees and two persons who provide part-time service in accounting and legal services. The servicing of individual accounts requires continuous contact with trustors, donors and those designating gifts through Wills. The increased number of requests for assistance in seminars and conferences by churches, associations and indiviuals has made part-time assistance necessary in regions of the state some distance from the office.

There are continual improvements being made in available charitable estate planning computer software, constant changes in state and federal regulations which affect charitable estate planning and an increased need for technical training and assistance to serve the ever increasing needs of both the development staffs of our institutions and the individuals utilizing the Foundation services. The Foundation continues to provide for these needs to maximize the growth in financial support for Baptist causes.

In 1990, the Foundation moved into a new home. The 6,000 square foot office building was constructed from gifts from individuals and is located on property provided by the Baptist State Convention next to the Baptist Building in Cary. The new facility was occupied in February 1990 and provides much needed space for the work of staff as well as for conferences and meetings. Baptist groups are invited to use the meeting rooms when in the Raleigh/Cary area. We extend an invitation to church groups to call and arrange a visit to the newest building used for the Lord's service by North Carolina Baptists.

Report of the Director of Missions

October 22, 1992

Brunswick Baptist Association is a self-determining partnership of autonomous Southern Baptist churches voluntarily bound together for the purpose of mutual care and support in an effort to individually, and cooperatively, implement the Great Commission of our Sovereign Lord.

The local church is the primary instrument for getting His work done in this Association. No other agency or institution can be a substitute for the local church. Let it be known that all ministries of the Brunswick Baptist Association are based on these conclusions and exist to be a supplement to the local church.

The Association, therefore, serves as a resource agency designed to help strengthen the work of the local church. The Association is also a channel through which the local church may choose to extend it's mission.

As we look to the future, I think there are at least five (5) things the Brunswick Baptist Association should endeavor to do:

1. Assist the churches of the Association in bringing people to faith in Christ and developing believers.
2. Provide training opportunities which will enable the churches to be effective in their ministry.
3. Build fellowship among the churches designed to develop teamwork and unity.
4. Help our churches discover immediate needs within their community and de-

termine how those needs can be met.
5. Engage in specific, cooperative mission efforts which exceed the capabilities of any one church alone.

This year our Key Leadership Conference was held at Southport Baptist Church on September 10, 1992. In the Pastor's Conference, they had an opportunity to discuss and share what they felt to be the greatest needs in this Brunswick Association. The following are a list of what they felt were the greatest needs:

1) Reaching people for Jesus Christ.
2) Discipling people we reach
3) Training our people - Equipping
4) Increase giving - Stewardship
5) Unity

We need to take heart concerning the needs that are listed above for all of them are Biblical and sound doctrine for any Christian. I feel that they are on target and we strive to meet these needs.

I am looking forward to serving in the Brunswick Association and working with the great people of Brunswick County.

May God bless us as we serve together for the cause of Christ.

Sincerely,
William L. Smith
Director of Missions

1992 Clerk's Report to the Association

At this time there are 38 churches on the Clerk's Honor Roll of "Early Birds." I have not heart from Boiling Springs Lakes, Bolivia, Calvary. I hope there are those here today who have brought UCLs from those churches. Our clerks are doing a fine job and I appreciate you very much. There were ten clerks who attended the key leadership conference in September. The conference is an excellent way to help clerks learn more about the UCLs and the church clerk's role in general. It is very important that all clerks attend each year.

From the reporting churches I found these interesting statistics:

Total baptisms for the year 211, a decrease of 38 from last year.

Five churches report no baptisms.

All other additions to church rolls 305, a decrease of 26 from last year. Three churches reported no additions. Total reported membership of all churches to date is 8,693.

Although the response has been good in getting the Church Letters before the Annual Meeting, I still need your help in getting the others. When I do not have all the letters, I cannot give you an accurate report. Often it also means that when the letters are not received in time, those churches are not included in the information sent to SBC Headquarter in Nashville and the State office in Cary. Too, it holds up the information going to the printer. Either way, it works to our disadvantage in doing the work of the Association. If I get the data to the printer at a late date the Minutes are coming to us in June or July, which is too near time for the new year to begin to be of much help to the officers and workers in the

Association. So, I need the help of everyone in getting the UCLs filled in and mailed to the Associational clerk before our Annual Meeting or no later than November 1. My reports are due two weeks after the Annual Meeting and they have to be compiled from 42 sources.

So far, only 21 churches have requested copies of the 192 annual. The cost this year is 3.00 per copy.

There are approximately 150 1991 annuals that have not been delivered. I have them here today. If you have not received yours and are interested, please see me after today's session.

Pastoral Ministries

Materials for the Pastoral Ministries were collected at the State Leadership Conference held at Fort Caswell. No conferences were held in the Association. I led the Associational Key Leadership Conference for deacons at Southport Baptist Church on September 10th with nine deacon chairmen present.

Let us pray and support our newly elected Pastoral Ministries Director.

Respectfully submitted,
Rev. James A. Whitworth

Recreation

Our Co-Ed Softball League was expanded to eight teams. Churches fielding teams were Antioch, Faith, Gospel Center, Oak Island, Shell Point, Soldier Bay, Supply, and Town Creek. A professional umpire was employed causing the games to be played in a much more timely and satisfactory manner. We had testimonies to indicate that several churches were able to use their participation in the league as effective outreach vehicles. A 14-game schedule was played on Saturday evenings at the County Park in Supply. It was "the Saturday night place to be" with the stands always full of enthusiastic supporters. A 15-game double elimination tournament ended the season on August 1st.

Our first Associational Co-Ed Golf Tournament was held last November 23rd at Brierwood Golf Club with 100 participants registered to play. A "Captain's Choice" format was used, and produced closely contested results.

Since only one church expressed interest in the attempt to launch an Associational Basketball League, this endeavor was dropped.

Our Lord is to be thanked and praised for blessing our recreational activities this year.

Recreation Director

WMU Report 1991-92 Brunswick Baptist Association

In this our 90th year Brunswick WMU has been Called and Accountable. Churches throughout Brunswick banded together and collected 1,030 washcloths which we sent to the State WMU office to be included in the "Red Gift Box Ministry" from NC WMU to the Women's Prison Ministry for the inmate's Christmas.

Foreign Mission Study and Week of Prayer for Foreign Missions were observed in 26 churches.

On January 31, 1992 your associational WMU was hostess for a reception at the Resource Center for Rev. and Mrs. Marvin Chapman. Local church WMU's furnished desserts and goodies.

In February the Home Missions Study was taught in the local churches with 21 churches having the study.

WMU Focus Week found almost every church with WMU having some type of special event during focus week.

In March, the Week of Prayer for Home Missions and the Annie Armstrong Easter Offering was observed. The Annie Armstrong Easter Offering was over the goal set by every church.

The Associational WMU council attended the State Meeting at Ridgecrest and were challenged there to become "God's Extra-Ordinary Woman" and came home with a zeal to share the things they had learned and put them into effect.

The GA Banquet was held at Mill Creek in April and GA's reported raising over $200 for the Annie Armstrong Easter Offering.

Indiana Joan's Great Adventure with Baptist Women was shown in two locations in the association, so that more women could have a chance to see it.

The WMU Banquet for Pastors, Directors, Associational Leaders and their Spouses was held at the Supply Baptist Church. A real "Round-up" with a Bar-B-Q and lots of fun and fellowship, ending with a worship time, as we paid tribute to our leaders in the churches and the association.

June and July found us busy with Association Planning for 1992-93. Many prayers and much thought went into the plans for the new associational year.

GA Camp at Caswell was a huge success. Granny B. came to lead the music and Jack and Doris Hancock were camp missionaries. NC WMU looked at our camp and were extremely pleased with work being done at camp in Brunswick. We are one of the few associations who have their own camp for GA's.

A GA Fair was held in September at Antioch where GA's and leaders shared Mission Adventure knowledge on how to complete Mission Adventures.

Local Churches banded together to collect health kits to send to "Graffitti" in New York City. Graffiti is a ministry with the homeless, and transient peoples.

The highlight of our year was the celebration of 90 years of WMU in the Brunswick Association. A parade of flags of the churches, a re-enactment of the 1st Annual WMU meeting, special music, and a look at the future with our new DOM, as we looked at the past, present, and future of WMU in the Brunswick Association.

Our final event of the year was our Leadership Training held at Faith Baptist Church on Oct. 13. Attendance was good and the Associational WMU Council shared with church leaders the things they had learned at Associational Training at Caswell in August.

Traveling over rural Brunswick, I have attended GA and Acteen Recognition Services, Baptist Women Meetings, Installation Services, taught Foreign and Home Mission Study Books and met with many church WMU Directors one on one. It has been a good year, we look forward to an even better one.

We have been CALLED AND ACCOUNTABLE in 1991-92 and now we shall LEAD ON.

In His Service
Jackie Smith
Brunswick WMU Director

Christian Life and Public Affairs

Your Christian Life and Public Affairs chairman attended the state Key Leadership Conference, May 5-6, at Caswell Assembly.

Our plans are to have a Christian Life/Public Affairs county committee composed of the chairman and four members for the church year 1992/93.

We need a contact person from each church in the Brunswick Association to send letters and other information that is pertinent to Christian Life/Public Affairs activities.

The lottery bill has been defeated for another year. Mr. Jervie Babson and I visited our representative in the legislature in Raleigh and gave him our views concerning this bill. We explained why we considered the lottery to be detrimental to our state. While in Raleigh, we conferred with Rev. Coy Privette who has been so very instrumental in the defeat of the bill.

September 10th, a Key Leadership Conference was taught at Southport Baptist Church.

In the year 1992-93 we will be addressing the issues concerning pornography and drug abuse.

Respectfully submitted,
Shirley Babson

Sunday School

Greetings, fellow members of our Brunswick Association.

The highlights of our associational year were the Assist Conferences and the Key Leadership meetings. We have the leadership and resources available to make an impact for Christ in this, our portion of God's vineyard. Let us seize the opportunity in the coming year.

Yours in His Service,
Bill Greer
Sunday School Director

Evangelism Committee Report 1991-1992

An Evangelism Ralley was held at Antioch Baptist Church on Friday, April 3rd at 7:30 p.m. Jack Hancox was the speaker for that night and the Missionaires sang. The music director for this exciting occasion was Eddie Hicks. We were all inspired by the music and challenged by the message that night.

The following day, Saturday April 4th, we held a One-Day Soul Winning Workshop in the fellowship hall at Antioch. We began with coffee and donuts for those late breakfast people. We proceeded to teach and equip the participants on how to be a soul winner. We studied the personal requirements of being filled and led by the Holy Spirit. We learned how to share our testimony and lead someone through the plan of Salvation. The attendance for the Workshop was approximately 20 people.

The best news was that a month or two later I met one of the Workshop participants and he informed me that the first visit he made, using the track we trained them in, a lady accepted the Lord, Praise God!

At the Leadership Conference on Sept. 10th, we offered again a crash course in the One Day Soul Winning Workshop. At the Conference we had 12 people to attend. The purpose of this Workshop was to stir an appetite for them to complete the study at home in the Leaders guide and go out to apply the training as the Spirit leads. We encouraged them to then teach it in their own Church so we can multiply our efforts.

If you need us to teach this Workshop in your Church, please let me know and I will try to schedule it in my calendar.

Respectfully submitted,
Director of Evangelism
Arthur O. Yount

Media Library Report

TACMO had 2 productive meetings during the year - many promotion ideas were presented at one.

Your Associational Media Librarian attended Key Leadership at Caswell and then taught representatives from five churches.

The Media Library at the Resource Center added 3 new bookshelves many new books, videos, and other related items.

In May, 1993, the State Media Library Convention will be held at Caswell for the first time on the 14th, 15th and 16th. This is the meeting that your librarian, workers, and any one else interested in library work can attend and learn many new things.

Contact me at 253-6849 if we can be of help starting a new media library, updating an old one, or be of assistance in any way.

Sincerely,
Margaret J. Clemmons
Media Librarian

Audit Committee

The Audit Committee met October 16, 1992, with Miss Galloway to go over the books. We checked the deposits, bank statements, cancelled checks, and expenses paid and all agreed with the figures given in her report.

The savings account was also examined.

All was found to be in perfect order, and we wish to thank Miss Galloway for her work on our behalf.

Missions Development

There were no new church-starts in the Association during the 1991-92 period. Holden Beach Baptist Mission, assisted by Antioch Baptist Church, the sponsoring church, organized as the Brunswick Islands Baptist Church on May 3, 1992. The charter membership totaled 120, and the 1991-92 budget of $64,000 adopted. The total receipts for 1991-92 totaled over $80,000.

Our Resort Ministries recorded another great summer. First Baptist Church of Oak Island and the Caswell Staff held services at the Long Beach Cabana. Brunswick Islands Baptist Church, assisted by area churches, conducted services at Camp Ground By The Sea, Holden Beach. Jennie's Branch Baptist Church sponsored services at the Sea Mist Campground, Bricklanding. Interested churches are asked to contact the Association. We will start our planning in March 1993.

The church missions development idea has not yet really caught on in our Association, but it is a viable and effective concept of total missions. Missions development builds a workable process upon the existing organizations of Sunday School, WMU, Brotherhood, and Discipleship Training. The Associational Missions Development Council plans a more intensive investigation into mission and ministry opportunities for interested churches. Our goals are to explore relationships with our black churches and to involve more churches in working with human needs projects already existant in our county. These are excellent ministry, and they need our support. Some of these ministries are Hope Harbor Home (victims of domestic violence), Habitat for Humanity (decent homes for God's children), Adult Day Care Centers (Shallotte, Southport), Literacy Council (over 6,000 people in our county do not know how to read and write), food and clothing distribution (VIC, Interchurch Fellowship of Oak Island-Southport, South Brunswick Interchurch Council). Surely every church should also be aware of the ministries of Alcoholics Anonymous, Al-Anon, Alateen, and other similar groups.

If your church desires information on missions development, and existing ministries in our county, please contact the Associational office.

Associational Music Report

BRUNSWICK BAPTIST ASSOCIATION
1991 - 1992

Leadership Training for 1991-1992 year was and continues to be our most crucial need and goal for our associational music ministry. Several churches are helping to meet this need and attain our goal by participating in our state music schools, being enrolled in the music diploma program, attending associational key leadership, attending the associational training events, and participating in the volunteer music directors retreat at the North Carolina Baptist Assembly. We congratulate and commend these churches efforts and desires to grow and expand their individual church's music ministry concept.

An Associational choir participated in the Associational Evangelism Conference held at Antioch Church.

"Let the word of Christ dwell in you richly in all wisdom; teaching and admonishing one another in psalms and hymns and spiritual songs, singing with grace in your hearts to the Lord." Colossians 3:16

Eddie Hicks
Associational Music Director

Coastal Baptist Study Center

In the years following World War II, Southern Baptist became aware that many of their pastors had only limited formal education for ministry. A denominational study committee reported in 1949 that less than one-third of Southern Baptist ministers had both college and seminary training. Another third at that time had not gone past high school.

One of several recommendations from that committee called for the creation of a plan to benefit those "who cannot or for any reason do not attend some regular institution of learning." The presidents of Southern, Southwestern, and New Orleans seminaries responded in December, 1950, by voting to establish the Seminary Extension Department.

Since that year thousands of pastors and other church workers continue their education for ministry by studying in Seminary Extension centers. More than 300 centers are located all over the world.

COASTAL BAPTIST STUDY CENTER, sponsored by the Brunswick Baptist Association, is proud to be a part of this vital program of continuing education. Since the fall of 1988, our first session, we have enrolled 136 students who have taken 46 different courses. The impact of Coastal's work has been felt across eastern North Carolina and into parts of South Carolina.

Two of our students have recently transferred credit to Campbell University. During the past two years 10 of Coastal's students have transferred work to the university system of North Carolina.

Our second semester will begin January sixth. We invite you to become a part of our study effort.

Stewardship Report

The annual stewardship emphasis was held in May of 1992. The dinner meeting was very well attended. It was led by Talmadge Williams of the State Convention.

According to the most recent report from the BSC, 19 of the 43 churches increased their giving to the Cooperative Program. Especially commendable are Antioch and Brunswick Islands who more than doubled their giving to the Cooperative Program.

Respectfully submitted,

Discipleship Training Report
1991 - 1992

"Go therefore and make disciples..."(Matthew 28:19) Whatever else our Lord called us to do, he called us to MAKE DISCIPLES. Making disciples includes training church members—old and new. Making disciples includes training church leaders—old and new. When we neglect the work of discipleship, every other program area of the church suffers.

During the past year Discipleship Training in our association:

1. Sent the director, David Stratton, to the Key Leadership Conference at Caswell.
2. Conducted a session at our Associational Key Leadership Conference at Southport Baptist Church on September 10, 1992.
3. Sent five (5) children to the State Bible Drill at Fayetteville. They were: Keri Bakan, Kelly Lockamy, Elizabeth Martin, Jennifer Price, and Jeremy Small.
4. Conducted "M" Night in Nov. 1991 at Oak Island Baptist Church.

The Discipleship Training Team for the 1991-92 year was:
Rebecca Chapman, Director
Gayla Varnum, Preschool Consultant
Lib Sellers, Childrens' Consultant
Ruby Casanova, Youth Consultant
Betty Webb, Adult Consultant
David Stratton, Start Consultant

During this year, Mrs. Chapman moved to another association, and David Stratton was asked to serve as director of the Discipleship Training Team.

Thank you for allowing me to serve the Lord in this capacity.

1991-1992

For the 10th consecutive year, the gambling industry has not been able to secure passage of any gambling legislation such as a lottery or pari-mutuel betting (horse and dog racing.)

The industry made its biggest push ever during the 1991-1992 legislative session. They secured 14 of the most effective and best known lobbyists that money can buy to push for their cause, but to no avail. When the legislature adjourned on July 24th, the gambling industry threw in the towel realizing that they did not have the votes in the NC House to pass their state-sponsored gambling bill, the lottery.

What made the difference? People like you did. You secured the commitments from your legislators that the role of government is not to exploit their weakest citizens, but to appeal to their strengths. Gambling violates that age-old principle.

There is one thing for sure. The pro-gambling forces will be back. However, the issue will be decided on November 3rd at the General Election. If you elect legislators who are opposed to state-sponsored gambling, it will not make any difference how many lobbyists the gambling industry employs. The decision is in your hands. How do the candidates from your area stand on this issue?

There are other very important moral issues that you need to discuss with your legislative candidates. Some of them are:

1. SEX EDUCATION. . . Are our young people being deceived into believing that "safe sex" outside of marriage is possible and okay? The current rise in venereal diseases and teenage pregnancies, and the related emotional problems tells us we must focus attention on this issue.
2. ABORTION. . . The Supreme Court ruling regarding the abortion law of the state of Pennsylvania opens the door for further restrictions and conditions under which abortions can be performed - leaving this up to the states. This year we have have worked on trying to get legislation passed requiring parents consent for abortion on minors, and reduce abortion funding. Both of these measures passed in the House but died in the Senate.
3. ALCOHOL/DRUG ISSUES. . . It is so important that we continue to address problems related to alcohol use and abuse. Reducing the blood alcohol standard for DWI from .10 to .08 was one of our targets this year, but it also failed to pass in the Senate after passing in the House.

We cannot overemphasize the importance of getting to know who your candidates are and how they stand on these key issues. Plato put it so well: "The price that good people pay for not being involved in politics is to be governed by people worse than themselves."

Thank you for standing with us in the cause of applied Christianity.

1992 Associational Report — Baptist Children's Homes

Like a marathon runner, Baptist Children's Homes of North Carolina (BCH) "hit the wall" in 1991-92, but persevered to finish standing up!

In an exhausting year for staff and a myriad of volunteers, BCH successfully concluded its first statewide fund-raising campaign, received its first Thanksgiving offering since 1979, dedicated expansion of Cameron Boys Camp, broke ground for the new Fleshman-Pratt Education Center in Thomasville, inaugurated an innovative Bible study program at Mills Home, installed two new pastors at campus churches and solidified programs that have placed it among child care leaders for decades.

These efforts enabled BCH to serve more than 1,300 children and families at 13 facilities statewide, including Chris, named All-Conference nose guard for 2A state champion Thomasville Bulldogs; Sandi, who has enrolled at Gardner-Webb College; Deborah, named outstanding Freshman at Thomasville High after enduring a court battle that sent her father to prison for abuse; Jennifer, who married on the Broyhill campus where she'd lived for seven years; Kathy, who will continue to live at Broyhill while she attends college; and a host of others who are making life-changing commitments because they've received a second chance at Baptist Children's Homes.

In April, BCH successfully concluded its "Give a child a chance" financial campaign by gaining three-year commitments for $11.2 million, topping the $7.5 million goal, and the challenge goal of $11 million. Significant priorities accomplished in the campaign are: expansion and relocation of Cameron Boys Camp to a more secluded site on its 903-acres of wilderness; ground-breaking for the Fleshman-Pratt Education Center, a model day care facility for infants, toddlers and two-year-olds; a unique Staff Training Institute for child care workers and social workers; and more than $2.7 million committed for permanent endowment.

And, the first Thanksgiving Offering for BCH since 1979 raised $510,000, a sum more than $100,000 greater than that realized through the combined offering with Baptist Hospital and Baptist Retirement Homes. BCH sent $1,000 from the Thanksgiving Offering to the Baptist Children's Homes of Sao Paulo, Brazil as fulfillment of a promise to donate 10 percent of everything received over the goal to our partners in the south.

In addition, BCH maintained the partnership with our Brazilian counterparts by sending three training teams to Brazil, and hosting a group of Brazilian pastors in Thomasville.

Most BCH residents come from dysfunctional families where a single parent, most often a mother, is unable to care for her children. Her frustration with life, often due to alcohol or drug abuse, or having been abused herself, leads to limitless freedom for the children, which leads to troubling behavior. Physical abuse, divorce, alcohol, drugs and truancy mark their young lives. Behavioral problems make it impossible for the child to continue to live at home.

Baptist Children's Homes provides a safe environment where children learn to name their problems and set goals to overcome them, which leads to behavior change. At the same time, willing family members also are addressing their problems with the help of BCH social workers. In many cases, children and families are restored.

BCH enjoyed a year of tremendous successes, in human terms and in institutional terms, which will allow it to continue to affect change in lives. Success in the "Give a child a chance" Campaign will help provide a margin of excellence in the future when the pledges are paid. Already, the enthusiasm engendered by the effort have lifted the spirits of staff across the state.

Still, the Cooperative Program continues to anchor our budget planning. We urge renewed commitment to cooperative giving among our churches. It is essential, not only for us, but for the entire missions enterprise built painstakingly for a century and a half. Baptist Children's Homes receives $1.5 million from Cooperative Program receipts each year. This is the stackpole around which we build our other income planning. A decrease in Cooperative Program dollars to Baptist Children's Homes would seriously jeopardize our ability to care for children.

An increasingly important aspect of our support comes from estate gifts and bequests. More and more people who want their resources to provide new life for children include BCH in their wills.

When Sandi, and Kathy, and Chris, and Barbara come to us, full of potential and hope, we want to be able to continue to tell them North Carolina Baptists care enough to give them a chance!

1992: MAKING LIFE FOR OLDER ADULTS THE BEST OF TIMES

One of the greatest needs facing North Carolina Baptists as they move into 1993 is the ability to provide affordable quality long-term care services to the "Aged Saints" of our Convention.

The fastest growing segment of North Carolina Baptist life are those individuals in the age category of 85 and older. That age group is growing at five times the rate of any other population segment in Baptist life. The 85 and older age group is also that age group most likely to need the services provided by a long-term care institution like Baptist Retirement Homes. Unfortunately in 1992 in our state, there were not enough nursing care beds to meet the needs of the growing number of Older Adults who were functionally impaired and needed the services of a long-term care provider. Complicating the shortage problem was the fact that the cost of those beds was high (more than the average North Carolina Baptist older adult could pay). And to make matters even worse, in spite of the high cost of those beds, often the quality of care provided through those beds was fair at best. In other words, the greatest problem facing North Carolina Baptist Older Adults in 1992 was the fact that there were simply not enough affordable quality nursing care beds available for use by people like you and me and our Older Adult family members.

Having become aware some years ago of the above mentioned problem, Baptist Retirement Homes (for the last five year period) has been working to develop a system of affordable quality nursing care beds throughout the State for use by North Carolina Baptist Older Adults. New nursing care beds became available in the Piedmont area of our state in 1989 (through the opening of the Brookridge Retirement Community). In 1992, affordable quality nursing care will become available to Western North Carolina Baptist Older Adults through the new Rickman Nursing Care Center being built on Richmond Hill in Northwest Asheville. It is our institution's hope that by 1994 affordable quality nursing care will also be available to Eastern North Carolina Baptist Older Adults as well. Your support has made the above possible.

In 1992, North Carolina Baptists through their gifts to the Cooperative Program and North Carolina Offering for Older Adults made it possible for Baptist Retirement

Homes to provide financial assistance to more than 60• of all the Older Adults living in its health care related facilities. In addition, Western North Carolina Baptists contributed more than $2.5 million toward the construction of the new Rickman Nursing Care Center in Asheville. . . a new facility that will enable Baptist Retirement Homes to make life for many Western North Carolina Baptists truly. . . the Best of Times.

Thank you North Carolina Baptists for your support. Please continue to pray for our ministry and its ability to meet the ever growing needs of the Older Adults of our Convention.

President

Report to Brunswick Baptist Association

ANNUAL MEETING 1992

The North Carolina Baptist Assembly is in its 42nd season of serving North Carolina Baptists as a retreat and conference center. In its first season in 1950 the Assembly had 4,331 guests. In the first 8 months of 1992 19,407 guests have come our way for renewal and relaxation, many of them to experience a life changing encounter with Jesus Christ.

The Assembly now employs 20 full-time persons and 45 persons on a part-time basis for its year round operation schedule. Many of these employees are Baptists who are active in Brunswick Association churches. Those of us who work at the Assembly are grateful to play host to our sister churches from all over North Carolina as they come to our county.

In addition to the contributions of its staff members the Assembly has benefited by the input of Brunswick Baptist Churches who come to us to use our facilities and to give volunteer labor for our renovation program. We are grateful to see pastors and lay persons alike involved also in leading various programs hosted at the Assembly. We are truly involved in a partnership with the churches of the Brunswick Association.

Renovation projects still abound at Caswell and we appreciate so much the large number of Baptist Men's groups that continue to invest their time and energy in renovating our historic buildings. Ginkgo cottage is still undergoing a "face life" and should be ready for use again by the summer season. Oceana Motel is next on the priority list for renovation. Also the Sherrill Chapel will be renovated this winter. The Chapel seats 200 and is used frequently in the spring and fall for smaller groups.

We extend to the Brunswick churches an open invitation to let us host your church's special events. Christmas parties or dinners for groups can be scheduled for groups of over 25 persons. Again this year we invite you to our New Year's Eve celebration called "Exciting Alternative for New Year's Eve." Some 450 persons joined us last yaer to welcome in the New Year with concerts, worship, communion, and fellowship. There are separate program tracks for youth and adults.

In the spring we have plans to host youth groups on four weekends for our annual Spring Flings. During the weeks we will have 8 Senior Adult Retreats. Your groups, as always, are welcome to join us for a planned event or to have your own program.

North Carolina Baptist Foundation, Inc.
Annual Report to Baptist Associations of North Carolina
July 1992

The North Carolina Baptist Foundation, as an agency of the Baptist State Convention of North Carolina, is committed under the guidance of the Holy Spirit in serving North Carolina Baptists and others in generating an increased awareness of Christian estate stewardship principals as a means of financially undergirding churches, institutions and mission endeavors on a permanent basis.

Assets are managed under the direction of the Foundation Board of Directors with interest income being paid either in perpetuity to Baptist causes named by the donor or to the donor (or heirs) for their lifetime (or specific period of time) before the income is then paid in perpetuity to the named Baptist causes.

Earned income distributed and paid to Baptist churches, institutions and mission causes during fiscal year 1991:	$1,100,606
Earned income distributed and paid to individuals (with Baptist causes named as future beneficiaries) during the fiscal year 1991:	$1,062,643
Total market value of Foundation assets, December 31, 1991:	$36,283,384

During 1991, the Board of Directors, with the assistance of a nationally recognized investment consulting firm, adopted a detailed Investment Policy to govern the types of investments that its fiscal agents may make in keeping with the Christian commitment of the Foundation, as well as attempt to insure that the future spending value of the invested trust fund dollar will keep up with inflation. A study revealed that during the past five years the fiscal agents managing the Foundation assets ranked near the top nationally with other investment managers who operate under investment guidelines similar to the ones provided by the Foundation Board.

The Foundation staff and operations are housed in a building adjacent to the Baptist State Convention Building in Cary. Individuals and church groups are invited to call and arrange a visit of their Trust Agency's office building.

The significance of the Foundation services was illustrated in a recent experience that staff members had while eating in a fast food restaurant in Durham. In taking a seat adjacent to a table occupied by a young black police officer, we observed the enthusiasm of a white lad of about 4 years of age as he stood talking to the officer. As the mother and a younger child, coming from another area of the restaurant, called for the lad to join them, he walked away from the table 6 to 8 feet, turned around and said to the officer, who was now standing and preparing to leave, "Can I give you a hug?" After an affirmative answer from the officer, the child walked over to the officer, reached around his legs and gave him a hug. The officer confirmed to us that he wished the world was filled with people like this child. The example corresponds to what so many already have done through the Foundation. As they approach the time of leaving this earthly life, they look back affectionately on what the

Lord has done for them during their life and decide that they want to leave an expression of their love through an enduring and lasting gift (a "hug", if you please) that will serve the Lord until His return.

North Carolina Baptist Hospital
1992 Report to the Associations

Baptist Hospital utilizes the skills and training of more than 5,700 employees to provide outstanding health care in settings as varied as the Brenner Children's Hospital, the Trauma Center, and the J. Paul Sticht Center on Aging and Rehabilitation. Last year, the Joint Committee on the Accreditation of Health Care Organizations said that Baptist Hospital ranks in the top 10 percent of all hospitals in the nation.

During the past year, the hospital admitted 24,000 patients. It performed 16,662 surgical procedures, including 1,020 open heart operations, 29 kidney transplants and 80 bone marrow transplants. The AirCare helicopter flew 742 missions.

Total revenue of the hospital during the year was $407,280,000. Cooperative Program gifts from the churches were $656,180, which was applied to the budget of the Department of Pastoral Care. The Mother's Day Offering and other special gifts from the churches totaled $424,406 and was used for benevolent care for patients who had no other means of paying their hospital bills.

The Pastoral Care Department, which is funded in part through the Cooperative Program, provided clinical pastoral education to 55 students during the past year. The Pastoral Care staff provided more than 53,000 specific ministries to hospital patients, family members, and staff. The counseling division provided over 24,000 counseling sessions. The professional staff of the Pastoral Care Department continues to respond to requests for help from churches in conflict, pastors and their families.

The various services of the hospital are readily accessible to all North Carolina Baptists and others. A telephone call to the Health-On-Call Office (919-716-2255) can secure an outpatient appointment with any one of the various specialists on the staff or can begin the process of gaining admission to the hospital if that need is indicated.

Charges for the hospital services compare very favorably with those in other hospitals of the state. Reports from the North Carolina Medical Database Commission indicate that Baptist Hospital's charges are lower than the average in other hospitals which provide similar services and are considerably lower than in the other teaching hospitals. Our hospital did not have an increase in it's rates for the current fiscal year of July 1, 1992 - June 30, 1993.

The hospital's physical plant continues to expand. A new 840-space parking deck was opened in January. A new Emergency Department/Dietary building which will also make possible more private patient rooms is under construction now. Construction will begin soon on the 170-bed skilled and intermediate care nursing facility and on the J. Paul Stitch Center on Aging and Rehabilitation. This expansion will make it possible not only to serve more people, but to serve them better.

The staff and patients of Baptist Hospital are grateful to North Carolina Baptists for the heritage they have given the institution and for the moral and financial support they continue tc give to its ministry.

1992 Associational Report

Last year we reported to you: "The Baptist world is changing rapidly; some would contend it is for good while others think it is nothing short of a tragedy." In these past 12 months, the changes are beyond description--on the world scene and in Baptist life.

Whatever one's view may be, there is an indispensable need for correct and reliable information. The *Biblical Recorder* was born and continues to serve for that purpose. Never was the *Recorder* more needed than now.

People are reading less than any time in recent history. It is true of secular publications, it is true of wholesome books from respected libraries, it is true of religious publications. We live in an electronic age where we often think we know the answers to the issues only to discover we do not.

An informed Baptist is a better Baptist; an uninformed Baptist may be an uninvolved or disruptive Baptist. No democracy, including our local churches, can survive long without an informed, involved constituency which makes decisions based upon accurate information from reliable sources.

The most important thing facing us at this point is to get the *Recorder* into more Baptist homes than ever before. Your support as a subscriber and reader and your encouragement to others will enable the paper to better serve the constituency with accurate and helpful information delivered to Baptist homes and churches. We need your help!

In order to save churches large amounts of money and to increase the readership of the *Recorder*, Church News Service (CNS) was launched in 1990. This system lets any congregation have their church newsletter incorporated into the *Biblical Recorder* which saves staff time, postage and printing costs. Usually, for less than what it costs to produce the church newsletter, CNS gives the entire Baptist communication package to each family in the congregation.

The paper focuses more and more attention on North Carolina Baptists with news, features and inspirational articles which will encourage individuals and churches in their witness and ministry. One sure way to conquer problems and overcome the barriers to effective witness and ministry is to have the facts, know the issues and be adequately informed.

That is why the *Recorder* was born; that is why it serves today. For more information on how your church can subscribe or use CNS, contact:

History of Faith Baptist Church

Faith Baptist Church was chartered as a church April 3, 1977, with 39 mem-
rs. The first revival was held in May 1977. The group met in a small home until
nds were obtained and land was acquired. We became a full fledge member
the Brunswick Baptist Association in October 1978. In August 1980 land was
ven and a new building started. We moved in, in July 1981, using the fellowship
ll as the sanctuary. Much of the work was done by the members. The steeple
as added in August 1982. A church bond program was started in January 1983
complete the sanctuary.

Homecoming and the eighth anniversary as held on April 14, 1985, with 96 in
endance. During 1985 and 1986 we painted the outside of the church and pur-
ased many new items and had the grounds landscaped. From the beginning,
e WMU was organized with all programs including RAs. This has been going
continually. We had an extensive study course program and were second in
e county with study courses studied. November 23, 1987, over 400 attended
'' Night at Faith. By September 1988 we had 98 members. Our 12th anniver-
ry was held April 2, 1989, and was the beginning of our spring revival. On
tober 8, 1989, we had the dedication of a new set of Broadman Bible Com-
ntaries, the Matthew Henry Commentaries and 50 new Baptist Hymnals. We
d a revival in September 1990 with Tom and Kay Cox. Mr. Cannon baptized
at one time. We are now building a new fellowship hall.

The pastors are: Frank Smith, 1977-1978; Hilton Willetts, 1978-1983; Tom Wal-
n, 1983-1984; Tex Holden, 1984-1986; Dr. Merlin L. Boone, 1986-1988; James
hitworth, interim, 1989; and Leo Cannon, 1989 to present.

A Brief History of First Baptist Church of Oak Island

The gift of two lots on Oak Island Drive by Mr. E.F. Middleton to Southport Bap-
t Church in 1959 gave birth of a dream of a Baptist Church on Oak Island. With
e help of the Missions Division of the Baptist State Convention of North Carolina,
o additional lots were secured. The first service of the mission church spon-
red by the Southport Church was held on Sunday morning, June 1, 1960, with
outhport pastor Rev. Mark Owens preaching.

Construction of the first building unit began in October of 1960, and the first
rvice in the new four room building was held on January 1, 1961, under the
adership of Rev. Scott G. Turner, pastor. Forty-seven persons attended this first
rvice. Following the resignation of Rev. Turner in December of 1961, the church
lled Rev. Horace Hawes as pastor in February of 1962. The year 1964 brought
e resignation of Rev. Hawes and the ministry of Rev. Jackie Cooper.

The mission was duly constituted as Oak Island Baptist Church on April 9, 1967,
th 43 charter members. After the resignation of Rev. Cooper and the interim
rk of Rev. Lee Pridgen, the church called Rev. Ralph Gregg who served for
o years. Rev. Ernest Poston began serving as pastor in August of 1971, until
s retirement in June of 1988. During these years the area experienced steady
owth in population which continually challenged the resources and faith of the
ung church. A Learning/Activities Building was added in 1972. In 1979, the name
the church was changed to First Baptist Church of Oak Island.

In the late 1970s, the church began to plan for enlarged facilities to provide fo the growing needs of the congregation. Plans for a new sanctuary were developec and construction began in September of 1981. The first service in the new sanc tuary was held on March 24, 1985. The new facility also included an administra tive wing. The new facility is one of the most beautiful houses of worship in thi area of the state.

Following Rev. Poston, the church was led by two interim ministers, Rev. Jame B. McQuere and Rev. Jack Hancox. On May 20, 1990, Rev. Douglas G. Huff wa installed as pastor.

The people of First Baptist Church are grateful to God for the rich heritage c faith and service that blessed our past. We are confident that "He who bega a good work in you, will perfect it until the day of Christ." It is our prayer that w may be a lighthouse to bring many persons safely to the shores of eternal life

Report of the Director of Missions

It has been a great year for Brunswick Baptist and we are grateful to God for His blessings. We have seen an increase in church membership by baptisms and transfer of letter. We have seen Sunday Schools grow and attendance increase in Sunday School and worship. Many of the Brunswick churches are remodeling, updating, or making plans to build in the coming months. Many good things are happening in the Brunswick churches. We give God the praise and glory for what is happening.

RECAP OF THE YEAR

My goal for the 1992-93 year was to visit all 43 churches to try and build good relationships among the pastors and churches. I have visited all 43 churches and have preached or spoken in most of them. I have found that Brunswick Baptists are great people who love God and His word and are seeking His will for their lives. It has been my pleasure to serve in this association during the 1992-93 year and look forward to 1993-94.

This past year the association was involved in many opportunities such as collecting enough money to send two octaves of handbells to Rev. Keith and Kathie Reynolds, foreign missionaries to Honduras. The association made training available in the following areas: 1. Sunday School Workers, 2. Music Workers, 3. Brotherhood Workers, 4. WMU Workers, 5. Youth Workers, 6. Disaster Relief Training, and many other opportunities. VBS was a success this year and many children were reached for Christ.

This year we formed a Youth Council for the purpose of helping the churches in the association. Many of the churches were asking for help in this area and the council was organized to help the churches meet the need of their youth.

This summer we had eight (8) groups of young people to come to the churches of the Brunswick Association to help in Resort Ministry. They helped in VBS, Backyard Bible Clubs, witnessing, surveys, and beach ministry. The groups work through the Home Mission Board and they came at no cost to the association. According to the report of the churches in the Brunswick Association, they did a great job.

WHAT'S COMING

In 1995 the association has voted to participate in "Here's Hope, Share Jesus Now." We will be planning for this happening during the 1994 year.

"Here's Hope" plans are to begin with 60 days of soul-winning from January 1995 - March 1995 and move into revivals in March - December 1995. Each church will plan their own calendar as it fits them best.

Then, in 1996, we hope to have a World Mission Conference.

May God grant us peace and harmony in these days.

"He has showed you, O man, what is good; and what does the Lord require of you but to do justice, and to love kindness, and to walk humbly with your God." MICAH 6:8

William L. Smith, Director of Missions

1992 Clerk's Report to the Association

At this time, there are 36 churches on the Clerk's Honor Roll of "Early Birds." I have not yet received the UCLs from Community Chapel, Friendship, Mt. Pisgah and Shallotte, First.

From the statistics gathered from the 36 letters received, I find the following: Total baptisms for the year: 244, an increase of 23 from last year. All other additions: 341, an increase of 10 from last year. Five churches reported no baptisms; three churches reported no additions. Although the response has been good in getting the UCLs before the annual meeting, I still need your help in getting the others. When I do not have all the letters, I cannot give you an accurate report. It also means that when the letters are not received in time, those churches may not be included in the information sent to SBC Headquarters in Nashville and the State office in Cary. So, I need the help of everyone in getting the UCLs filled in and mailed to the Associational Clerk before our Annual Meeting or no later than November 1. My reports are due two weeks after the annual meeting and they have to be compiled from 43 sources.

So far only 16 churches have requested copies of the 1993 annual. The cost is $3.00 per copy. We would like to know if the churches actually want to receive the annuals. We certainly need copies for the various Associational officers and the State and National Agencies, so we would have to have them printed.

We still have about 150 copies of the 1992 annuals that have not been delivered. If you haven't yet received yours and are interested, please see me after today's session.

Audit Report 1993

BRUNSWICK BAPTIST ASSOCIATION

We the Audit Committee met with Miss Ruth Galloway on October 18, 1993, to conduct the Audit for 1993. We checked the three accounts for deposits made in a timely manner, checks paid with proper endorsement, and all exceptions listed. All balances were found to agree with the printed report to you.

It is a pleasure to work with books so well kept. We also wish to thank Miss Galloway for a job well done.

AUDIT COMMITTEE:
Elizabeth H. Williams,
Donna Link, James F. Howard

Ordination Report

The Ordination Committee of the Brunswick Baptist Association met once this year. The meeting was to question L. Wayne Turnage as to his call to the Gospel Ministry.

After much questioning of the candidate and being satisfied with his calling by the Lord, our Committee recommended ordination for L. Wayne Turnage to the Gospel Ministry.

Respectfully submitted,
Macon M. Wood, Chairman

Historian's Report

OCTOBER 1, 1992 - SEPTEMBER 30, 1993

God has been so good to the Brunswick Baptist Association. So many wonderful events have occurred during this time period that it is truly a joy to have the privilege of recording them. Perhaps I should say "summarizing" the events because time and space will not allow me to record all of them, or to call by name the individuals and churches that took part. All were important, though, and contributed greatly to the overall picture.

Several of the churches have me, as historian, on their mailing lists. I hope that others of you will do that. For this report I have leaned heavily on those newsletters, the newsletters that have come out from the Associational Office and on the historical information given in your church letters. I particularly thank the Associational Staff for an excellent newsletter, the *Network*.

Antioch Church celebrated her 125th Anniversary and Ocean View celebrated her 44th Anniversary.

Our new Director of Missions, Bill Smith, settled into his ministry among us almost as if he had always been "one of us." At the very beginning he stated that he saw a great potential for growth and ministry in the Brunswick Association and much of that has already taken place, as we see from the listing that follows.

Youth work was emphasized in the churches. Several new pastors were called to serve in the Brunswick Association and various churches expanded or refurbished their buildings. Twenty (20) churches reported an increase in Cooperative

Program giving and the giving to the Associational budget increased from 59,092.37 to $86,861.03. Several churches reported outstanding results from the Lay Renewal Weekends which they held. The Coastal Baptist Study Center reported a successful year.

Brunswick Islands Church reported outstanding growth and on January 31, 1993, broke ground for their new building. The building was erected by volunteers from around the state as well as in the Association. Although it was not completed by the end of the "official" church year, I can report that it was dedicated on October 17, 1993.

A GA Mother-Daughter Banquet was held in April and a GA Camp in July, with a large attendance at both. The annual WMU Meeting was held in September at Oak Island with excellent attendance. All the other Associational program organizations were active.

The Brunswick Baptist Churches united in protesting a proposed lottery for the State of North Carolina.

The Associational Co-ed Softball League had a great year and the Brotherhood sponsored a Fishing Tournament and Golf Tournament.

The Fellowship Baptist Church of Ash, Clarence Richardson, pastor, asked for membership in the Association and was received, after making the required reports.

Regular activities in the churches seemed to get better as the members joined in wholeheartedly. Many of the churches supported various local worthwhile causes not directly related to the churches, such as the Hope Harbor Shelter for Abused Women.

While all of the above shows progress and activity among the churches, it is in the area of missions that the most excitement has occurred. Our churches responded generously to the calls for Disaster Relief in Florida, Louisiana and the Midwest. Several people from the Association traveled to other countries and other areas as volunteers in Missions, and the Brotherhood helped with the work at the Baptist Student Center at Pembroke. The Woman's Missionary Union participated in the Statewide ministry of supplying Christmas gifts for the inmates of the Women's Correctional Centers. The Brunswick Resort Ministry had a successful season. Bob and Jane Brown of the Southport church were commissioned at Home Mission Volunteers and appointed as Area VI consultants through the Home Mission Service Corps. Southport began an active missions participation with the Ukraine, and the Honduras Handbell Mission project was very successful. Woman's Missionary Union took the lead in the handbell project.

I hope you will join with me in praising the Lord for such a happy year in His service.

Just five (5) short years from now - and how quickly they will pass - this Association will celebrate its Centennial year. Please let me urge you to begin now to get ready for this milestone in our history as an Association. Get your church records put on microfilm at Wake Forest University. This insures their safekeeping. The originals will be retained by your church, of course, but a microfilm copy will be available should the originals be destroyed or lost. Also, please appoint someone right now to write the history of your church, or to update the one you have. It is quite possible that we will be able to get these histories published in a little volume during our Centennial Year so that all may enjoy them and pass

on an important legacy in Baptist life to our children, grandchildren and all the generations who come after us. If you don't do this now, your church could get left out, and no one wants that to happen.

Put me on your mailing list and let me know how you are progressing in collecting and writing your history. If I can help, write or call me.

Brotherhood Report 1993

In December and January, several men were involved in Disaster Relief work in Florida.

On January 9, a Disaster Relief workshop was held at Southport Baptist Church with about 150 people in attendance.

On March 20 a workday was held at the Resource Center.

On April 16 the Baptist Men/RA Boys World Prayer supper was held at Mill Creek Baptist Church. There was about 70 people present.

In May we attended the Key Leadership Conference.

On September 6, the Baptist Men/Boys fishing tournament was held at Caswell. Everyone enjoyed the fishing - hot dogs and hamburgers and a lot of nice prizes and good fellowship.

On September 9 a Key Leadership Conference was held at Supply Baptist Church.

We would like to thank all who helped to make this year a success.

If you need help in your Brotherhood work, please give us a call.

Yours in His Service,
Tyler Potter, Brotherhood Director

Coastal Baptist Study Center

Coastal Baptist Study Center, sponsored by the Brunswick Baptist Association, is proud to be a vital link in the continuing education of pastors and the laity of our area. Last year, 41 students completed the following four subjects: Childhood Education in the Church, A Study of Matthew's Gospel, New Testament Survey: The Early Church, and Old Testament Survey - Part III.

During June of 1993 the American Council on Education evaluated our total curriculum and recommended 23 of our courses for credit transfer into college degree programs.

Our classes meet on Wednesday mornings. We encourage you to consider becoming a part of our program. Next semester classes will begin on January 12, 1994.

Respectfully submitted,
V.C. Potter, Jr., Director

Media Library Report

Your media librarian met with Elah Baptist Church library personnel two times and taught two courses on processing and cataloging.

Other meetings of TACMO were not attended too well but we did get to share with those who came what was going on in media library work.

As Media Library Director, I attended Key Leadership Conference at Caswell and then taught same in September 1993.

If you need help upgrading or starting a media library please call me at 253-6849.

Have continued to process and catalog things for the media library at the Resource Center. The library there is on the honor basis. Please sign card or book if anything is checked out and then, when finished with item or items, return to the Resource Center.

Sincerely,
Margaret J. Clemmons
Media Librarian/TACMO Director

Discipleship Training Report 1992-93

We are called disciples of Christ. The word "disciple" means "learner." Discipleship Training is about learning and growing in Christ. This process begins when we are saved and it never stops. The Associational Discipleship Training Team
exists to encourage this process in the Brunswick Baptist Association.

During the past year, Discipleship Training in our association:

1. Sent the Director, David Stratton, to the Key Leadership Conference in Caswell.
2. Conducted an Associational Key Leadership session at Supply on September 9, 1993.
3. Conducted an associational Bible Drill in which eight children participated.
4. Sent five children to the State Bible Drill at Fayetteville. They are: Keri Bakan, Kelly Lockamy, Elizabeth Martin, Jennifer Price and Justin Starling. Keri, Elizabeth, Jennifer and Justin are three year winners at this event. All five of these participants are from Southport Baptist Church.
5. Conducted an "M" night in November at Supply Baptist Church.
6. Conducted an annual planning meeting in July.
7. Obtained a five-part video series to be used in youth Discipleship Training.
8. Obtained a copy of "The Search for Significance" video series to be used in adult Discipleship Training.
9. Conducted several one-on-one consultations concerning Discipleship Training.

The Discipleship Training Team for 1992-93 was: David Stratton, Betty Webb, Ruby Cassanova, Lib Sellers.

Thank you for the opportunity to serve the Lord in this capacity.

Respectfully submitted,
David M. Stratton

Evangelism Report

Greetings. This year's Evangelism Rally was held at Antioch Baptist Church on Thursday, March 4, at 7:00 p.m. The message was presented by former state worker in evangelism and present pastor of Calvary Baptist Church in Wilmington, Richard Everette. This was one of the best attended rallies we have held so far. There were approximately 125 in attendance, with about 15 churches represented and a good number committed to being trained in soul-winning.

The following months are the most important, several churches held some form of soul-winning training. There are a number of pastors reporting results from their training workshops that they have held in their own churches.

In May, as your Evangelism Director, I attended the Key Leadership Training at Caswell. We were trained briefly in the Lay Evangelism Training called WIN and also on the upcoming 1995 *Here's Hope Harvest Revivals.* During the year, at the Executive Board meetings, you voted as an association to participate in the *Here's Hope Revivals.* These revivals involve 60 days of soul-winning and revival meetings from January through March. We hope your church will participate.

Then, in September at the Key Leadership Conference, we taught the One Day Soul-Winning Workshop for teachers. This was for those who would take the material and go back to their church to train on the local level. At least one church has taught and acted upon a similar form of soul-winning training. This church reported four professions of faith as a result.

I will not be serving this year as your director, but I encourage you to support the new director and the *Here's Hope Revivals.* This will require prayer, training, and preparation. I will still be glad at any time to come and train your teachers, leaders, or members at large in soul-winning. Thanks for a good year.

Respectfully submitted,
Arthur Yount
Association Director of Evangelism

Missions Development Report

There were no new church starts in the Association during the 1992-93 period. Brunswick Islands Baptist Church dedicated its new church facility on October 16-17, 1993. Membership is over 200.

Our Resort Ministries had another great summer. First Baptist Church of Oak Island and the Caswell staff held services at the Long Beach Cabana. Brunswick Islands Baptist Church, assisted by area churches, conducted services at Camp Ground By The Sea, Holden Beach. Jennie's Branch Baptist Church sponsored services at the Sea Mist Campground, Bricklanding. Five resort teams from churches in South Carolina, Virginia and North Carolina gave us a big hand. Interested churches are asked to contact the Association. We will start our planning in March 1994.

The church missions development idea has not yet really caught on in our Association, but it is a viable and effective concept of total missions. Missions development builds a workable process upon the existing organizations of Sunday School, WMU, Brotherhood, and Discipleship Training. The Associational Missions Development Council plans a more intensive investigation into mission and ministry relationships with our black churches and to involve more churches in

working with human needs projects already existant in our county. These are excellent ministries, and they need our support. Some of these ministries are Hope Harbor Home (victims of domestic violence), Habitat for Humanity (decent homes for God's children), Adult Day Care Centers (Shallotte, Southport), Literacy Council (over 6,000 people in our county do not know how to read and write), food and clothing distribution (VIC, Interchurch Fellowship of Oak Island-Southport, South Brunswick Interchurch Council). Surely every church should also be aware of the ministries of Alcoholics Anonymous, Al-Anon, Alateen, and other similar groups.

If your church desires information on missions development, and existing ministries in our county, please contact the Associational office.

Music Report 1993

Training continues to be the priority for our Associational music ministry. We have sponsored several leadership training opportunities this year. A summary is below:

1. **Growing a Musical Church Conference:** 10 participants; five churches - Southport, Supply, Soldier Bay, Friendship, First Baptist-Oak Island.
2. **Key Leadership:** five participants; four churches - Supply, Faith, Southport, Jennies Branch.
3. **Ministry of Choir Seminar:** 99 participants; 18 churches: Mill Creek, Town Creek, Mt. Olive, Bolivia, Leland, Old Shallotte, Boiling Springs Lakes, Soldier Bay, Gospel Center, Shell Point, Calvary, Faith, Ocean View, Friendship, Boone's Neck, Brunswick Island, Jennies Branch, Southport.
4. **Music Clinic:** Boone's Neck Church.

Respectfully submitted,
Eddie Hicks, Associational Music Director

Stewardship Report 1992-1993

The annual stewardship dinner was held at the Resource Center in May 1993. O.D. Martin, Jr. presented programs available to help churches in their stewardship programs. It was very well attended. The excellent meal was catered by Joe's Barbecue in Shallotte.

During the first nine months of 1993, while state receipts for the Cooperative Program were down 9%, Brunswick Baptist churches increased their giving through the Cooperative Program by 9%. We can certainly be proud of that. During this period, 22 churches increased their giving, while 15 churches reduced it.

I would challenge each church to increase the percentage of undesignated giving to the Cooperative Program each year, if at all possible, to take up the slack of those churches who have decided to be less Southern Baptist. I believe a good goal would be 10% to the Cooperative Program and 5% to the Association. I'm sure each church will do as God leads them to do!

Walter G. Clegg

Pastoral Ministries Report

This year we led a Deacons' Conference at the Associational Key Leadership Conference at Supply Baptist Church on September 9, 1993 with four deacons present.

We would ask that you pray for the newly elected Pastoral Ministries Director.

Respectfully submitted,
Rev. Howard W. Fowler

Christian Life and Public Affairs Report

This year the lottery issue resurfaced, again. However, it has been put aside for another year, but more than likely it will resurface. Many of our churches were asked to write letters to our representatives and senators in opposition to this bill. We were a success in "side tracking" the bill.

On March 30, 1993, Coy Privette came to speak to the people here in Brunswick Baptist Association concerning the gambling bill.

Other issues will need to be addressed in the coming year.

Respectfully submitted,
Jervie Babson

WMU Report

The Brunswick WMU has been involved in 1992-93 in "Lead On." In October 1992 we had Leadership Training at Faith Baptist with 64 church leaders present. Church WMU Directors met in November with the Associational WMU Director at the Resource Center for a Problem Solving Clinic. Foreign Mission Study was held in 28 churches and 30 churches observed the Week of Prayer for Foreign Missions. Lottie Moon Christmas Offering Goals were met and exceeded in every church reporting. Praise the Lord!

In January we did an extra training session for all age levels at Calvary Baptist Church. February found us reverting back to our childhood; dressed like children, we honored our pastors and wives and WMU directors and spouses, with a banquet having the theme "It's a Small World."

Baptist Women held two Prayer Retreats in February; one at Town Creek and one at Shallotte First. Home Mission Study Book was taught and Week of Prayer for Home Missions observed in 16 churches. Twenty-three (23) churches reached their goal for the Annie Armstrong Easter Offering.

GA Mother-Daughter Banquet with the theme "Lead On" was held at Supply Baptist Church with 53 in attendance. The GA Associational Annie Armstrong Easter Offering goal was $215.00. The total collected by GAs in the association was $350.00.

Acteens had a Pizza-Pig Out at the Supply Baptist Church in May. Pizza, fellowship and inspiration were the order of the day.

In March the Associational WMU Council attended the State WMU Meeting and Associational Workshop classes at Ridgecrest, coming away rejuvenated and committed to "Lead On."

GA Camp at Caswell on July 16 and 17 was a "blessed happening" with 125 girls in attendance. David Brisson from the Wilmington Association with Inner City Ministries was Camp Missionary. "Granny B" led in music. Our GA Camp in the Brunswick Association is one of the best. This year approximately 50 GAs from the Bladen Association attended the Brunswick GA Camp.

Annual WMU Meeting at Oak Island was attended by 115 plus ladies and pastors, as we heard from Volunteers in Missions.

Baptist Women and Baptist Young Women collected over 1,000 chapsticks for the Red Christmas Boxes the state WMU prepares each year for the N.C. Women's Prison Ministry. GAs and Acteens donated candy to go in these boxes.

And then there were the Bells! Churches urged on by WMU donated money to purchase Handbells to be used by Southern Baptist missionary Keith Reynolds in Honduras. We set a goal of $3,000.00. On Bell Day at the Resource Center, we went over the goal. The Handbells were purchased and Keith and Kathi are now using them in Honduras to tell the Good News of Jesus' love.

We praise God for the countless opportunities to lead on in 1992-93, and look eagerly forward to 1993-94 as we -

Serve In Christs' Name,
Jacqueline B. Smith
WMU Director

Sunday School/ASSISTeam Report

Our Sunday School year began in October 1992 as we assembled the excellent ASSISTeam of:

Preschool Director ..... Doris Trexler
Children's Director ..... Lib Sellers
Youth Director ..... Rose Brinson
Adult Director ..... Jim Guffee
Outreach Director ..... Jack Soles
Promotion Director ..... Eddie Long
Pastor's ASSIST Leader ..... John Landers
DOM Leader ..... Bill Smith
ASSIST Director ..... Jim Hartman

This group of leaders met twice in December and January to plan and set goals on how they could best promote Sunday School and provide the best possible training for the Sunday leaders in our individual churches. They have continued to meet during the year and have set goals for the next two years for Brunswick Baptist Association Sunday School.

In February the Team attended a two day workshop in Cary, N.C. designed to increase their abilities in Sunday School leadership and the teaching of others to be good Sunday leaders.

They have made themselves available to go in individual churches and provide leadership for specific situations. They have conducted three associational wide conferences covering organization, training teachers and developing an outreach program. They have conducted three specific conferences in individual churches. They stand ready to serve you.

During the year approximately 375 people have had training from your ASSIS-Team. They deserve your support and appreciation. I thank them for serving Brunswick Baptist Association.

Jim Hartman, ASSIST Leader

Youth Ministry Activities 1992-1993

The first activity for the past year was the annual Associational Youth Night. Antioch hosted the event which featured Duane Williams and Tim Currin of ACT. Duane and Tim entertained a group of 96 youth and adults with music, clowning and mime. Following the program, everyone was invited to a "make your own" banana split fellowship in the fellowship hall at the church.

On April 4 our Director of Missions and Billy Gilbert met with a group of individuals from several of the churches in our association. From this meeting, a Youth Ministry Council was formed to assist in the planning of youth and youth leader events for the association. From this meeting, broad initial plans were made to have associational training events for youth teachers and leaders and associational gatherings for youth on a quarterly basis.

During May, Billy Gilbert attended the Key Leadership Conference for associational leadership at the North Carolina Baptist Assembly at Fort Caswell. The Youth Directors conference was led by Hal Melton, the director of Youth and Campus Ministries for the North Carolina Baptist State Convention. The conference began on Monday afternoon and concluded Tuesday morning. During this time, youth directors from across the area discussed different ways to involve youth in activities at the associational and local church levels. Other topics of discussion centered on working with youth leaders and teachers at the associational and church levels and planning a youth ministry.

Wendy Edwards from the Discipleship Training department in Cary came to our association on July 15 to lead a seminar on "Helping Christian Youth in a Non-Christian Home." This seminar was held at Supply Baptist Church. There were 14 youth leaders from five different churches present. Wendy lead a very informative and lively discussion on meeting kids where they were, understanding them where they were and how to help them make the best of where they were.

On August 14 we battled the chill and the rain for a pool party at Fort Caswell for youth. The inclement weather kept attendance down to 41 youth and adults. After swimming for about two hours, we had hot dogs with all the trimmings and went to the classroom building behind Hatch Auditorium for a program by Duane Williams and Tim Currin.

The children of our association were treated to a pool party on August 21. This time the weather was much better. The children were allowed to swim until 4:30 at which time we fed them hot dogs with all the trimmings as well. Following the meal, we were again wonderfully entertained by Duane and Tim.

The associational Key Leadership Conference on September 9 was attended by four youth leaders from our association. We met and discussed many different ways to reach out to young people. There was a large display of resource materials available for youth work at the local church level. We had a time to share ideas about what we have tried and what we would like to see happen at the associational level. One of the ideas coming out of this meeting was an associational youth

crusade. This will be a topic of discussion when the youth council meets again. Other ideas brought up for discussion included the formation of a youth choir and orchestra.

Larry McElreath from the Sandy Creek Association will be leading a seminar on Youth Evangelism at the Resource Center on October 14. Reverend McElreath is an entertaining speaker and very knowledgable in youth evangelism work. He was at the Youth Ministry Lab '93 in Wingate in May. Two of the seminars he lead there will be the basis of our seminar here in Brunswick County. He will be helping us to plan evangelistic events for youth and will help us to be ready and willing to share our faith to a young person.

We have other events coming up for youth and for their leaders. In November we are looking to have a BSU group from Campbell and in February of 1994, Hal Melton will be here to lead a seminar on beginning youth ministry in the local church. We hope you will be praying for these and other events that are coming our way. We also hope that you will consider taking part in them. In traveling around to one associational event or another, the same things are being said by youth leaders and teachers. They want help. They want help in learning how to teach youth. The youth ministry council was set up to help you. If you have a particular need in your local church that you cannot seem to find an answer for, call the associational office and they will get in touch with a member of the council. We do not know all the answers, but we are willing to help and with the help of the Lord, we will continue to work for you in the association.

Recreation Report

The departure and relocation of Don Lamb, former Recreation Director, has been completed and has left some very big shoes to fill. Don performed tirelessly to develop recreational opportunities within the Association and he will be greatly missed. I request the prayers of everyone within our association and pledge to do my best, as led by the Holy Spirit, to carry on the programs started and to continue to explore new areas of recreation for our members and prospective members.

Our third Coed Softball season was completed in late August. This year, we saw the league expand to 12 teams from the eight teams we had last year. Joining the league this year were teams from Jennies Branch, Calvary and two from Southport Baptist. Additionally, Gospel Center combined with the newly-formed Brunswick Islands Baptist Church to become "Gospel Center-Brunswick Islands." Because of the additional teams, the league was divided into two divisions which played Saturday nights at Lockwood Folly Park in Supply and Smithville Park in Southport. A 16-game schedule was played with a double-elimination tournament at the completion of the regular season. This year the league became "true coed" which required an equal number of males and females on the field at all times. The league was successfully used as an outreach ministry and several more people were saved as a result. God has truly blessed our softball program!

Don Lamb reported that the Association's Second Annual Golf Tournament was played last November and was filled to capacity such that several people were

turned away. This year, we have expanded the total available openings to 120 people and the November 13, 1993 tournament will be played at Brierwood Golf Course in Shallotte beginning at 8:00 A.M. We are expecting a full tournament. This is another excellent outreach tool and a fun way to introduce golf to anyone who may be interested in playing. The Captain's Choice format allows for each player to tee off, for the team captain to select the best shot from the four members of the team, for the three players not having the best shot to move each ball to the location of the best shot, and to continue this process until the ball is holed, including moving balls on the putting surface.

We are planning to have an organizational meeting for the purpose of discussing a basketball league and the interest of member churches. Because of the heavy usage of available gym space in the county during the fall for volleyball and established men's league basketball, our season would have to run from January until March. A letter announcing the date and time for the meeting will be sent out in early November.

There has also been some interest in developing an Associational volleyball league. Last year, there was a church league made up of several of our member churches. The league did not play this year due to the unavailability of gym space during this fall. Perhaps this can be explored during the coming year.

Praise God for His work in our recreational ministry and may He bless each one during the coming year as He has during this year.

Christian Action League Report 1993

Do you believe in miracles? They still occur, and we experienced one in the 1993 session of the N.C. General Assembly. No gambling legislation was enacted during that legislative session.

When the legislators came to Raleigh on January 27, 1993, veteran legislature observers admitted that this was the year for a state-operated lottery bill to get out of the General Assembly. Both Governor James B. Hunt and Lt. Governor Dennis Wicker, both former lottery opponents, had endorsed the proposed lottery legislation. Furthermore, there were 42 new House members, and a large majority of them had campaigned supporting the lottery. Out of the key elected state officials, gambling opponents had only one friend, House Speaker Dan Blue, and he made no apologies about his opposition to state-sponsored gambling.

What happened? Concerned Christians began to speak up and contacted their legislators. By the time Senate Bill 11, The State Lottery Act, had passed the Senate by a vote of 27-23, House members who had campaigned supporting lottery legislation began contacting members of the House Committee on Constitutional Amendments and Referenda to keep the bill in committee.

In the meantime, some 20 workshops were conducted throughout the state educating and motivating the Christian community about this insidious evil, under the sponsorship of the League, N.C. Baptist Men, Woman's Missionary Union, the Council on Christian Life and Public Affairs, and the N.C. Christian Coalition. Resource leaders included Dr. Norman Geisler, author, GAMBLING A BAD BET; Dr. Patrick Anderson, Professor of Criminology, Florida Southern College; Dr. Paul Jones, Executive Director, Mississippi Christian Action Commission;

Bill Brooks, Executive Director, CITIZENS AGAINST THE LOTTERY; from the Baptist State Convention, Doug Cole, Executive Director, Christian Life Council; along with George Reed, Director of Christian Citizenship; and members of Gamblers Anonymous.

In the closing days of the legislative session, Rep. David Redwine (D-Brunswick), who has introduced lottery legislation for the past 10 years, requested that the bill be held over until the 1994 session.

Of course, this will give the $300 billion gambling industry some 10 months to re-group their supporters. Also it will give concerned Christians the time to get their message to lawmakers that gambling is bad public policy, and such legislation ought to be defeated.

There is also a pari-mutuel gambling proposal (horse racing with off-track betting parlors) before the General Assembly. The Senate Bill has already passed a Senate Committee and is currently in the Senate Finance Committee. The House Bill has also passed a House Committee and is currently in the House Appropriations Committee. Both bills are eligible for the 1994 session.

Someone has said: "The only lesson we learn from history is that we don't learn from history." North Carolina had an experience with pari-mutuel gambling with dog tracks in Currituck and Carteret Counties in the early 1950s. The N.C. Supreme Court closed them down as being a public nuisance.

Perhaps there is no industry that is "riddled" with corruption as much as the gambling industry. Last year we had legislators indicted in S.C. for accepting bribes from gambling lobbyists. Some 10 public officials have pled guilty to corruption charges in Kentucky over a gambling "scam," and 12 others are under investigation. In Arizona, legislators have gone to prison due to a gambling scandal. We have had Governors from West Virginia and from Maryland to go to prison due to gambling scandals in their respective states. Wherever you have legalized gambling, undoubtedly, you will find corruption in government.

This is why it is urgent for committed Christians to contact their legislators and urge them to oppose any gambling proposals.

DRUNK DRIVING: When you deal with politicians, tenacity is a key. For ten years, we have sought legislation that would establish .08 breathalyzer reading as the standard for drunk driving in North Carolina. In the past, we were able to get such legislation through the House, but the Senate was the graveyard. The measure would always be referred to a hostile Senate Committee composed largely of trial lawyers, and that would be "death" to such a proposal.

With a change in Senate leadership, the .08 breathalyzer legislation will become law on October 1, 1993, which will be a useful tool in helping to remove drunk drivers from the highways.

The League continues to assist local communities in combating our No. 1 drug problem, alcohol. Let us know if a liquor referendum is to be held in your area, and we will be ready to help.

Thank you for standing with us in the cause of Applied Christianity through your prayer and financial support.

Sincerely,
Joe S. Lennon, President

The Biblical Recorder Report 1993

The only thing that is unchangeable is change itself! For most of us it is impossible to comprehend the radical and often destructive changes which are taking place in our world. In politics, morals, economics and church life, our Baptist world is faced with decisions and issues without equal.

Whatever one's view may be, there is an indispensable need for correct and reliable information. The *Biblical Recorder* was born and continues to serve for that purpose. Never was the *Recorder* more needed than now.

People are reading less than any time in recent history. It is true of secular publications, it is true of wholesome books from respected libraries, it is true of religious publications. We live in an electronic age where we often think we know the answers to the issues only to discover we do not.

An informed Baptist is a better Baptist; an uninformed Baptist may be an uninvolved or disruptive Baptist. No democracy, including our local churches, can survive long without an informed, involved constituency which makes decisions based upon accurate information from reliable sources.

The most important thing facing us at this point is to get the *Recorder* into more Baptist homes than ever before. Your support as a subscriber and reader and your encouragement to others will enable the paper to better serve the constituency with accurate and helpful information delivered to Baptist homes and churches. We need your help!

In order to save churches large amounts of money and to increase the readership of the *Recorder,* Church News Service (CNS) was launched in 1990. This system lets any congregation have their church newsletter incorporated in the *Biblical Recorder* which saves staff time, postage and printing costs. Usually, for less than what it costs to produce the church newsletter, CNS gives the entire Baptist communication package to each family in the congregation. Anticipated increases in mailing costs makes CNS a greater value in 1994 than even when it was started in 1990.

The paper focuses more and more attention on North Carolina Baptists with news, features and inspirational articles which will encourage individuals and churches in their witness and ministry. One sure way to conquer problems and overcome the barriers to effective witness and ministry is to have the facts, know the issues and be adequately informed.

That is why the *Recorder* was born; that is why it serves today. For more information on how your church can subscribe or use CNS, contact:

Baptist Children's Homes Report 1993

Chris starts college at North Carolina State this fall on a football scholarship. After leading Thomasville to a state championship in 1991, Chris also earned national honor society recognition, was active in the community counseling drug abusers. . . and became a Christian at Mills Home.

Kathy married a Christian young man who was a volunteer at Broyhill Home, where she lived. She continues her education at Haywood Technical College while working and becoming a young wife. She and her husband, Kris, are members at Woodland Baptist Church, where she was active in leading children's programs, even as a Broyhill resident.

Several rows of supportive staff members cried during the wedding when the minister asked, "Who gives this woman to be married?" Child care worker Jim Johnson responded, "Her mother and I do."

"Her mother," was Jim's wife, Vivian. Together, Jim and Vivian helped Kathy develop from an angry and withdrawn child, to a beautiful, confident, Christian leader.

Ashley was growing up too fast. . . and her parents didn't know how to handle it. They wanted to treat her like a child; she wanted adult freedoms. When their constant clashing came to blows, they knew they needed help.

Through the family clarification program at Mills Home, both Ashley and her parents learned the roles they played in the family conflict, and how to listen, forgive and adjust in the future.

"We're very grateful to Baptist Children's Homes," said Ashley's mother, Victoria. "I don't know what we would have done. I don't know what would have happened to Ashley. I've had friends say to me, 'I never knew there was a place like that.' "

Well, there is a place like that.

Thank God.

Baptist Children's Homes in 1992-93 served 1,453 children and their families through programs of intentionalized services at 13 facilities across North Carolina.

Those facilities include four residential care campuses; seven emergency care homes; two homes for behaviorally troubled girls; therapeutic camping for boys; a maternity home; a home for teen-age mothers and their babies and a model daycare facility.

Baptist Churches, through the Thanksgiving Offering, Cooperative Program and direct gifts funded about one-third of BCH's $10 million budget. A significant source of income continues to be from estate gifts from those who remember children in their wills.

BCH's model daycare services took a giant step June 27 when the new $1 million, 10,000 sq. ft. Fleshman-Pratt Early Childhood Education Center was dedicated. It will accommodate 75 infants, toddlers and two-year olds.

During dedication, Robin Britt, N.C. Secretary of the N.C. Department of Human Resources, said BCH is "a true model of how young children can be shaped, nurtured an loved," and that "we will be looking at institutions like the Fleshman-Pratt Early Childhood Education Center as we find models to replicate."

T. Winfield Blackwell, president of the Fleshman-Pratt Foundation, whose lead gift started construction of the building, said, "Think how many children will be raised and shaped by the dedicated staff who serve here, and surely a goodly number will be developed, not only to be good citizens, but active ministers in God's service."

Churches interested in beginning or improving their daycare ministry can get free help from director Mary Lou Dickey. Call (919) 472-3503.

BCH also dedicated a counselor's lodge at Cameron Boys Camp; completed a strategic planning cycle for the next three years; celebrated the 50th anniversary of Odum Home in Pembroke; completed a three-year partnership with the Baptist Children's Homes of Sao Paulo, Brazil; and produced a new video about BCH, available August 15.

Swelling with emotion at the dedication of her new building, Daycare Services Director Mary Lou Dickey promised, "we will not fail" those who trust BCH with their children.

Michael C. Blackwell, who celebrated his 10th anniversary as president of BCH July 1, echoes that promise. "Baptist Children's Homes has been a cutting-edge ministry for North Carolina Baptists since 1885. As a disintegrating society moves the edges further and further, we're honing our ministry sharper and sharper. Thank you, North Carolina Baptists, for your support."

Baptist Retirement Homes Report

1993: THE BEST OF TIMES

Did you know that:

In 1993 North Carolina reached place number ten (10) among all the states in the United States in regard to the size of its adult population over the age of sixty-five (65).

That one-half of all the people who have ever lived to be sixty-five (65) are now living.

The fastest growing segment of North Carolina Baptist life is composed of those adults eighty-five (85) and older and that by the year 2000 that age category will double in size.

That by the year 1996 North Carolina's "Baby Boomers" will be turning fifty-five (55) every 18 seconds.

That by the year 2010 one out of every two people living in North Carolina will be fifty (50) years of age or older?

What do figures like those above mean for North Carolina Baptists?

They point to the fact that one of the greatest needs facing our Convention as we move into the year 2000 is the provision of quality, affordable long-term care services to functionally impaired Older Adults through the expansion of existing long-term care facilities, and through the development of creative approaches to long-term care such as rural home health services, community day care programs, and respite programs for homebound care providers.

In an attempt to meet the above mentioned need, Baptist Retirement Homes of North Carolina, Inc. in 1993:

Opened the Rickman Nursing Care Center in Asheville, North Carolina (a 100 bed Medicaid certified nursing care facility).

The Rickman Center is a state-of-the-art long-term care facility that has been developed to meet the needs of the poor elderly in Western North Carolina. (80% of the resident population will be recipients of benevolent funding).

Renovated the Albemarle Baptist Home in Stanly Baptist Association and renamed it the Taylor House. The Taylor House has no financial requirements for admission and is designed to provide care to the assisted living level of care resident, regardless of his/her ability to pay for the long-term care services provided.

Developed a new addition to the Brookridge Health Care Unit in Winston-Salem in order to provide an area for small group work with residents suffering from dementia. This state-of-the-art program will enable Baptist Retirement Homes' staff to improve the quality of life experienced by members of its resident community who are mentally impaired.

Baptist Retirement Homes is keenly aware of the fact that without the support of North Carolina Baptists none of the above would have been possible. As a result of the prayers and funding that the "Homes" received through the Cooperative Program and the North Carolina Offering For Older Adults, it has been able to offer hope to many Older Adults whose future would have been uncertain without the caring involvement of North Carolina Baptists. It is because of you that our institution has been able to make life for many Older Adults in 1993. . . The Best of Times.

Thank you North Carolina Baptists for your support!

North Carolina Baptist Foundation Inc. Annual Report 1993

The North Carolina Baptist Foundation works diligently in service to Christ as directed by the agency's Mission Statement:

"The North Carolina Baptist Foundation is an agency of the Baptist State Convention of North Carolina committed under the guidance of the Holy Spirit to serving North Carolina Baptists and others in generating an increased awareness of Christian estate stewardship principals as a means of financially undergirding churches, institutions and mission endeavors on a permanent basis.

And further, the Baptist Foundation Staff and Board of Directors are committed to being scrupulously moral, legal, efficient and accurate in carrying out the intent of each donor and trustor whose funds are placed under management of the Foundation as a means of sustaining a tangible and perpetual involvement in presenting the Gospel, meeting human needs and strengthening all bodies of Christian fellowship where Christ is the Head."

The total market value of the assets of the Foundation at the end of 1992 was $41,880,638, an increase of almost $5.6 million over the end of 1991. Typically, assets are either held as endowments paying interest income in perpetuity to named Baptist causes, or they are held in trust with current income being paid to individuals and future income to be paid to Baptist causes in perpetuity. Additionally, the Foundation offers fund management for Baptist causes on a revocable basis.

Earned income distributed and paid to Baptist churches, institutions & mission causes during fiscal year 1992:	$1,182,203.
Earned income distributed and paid to individuals (with Baptist causes named as future beneficiaries) during the fiscal year 1992:	$1,024,007.

In 1992, and continuing into 1993, the Long Range Planning Committee of the Board of Directors met extensively to lay the groundwork for the Foundation's goals and objectives for the next five years. The previous five years were quite successful with ambitious financial goals being met early on. It is anticipated that the Board's work in evaluating the past and present status and in laying a road map for the future will result in exciting times ahead.

The staff of the Foundation consists of seven full-time employees and two persons who provide part-time service in accounting and legal services. The office is located in Cary next to the Baptist State Convention building. Visitors are welcome and are encouraged to stop by for professional assistance or just to say hello.

North Carolina Baptist Hospitals Report 1993

Founded in 1922, Baptist Hospital is a missionary enterprise of the Baptist churches of North Carolina. The essence of our purpose is to carry out a ministry of healing as taught by Jesus Christ. We remain as fully committed to this mission as were our founding fathers. In the midst of changing health-care norms, we have not, nor will we, deviate from this mission. The following paragraphs report, not only basic facts, but various results of how we have sought in the last year to remain true to our heritage while providing quality health care at affordable prices.

PROVIDERS AND RECIPIENTS OF HEALING

Our healing team now consists of 5,852 employees. The Medical Center (NCBH and BGSM) personnel total employment is fast approaching 9,000 people making us the second largest employer in Forsyth County. In our 806-bed facility, we had 23,247 inpatient admissions. Our Outpatient Department, physicians' clinics, and other related departments received 490,667 patient visits.

Our chaplaincy division joined with our health-care professionals to provide spiritual and emotional healing. With 15-40 chaplains present at various times, 52,934 ministries were provided to patients, families, staff and groups.

A new department of our Pastoral Care program named the Center for Congregational Health was given birth. Its purpose is to (1) train Intentional Interim pastors; (2) train church leaders; (3) provide a minister's assessment program; (4) establish a Minister's Help Line providing an opportunity for church leaders to receive guidance via a telephone call. The Pastoral Counseling Division opened a new counseling center in Wilmington bringing our total counseling centers to 11 across the state. The centers provided 16,205 counseling sessions.

POINTS OF EXCELLENCE

(1) The Joint Commission on Accreditation of Healthcare Organizations ranks Baptist Hospital in the top 9% of all hospitals in the nation.

(2) We performed our first pancreas transplant and first double organ transplant (pancreas and kidney) this year.

(3) We are one of only 26 comprehensive cancer care centers in the nation, treating more cancer patients than any hospital from Baltimore, Maryland to Atlanta, Georgia.

(4) Quality infant through adolescence care in our Brenner Children's Hospital.

(5) Our neonatal transport team is the largest in North Carolina and one of the 10 largest in the U.S.

(6) Our Level I (highest awarded) Trauma Center has 2,100 admissions a year.

SUPERB FINANCIAL STEWARDSHIP

In the midst of escalating health-care costs, we have a proven record of excellent stewardship.

(1) The latest report of the North Carolina Database Commission comparing hospital major services charges vs. Baptist Hospital reveals, for our most frequent diagnoses:

Duke - 36% higher
Carolina's Medical Center (Charlotte) - 36.5% higher
UNC-Chapel Hill - 28% higher
Average statewide - 9% higher

(2) We are one of only 17 similar hospitals nationally with a "AA" bond credit rating.

(3) Averaging the last two years and the projection for 1993, the Consumer Price Index will average 3.9% and the Medical CPI will average 9.7%. Baptist Hospital charge increases for the same period will average 3.3%, well under both the above mentioned indexes.

EXPANSION FOR MEETING
THE NEEDS OF THE FUTURE

Nursing Center at Oak Summit

Opening in July, this 170-bed facility provides skilled and intermediate care. The center will be one of only a few in the state to provide care for ventilator-dependent patients.

Emergency Department/Dietary

Under construction at the present time to be completed by June 1995, this facility will total 750,000 square feet. Our current ER was designed to handle 29,000 patients annually, but it is handling more than 40,000. Our new ER capacity will be 70,000 annually. This building will also house three floors of patient private rooms, our Pharmacy Department, and a 35-bed Day Hospital, new kitchen and cafeteria.

J. Paul Sticht Center on Aging and Rehabilitation

Construction on this facility begins in November of 1993 and is scheduled for completion in January 1996. It will include geriatric care, research, and education; psychiatry; and also provide comprehensive acute rehabilitation services including nutrition assessment, physical, outpatient, speech, and recreational therapy.

BAPTIST BENEVOLENT CARE FUND

Last year Baptists across our state gave $422,000 to our annual Mother's Day Offering. All of these monies went toward relieving the financial burden of scores of former patients who have little or no health-care insurance and no financial means to pay their hospital bills. The churches and individuals help make this ministry possible and we are grateful.

In conclusion, it is readily seen that this healing ministry we share together says to our patients and their families: "We care about your health-care needs, your spiritual and emotional needs and your financial burdens, and we express our caring through service."

Home Mission Board, SBC Report

The Home Mission Board (HMB) is a missionary-sending agency of the Southern Baptist Convention (SBC). Headquartered in Atlanta, Ga., the HMB's purpose is to serve Southern Baptists by assisting churches to proclaim the gospel of Jesus Christ, start and grow New Testament congregations, and minister to people in the name of Christ.

At the end of last year, 4,868 missions personnel were serving in the United States, the Caribbean, American Samoa, and Canada. The HMB also had endorsed more than 2,200 chaplains who were serving in healthcare agencies, institutions, businesses, the military, and pastoral-care roles. More than 2,400 Mission Service Corps volunteers were serving on home mission fields. During the year there were 367,847 baptisms and 1,281 church starts.

Approximately half the HMB's support comes from individual SBC churches through the annual Annie Armstrong Easter Offering for Home Missions. In 1992 gifts to the offering totaled $37.61 million, up almost six percent from the 1991 total. One hundred percent of the offering goes to support the work of home missionaries in the field. The 1993 Annie Armstrong Easter Offering goal is $38 million. About 36 percent of the HMB's income comes from the denomination's Cooperative Program.

Home missions is a partnership of the HMB, state conventions, associations, and churches. The HMB's strategy is to help start churches, ministry endeavors, and evangelism efforts that will grow to self-support or be carried on by local churches or associations.

The following is a summary of program/support ministry highlights from 1992:

CHAPLAINCY MINISTRIES: the 2,293 Southern Baptists now serving as chaplains and pastoral counselors reported 24,000 professions of faith and 4,600 baptisms.

ALTERNATIVES TO ABORTION: Workers in 23 crisis pregnancy centers received training from the HMB. As a result of the ministry of these centers, 2,164 babies were born and 832 women found faith in Christ.

CHURCH LOANS: More than 1,100 churches and active loans totalling $115 million. These loans purchased, refinanced, remodeled, or constructed 106 buildings and purchased nine buildings sites.

LANGUAGE MISSIONS: Home missionaries and pastors in the Language Church Extension Division serve among 102 ethnic groups using 98 languages and dialects.

PERSONAL EVANGELISM: During the Southern Baptist Convention in Indianapolis, 1,353 volunteers canvassed 45,235 residences, conducted a religious survey, and shared the gospel with 2,905 individuals, 361 whom made professions of faith.

PRAYER AND SPIRITUAL AWAKENING: A national team began efforts to enhance effective prayer and revival ministries in churches. The Intercessory Prayerline grew from 7,500 calls in 1985 to 130,000 last year.

VOLUNTEERS: Over 71,000 Southern Baptist adults, college students, and youth group members volunteered for long- and short-term projects. More than 58,000 volunteers responded to disaster relief efforts in Florida, Louisiana, and Hawaii.

SPECIAL MINISTRIES: Southern Baptists minister to seamen in 37 port cities and 200 missionaries are involved in ministries related to college students, resorts, special events and diplomats.

A Brief History of
Sabbath Home Baptist Church

In 1914, Sabbath Home Missionary Baptist Church began when a small grou of men and women, who has been attending Sharon Methodist Church, decide to start a church in their community. They obtained an old unoccupied wooden hous know as the "Bill House," which was located a short distance from the present buil ing. Soon realizing the need for a larger place to worship, Mr. & Mrs. Samuel Fulfor donated the land for the new building. The men began the work, clearing the lan cutting the timber, which was then taken to a local lumber mill to be sawed for lun ber to be used for the building.

When the building was completed, it only had one very large room with Worsh Service, Prayer Service and Sunday School being held in the afternoon. Rev. Alfre Clemmons came as a part-time pastor in 1930. It was accepted in the Brunswi Baptist Association in 1933 at the annual session.

At the death of Rev. Clemmons, his son Rev. Lindsey Clemmons came as interi pastor until Rev. A.D. Harrelson was installed in 1932.

Construction began on the second church in January 1941. It was completed 1945. With continuing growth of the church, in 1950, construction of additional cla rooms were added on each side of the existing building, having running water ar bathroom facilities. With continuing growth of the area, a larger church was neede In 1965 the beautiful brick structure was dedicated to God. In 1968 additional clas rooms and fellowship hall were built.

Rev. Sidney Britt was called as Pastor in 1966 on a part-time basis, by 1968 Re Britt was called as the first full time Pastor.

A brick Pastorium was begun in 1975. Rev. Douglas Worley was called as Past The house was completed in July 1976 and Rev. Worley and family moved in

December 1978, plans for a larger sanctuary was proposed. This was acco plished by extending the front of the then existing sanctuary and adding two cla rooms on each side. New pulpit furniture, new pews, carpet and a steeple were stalled. In 1981 chimes and a new P.A. System were installed. More land was pu chased to enlarge the cemetery and a playground area. A basketball and ten court was installed with fencing around the cemetery and playground. In 1984 baptistry was installed in memory of Clarence Roberts by his son, Virgil. In June 1986, construction began on the west side of the building for an educational a fellowship hall. In 1993, a drive through carport was erected on the west side of t church.

October 12, 1992, Rev. Wade Laughter was installed as Pastor.

Historical Events

OAK ISLAND, FIRST: Hosted the Annual Meeting of the Brunswick Baptist Association, October 21, 1993. Hosted the Brunswick Baptist Pastors Conference, June 6, 1993. Hosted the Annual Southport Oak Island Crop Walk for World Hunger, October, 1993.

ELAH: The church was involved with assisting the Peak Valley Baptist Church, Ashe Association, with building renovations/building bathrooms, piping running water for the first time in it's history. Classrooms were painted, curtains made and installed, floors repaired, etc. Peak Valley is a small, isolated mountain church with a very elderly membership. This work, along with the assistance given by the Ashe Association, made it possible for the people to continue to worship in a church in their community. This was a very re-vitalizing mission experience for both churches. The church acquired a lot adjacent to the church, paved it for parking put in walkways, a new handicap ramp and landscaped the grounds. A sound system was installed throughout the church.

TOWN CREEK: Renovated sanctuary, new windows, ceiling, carpet, etc.

SHELL POINT: Built a nice picnic shelter and installed some play ground equipment. We have installed a new sound system.

GOSPEL CENTER: Called Rev. Doug Worley as first full time pastor on church field, July 17, 1994.

SUPPLY: New steeple, new hymnals, pews covered, carpeted the nursery.

ANTIOCH: Church purchased new 1994 Ford Van for $21,737.33.

BRUNSWICK ISLANDS: Church was host for the 1994 WMU Banquet. Hosted the 1994 Volunteer fire and rescue benefit. Added on four new classrooms and one bathroom.

OCEAN VIEW: Began construction on a new addition of classrooms this year. We also purchased additional lots for parking and growth.

MOUNT OLIVE: Sound system installed. Handicapped bathroom constructed. Young Adults Sunday School Class begun. Drama Group organized.

BEULAH: Rev. Jennis McLamb resigned as Deacon on April 20, 1994 after 56 years of service, due to sickness.

Report of the Director of Missions

This year has been a great year for Brunswick Baptists and the Association as a whole. God has blessed through spiritual, financial, and physical growth. Plans are being made through the local churches and the Association for future growth. We are blessed to be in a growing area where the possibilities of reaching people are staggering. We just praise God for Brunswick Baptists.

RECAP OF THE YEAR

This year we have had the opportunity, along with the Mission Development Group, to expand our ministry to Migrant Work, Golf Ministry, Resort Ministry, and working toward Mobile Home Ministry. We are trying to expand and reach out to people where ever they are. We hope to improve and develop these ministries in the coming months and years.

The Association, along with the Missions Performance Committee, provided training for the churches in the following areas: (1) Sunday School; (2) Music Leadership; (3) Brotherhood (RA's and Baptist Men) and Disaster Recovery for the Disaster Trailer, that was purchased by the Association, to provide assistance in case of a hurricane or any other disaster in Brunswick County or elsewhere; (4) Youth Worker training and youth led activities for youth, (very successful); (5) WMU and training for GA's Mission Friends, and Acteens; (6) Recreation activies geared to reach and provide fellowship for our churches through softball, golf, and volleyball; (7) VBS

training for adults and Bible Drill training for children; (8) Here's Hope - "Share Jesus Now" training for 60 Days of Witnessing and other planning and preparation to reach people during "Here's Hope"; (9) Discipleship Training ("M" Night); (10) Seminary Extension to provide quality training to those seeking college and certificate credit; (11) Deacon Training Conference and materials to better equip deacons; (12) And, finally, sixteen people from the Brunswick Association went to Honduras, C.A. on a mission trip to work with two of our missionaries. It was a great experience to actually be on the field and help in mission work.

The Executive Committee voted to ask Patricia to come as full-time secretary to the DOM and to begin November 1, 1994. It passed and her work has begun. They also voted to start a new work in Calabash and to call a Church Planter Apprentice. The monies for the support of the apprentice would come from the Home Mission Board, State Convention, and the Association. The Association also voted to have a Centennial Celebration in October, 1999. A Centennial Committee was elected to serve as the planning committee.

Plans are progressing for the World Missions Conference in 1996.

Thank God for all that has been accomplished through God's people in Brunswick County. We are thankful for the support and love we have seen among the people and churches.

May God bless as we continue in His will.

William L. Smith, Director of Missions

1993 Clerk's Report to the Association

There are several things revealed by the Annual Church Profile, formerly called Uniform Church Letter. 32 of 43 churches in our association have now reported to be. I have not yet heard from Fellowship, Bethel, Friendship, Community Chapel, Woodburn, Supply, and Bolivia, but I hope to do so. From the statistics gathered from the 35 churches, I find the following: Total baptisms for the year: 262, an increase of 18 from last year. All other additions: 377, an increase of 36 from last year. 6 churches reported no baptisms, 6 churches reported no other additions. 35 churches reported a total membership of 8218.

Our churches range in membership from 24 to 886. Six churches have less than 100 members. Seventeen churches fall in the category of 100 to 300 members. Ten churches are in the range of 300 to 500 members. Only two of our churches have a membership of over 500, as reported to this point.

Although the response has been good in getting the ACP's before the Annual Meeting, we still need your help in getting the others. When I do not have all the letters, I cannot give you an accurate report. It also means that when the letters are not received in time, those churches may not be included in the information sent to SBC Headquarters in Nashville and the State office in Cary. So I need the help of everyone in getting the ACP's filled in and mailed to the Associational Clerk before our Annual Meeting or no later than November 1. My reports are due two weeks after the Annual Meeting and they have to be compiled from 43 sources.

The cost of the annuals this year is $3.00 per copy. There are still some copies of the 1993 annuals left. If you haven't yet received yours and are interested, please see me after today's session.

Minutes of the January Executive Board meeting were read and were approved. The financial report was presented by the treasurer and accepted. The Executive Board of the Brunswick Baptist Association met in regular quarterly session Monday, July 11, 1994, at Bolivia Baptist Church, with Moderator Rev. Herman Absher, residing.

NEW BUSINESS: Macon Wood, chairman of Missions Performance Committee, brought several motions from the Missions Performance Committee: First, that the Brunswick Baptist Association have a Centennial Celebration at our regular second day Annual Meeting, October 1999. The first day of the annual meeting would be devoted to celebrating the 100th year of the Association, 1899-1999. The motion was seconded, voted upon and carried.

Next, Doug Huff, brought a motion from the Missions Performance Committee, that the Moderator, along with the Missions Performance Committee, select a committee of six (6) persons to plan for the Centennial Celebration and they serve until their work is completed.

The motion was seconded, voted upon and carried.

Next, a motion from the Missions Performance Committee that we accept an offer of $6,000 from the Home Mission Board and $6,000 from the State Convention to help provide funds for an apprentice to start a new work in Calabash. Also, that the monies in section 100 of the budget ear-marked for Calabash's new work be used to help support the apprentice for one year, and that the Brunswick Baptist Association add to the 1994-95 budget $3,000 for the support of the apprentice. The motion was seconded, voted upon and carried.

Next, a motion from the Missions Performance Committee that the secretary to the Director of Missions, be made a full-time employee effective November 1, 1994. It is the studied opinion of the Director of Missions and Missions Performance Committee, that the minimal difference in cost will more than offset, in an efficiently operated office that we do not now have, and cannot, with a part-time secretary. A salary package recommendation will be presented at the next Executive Committee Meeting. The motion was seconded, voted upon and carried.

Next, The Gospel Center Baptist Church has voted to call Rev. Doug Worley as full-time pastor. They are stepping out in faith from a part-time to full-time pastor. The church has also voted to request aid from the Baptist State Convention. The Missions Performance Committee makes the motion that we approve and endorse their request to the Baptist State Convention for $5,200 for the 1994-95 year. The motion was seconded, voted upon and carried.

Leo Cannon brought a motion from the Building and Grounds Committee that we make necessary repairs and replacements to make the present irrigation system operational and build a new pump house. The repairs and replacements will consist of the following:

1. New well 100 to 150 feet in depth at a cost of $500 per foot
2. Replace 5 broken pop-up sprinklers at a cost of $12.00 each
3. Replace automatic central box $110.00 (labor and materials)
4. Build a 4x4x6 foot brick pump house, $555 (labor and materials)
5. Possible replacement of some automatic valves and related parts not yet tested.
6. Possible pump repairs or replacement.

Total estimated cost not to exceed $1,600. The motion was seconded, voted upon and carried.

Jay Houston, Director of Recreation, made a motion that the Brunswick Baptist Association give the softball league $500 to buy food for a cookout and $250 to buy trophies to be presented on the last day of the tournament, July 23, 1994. This means that they are asking for an additional $750 for this year, 1993-94. The motion was seconded, voted upon and carried.

Bill Smith, Director of Missions, presented his report.

Several announcements were made. The meeting was adjourned and a benediction was given by Rev. Herman Absher, Moderator. Refreshments were served in the fellowship hall.

Discipleship Training Report

A fresh approach to doing Association Discipleship is being introduced. This approach promotes, not an associational program, but associational support of a local church process, the process of growing Christians and developing believers. This year you will have two (2) Association Discipleship Supporters instead of Association Discipleship Directors. This new approach will give us new freedom to try new things to grow disciples.

During the past year, Discipleship Training in our association:

1. Held an Associational Bible drill at Southport Baptist Church on March 27, 1994 with eight (8) children participating. Five (5) went on to Fayetteville for the State Drill.
2. Conducted an "M" Night on November 22, 1993 at Supply Baptist Church.
3. Held a Care Giving Meeting for training with Maurice Cooper at Supply Baptist Church.

4. Attended the Key Leadership Conference at the N.C. Baptist Assembly at Caswell on May 2-3, 1994.
5. Obtained a 6-part video series for married couples entitled "Love Is a Decision."
6. Obtained the following books for the Media/Library at the Resource Center:

   When God Doesn't Make Sense, Experiencing God, Step by Step Through the Old Testament, Step by Step Through the New Testament.

The Discipleship Training Team for 1993-1994 was:

David Stratton	Ruby Casanova
Betty Webb	Jenni Johnson

Respectfully submitted,
David M. Stratton

Evangelism Report

This is a great year for evangelism. Many things have happened in 1993-94 because of the preparations for "Here's Hope - Share Jesus Now" Campaign. In September of 1993 the Associational Steering Committee was elected to serve in preparation for "Here's Hope." On January 4, 1994 the Associational Steering Committee Training Rally was held at the Resource Center led by Richard Everett from Calvary Baptist Church in Wilmington. On February 28, 1994 we had our Enlistment Supper at Supply Baptist Church with 120 present. Twenty-four churches enlisted to participate in "Here's Hope." Praise our God!

The local churches elected their steering committees and our local Church Steering Committee Training Rally was held on March 24, 1994 at Faith Baptist Church with 87 present. Leading this rally was our Associational Steering Committee.

On August 28-29, 1994 we had our Soul Winning Clinic at Faith Baptist Church. Monday night we had 127 present and Tuesday night there were 177 present. Praise our Lord for what He is doing. Gene Jorgenson did a wonderful job in leading our Soul Winning Clinic.

On October 16, 1994 all of our churches are having the Roman Road Witness Training to prepare all of our church members to share their faith in Jesus.

From March 1994 through January 8, 1995, all of our churches, are in the process of prospect discovery and cultivation, gathering in many prospects for witnessing for the "Sixty in Sixty Days" from January 9, 1995 through March 9, 1995.

Respectfully submitted,
Gene Perritt
Director of Evangelism

Pastoral Ministries Report

This year we led a Deacon's Conference at Elah Baptist Church on September 19, 1994. There were twenty in attendance with Rev. Thurman Allred, of the Wilmington Association, as guest speaker.

Pastoral Ministries is available to assist in many areas of ministry. Pastoral Ministries makes available, in the association newsletter, the different types of ministries that can be used.

Respectfully submitted,
Jack Miller

Media Library Report

The TACMO did not meet this year but, hopefully, we can start afresh this coming year.

Your associational librarian attended Key Leadership and has been busy cataloging new materials for the Resource Center.

Contact me at 253-6849 if you want help updating or starting a media library in your church.

Respectively submitted,
Margaret J. Clemmons

Migrant Ministry Report

Our Migrant Ministry had a great start this summer. Worship services were held in three locations: Soldier Bay Baptist Church, Ash; Buck Creek Baptist Church, South Carolina; and Tent Meetings at Pireway. We had forty-five confessions of faith during the summer. We enrolled seventeen children in Vacation Bible School.

Thanks to Robert Bell, a volunteer from the Home Mission Board, and Ivan Cortes for their help in starting this ministry. We give God the praise and glory for the success that we have enjoyed thus far.

Repsectfully submitted,
Charlie Smith

Music Report

This has been a year of evaluating and goal setting in the area of Music in our association. Through this process the following goals and needs have been discovered for the 1994-95 year.

1. Involve as many persons from as many churches as possible.
2. Delegate planned activities, projects, and emphases to music leaders in the association.
3. Develop a program of building fellowship among church musicians.
4. Continue providing Leadership Training in our Association and promote State Music Leadership Training Opportunities and Events.
5. Associational Music Director to be available to serve as a Resource person in the areas as needed.
6. To offer assistance in the area of Worship Enrichment and Planning.
7. Encourage individual music study through the use of self-study resources.

Recreation Report

Recreation. n. Abbr. rec. "Refreshment of one's mind or body after work through activity that amuses or stimulates; play." This definition comes from the American Heritage Dictionary. I have another definition: "Excellent opportunity to witness to lost people and fellowship with Brothers and Sisters in Christ through the participation in wholesome sports and activities not normally associated with CHURCH."

The Association's fourth Coed Softball season was completed in July with a 30-game, double-elimination tournament and a pig-pickin' picnic that was attended by some 450 players and fans from our member churches. This season, our league grew once more and we had sixteen teams (up from twelve teams last year). Joining the league as first time participants were teams from Bolivia, Mill Creek, and Mt. Pisgah. Once again, we have had reports of people being saved as a direct result of this outreach ministry. To God be the glory!

Our Fourth Annual Brunswick Baptist Association Golf Tournament will be played on Saturday, November 12, 1994, again, at Brierwood Golf Course in Shallotte. Last year, the tournament filled to capacity with approximately 120 people playing in the Captain's Choice format. The tournament is very popular and is another marvelous way to reach people who are not easily reached. This year, we will have an opportunity to become involved with the Carolina Golf Ministries, a State Baptist Convention organization formed to reach golfers for Christ.

This month, the First Annual Brunswick Baptist Association Coed Volleyball League was formed. There are seven (7) teams in the newly-formed league representing six churches. Games are played on Monday nights at the new Supply Elementary School. Participation has been excellent for a first year activity.

Ministers and recreation directors of our member churches continue to inquire about and suggest other recreational activities. Boys basketball, youth softball, adult men basketball and youth track and field are among some of the suggestions. Our Senior Adults are also interested in having some recreational activities. Some have asked about aerobics and fitness.

During the winter months, gymnasium space is at a premium as various County recreation volleyball and basketball leagues demand time and space. Middle school sports activities and other acitivities such as PTO utilize the gyms during the school year. High school athletics fully utilize the high school gym facilities. We are currently investigating ways to incorporate other sports and activities for the Association.

Please pray for our Association recreational program and for those who can be reached for Jesus through this ministry.

Respectfully, and in service of our Lord Jesus,
Jay Houston, Recreation Director

Sunday School Report

The year of teaching has certainly been a fabulous year for officers and teachers in the Brunswick Baptist Association. The teachers and officers earned over 1200 study course credits as they studied in the teacher certification program.

The ASSISTeam is to be commended for their teaching and leadership in conducting five conference studies in ten churches and leading six studies in individual churches. Their expertise was recognized by other associations. Four were asked to lead conferences in other associations and two of our team were selected to teach

in statewide conferences conducted by the N.C. Sunday School Department.

The year of teaching has been good; 1994-95 will be the year of witnessing. Let us work together to train ourselves "how to reach" and share Christ through our Sunday Schools in '94 - '95 as never before.

What is Seminary Extension?

Begun forty years ago as a joint effort of all six Southern Baptist seminaries. Seminary Extension has brought basic theological education to thousands of persons.

The program operates through a network of more than 300 centers, enrolling more than 5,000 students located in all 50 states and 22 foreign countries.

Learning resources of Seminary Extension include a variety of diploma-level courses dealing with Biblical, theological, historical, and practical ministry areas, each developed by seminary professors.

Two of our students have met the requirements for the Certificate in Christian Studies. Walter G. Clegg will be awarded his certificate by Midwestern Baptist Theological Seminary, and Steve Stout will receive his certificate from Southwestern Baptist Theological Seminary.

That is the purpose and goal of Coastal Baptist Study Center.

Associational Youth Ministry

1993-94 has been a year filled with wonderful and exciting opportunities for the youth and the leaders of youth in the Brunswick Baptist Association. We began the year with a continuation of efforts to provide training for youth leaders and capped the year with WITNESS.

In October of last year, the Youth Ministry Council invited Larry McElreath of the Sandy Creek Association to come to Brunswick County and provide training for youth leaders and teacher. (Larry McElreath is currently a member of the North Carolina State Convention staff in Cary serving as the Director of Personal Evangelism.) The purpose of the training provided by Larry McElreath was twofold. First, he emphasized the need for our youth leaders to be able to share their faith with teenagers. Sharing your faith with a teenager in a manner that the young person can understand is crucial in leading a young person to accept Jesus Christ as a personal savior. Secondly, Larry helped us realize that any event we plan for our young people can be evangelistic. Even the simplest event can be made into an outreach event with just a little extra thought.

In February, the Youth MInistry Council committed to trying to get WITNESS to our association. An application was completed and forwarded to the Personal Evangelism department in Cary. Then we began a waiting game that was reinforced with much prayer. Finally, the work came and WITNESS would be in our association on June 18th. There was now much more work to be done.

The Associational Youth Night this year was held in March at Ocean View Baptist Church. More than 125 youth and their leaders from all over the association joined together in the fellowship hall at Ocean View for an evening of fellowship. The program for the evening consisted of a time of recreation and refreshment followed by presentations from the youth groups from Ocean View and Southport Baptist churches. The Baptist Student Union from Campbell University sent a team to help us with the evening. This group of Christian young people presented a powerful service using song, dramatical presentations and a powerful message from Brian an individual none of us will probably ever forget. The "unique" invitation at the conclusion

of the service saw many of our young people come to know Christ for the first time and many more to know Him again.

On St. Patrick's Day, the Youth Ministry Council sponsored another training event for youth leaders. This event was held at Mt. Pisgah Baptist Church and featured Hal Melton. Hal is the Director of Youth and Campus Ministries for the North Carolina Baptist State Convention. The focus of this training was to help churches begin a youth ministry. Many of the things that were discussed during the evening involved planning not only for beginning a youth ministry, but for maintaining the ministry once it has begun.

In April, Wayne Turnage and Billy Gilbert travelled to Caraway Conference Center in Asheboro to attend orientation for the WITNESS concert. Here, we were given the details of what we would have to provide and what we could expect in return from WITNESS and from the state office. What became extremely apparent, was the amount of work that was yet to be done and how little time we had left to do it in.

The Youth Ministry Council took the task of preparing for WITNESS to heart and began to work very hard and to pray even harder. Flyers had to be printed and distributed. Posters had to be made and placed throughout the association. Phone calls had to be made. But above it all, was the need to be constantly in prayer. We were willing to do the legwork, but the results we would leave to God.

The big day finally arrived. WITNESS arrived at Supply Baptist Church and after a lunch where we got to know each other, came the task of setting up the massive amount of equipment they brought with them. Through it all, it was evident that these were young people with a purpose and that purpose was to serve our Lord with their talents.

Prior to the start of the concert, the Youth Ministry Council provided training to volunteer counselors to assist in handling the response to the invitation at the conclusion of the concert. We are grateful to report that they were needed. The concert was powerful! The response was tremendous! Young people coming down the aisle to meet Jesus and accept His love and sacrifice. It was a moment to be remembered. It was a time to rejoice in the Lord!!!

The Youth Ministry Council appreciates the opportunity to serve the churches in our association. We ask for your continued support through prayer. As we begin the new year, we do so full of hope and trust in our Lord that this year will see still more of our young people come to know Jesus and more of our leaders will be able to learn skills they need to lead.

Resort Ministry

This has been a very new and exciting adventure for me this summer. We started in early May with a conference lead by Bobby Stafford and Tom Lolley at Fort Caswell on "North Carolina Resort/Leisure Ministry New Work." Later in May our Summer Resort Orientation was held at Meredith College. These proved to be very informational and encouraging.

Four of our resort area churches hosted groups to help in this ministry. These groups conducted backyard bible clubs, held a people search in the beach areas

elped in VBS, led in puppet ministries and witnessed in the name of our Lord Jeus Christ. Lives were changed and lives were saved due to the efforts of these roups.

Baptist Children's Homes of North Carolina

No matter how much adults try to convince themselves otherwise, children suffer hen parents divorce.

Amber suffered. Because she blamed her mother for household turmoil, and beause she was young and confused, Amber told her mother she hated her. She topped communicating and became withdrawn. She chose wrong friends and atempted to take her own life.

In today's atmosphere, when divorce rocks as many marriages as it misses, thouands of children like Amber look for anchors. And in today's atmosphere, just as n the atmosphere of the 1880s, and every year since, Baptist Children's Homes rovides that anchor for hundreds of children.

In 1992-93 BCH served 1,469 young people and their families. Probably an allme high.

Through services provided at 13 facilities statewide, BCH offered residential care, naternity care, a home for teenage mothers and their babies, therapeutic camping, nodel day care, emergency care and behavioral change.

Through the Cooperative Program church budgets and the Thanksgiving Offerng, Baptist churches provided about one-third of the $11 million necessary to care or those children. Other revenue comes from payment for service on a sliding scale, oundations and corporations and individual gifts. A significant source of help comes rom individuals who remember Baptist Children's Homes, and the children it serves, n their estate planning.

"I couldn't handle what was going on at home," Amber said, after a year in an ntensive group process at Kennedy Home. "I wanted a way out. I saw (suicide) s the only way. I had totally turned my back on God."

Under the tutelage of Kennedy Home Baptist Church's pastor, Amber has rededicated her life to the Lord and was baptized. She is now memorizing Scripture and doing devotions.

Between her renewed faith and the peer group process, Amber has begun to esolve the differences with her mother. When she graduates from Kennedy Home, she plans to live with her mother and sister.

"Just being able to talk through it with group and with staff helped make it better," Amber said. "They helped me understand mom may have moved out, but she never left me. She's always been supportive."

Working through problems at BCH involves identifying your problems, putting a name to them. That helps a child realize he/she is not a "problem child" but is a "child with problems."

"If I was alive without this place, I wouldn't be in a happy life," Amber said. "I'm really thankful there are places like this.

Amber's gratitude expresses the feelings of hundreds of children each year, and the staff who serves them. Many young people need BCH. Thankfully, many Baptist adults are committed to providing their needs, for Jesus' sake.

The Baptist Retirement Homes Report

As a result of the wonderful support given by North Carolina Baptists, 1994 wil be remembered as one of the finest years in the 43 year history of Baptist Retirement Homes. The following are some highlights from the year:

In recognition of its commitment to the spiritual well-being of the residents that it serves, Baptist Retirement Homes hired W. Paul Riggs to serve as Chaplain to the residents of the Prince Nursing Care Center in Winston-Salem and the Rickman Nursing Care Center in Asheville.

Reaffirming its commitment to the idea that retirement should be a "step up" for Older Adults, the renovation of the Taylor House in Albemarle was completed and renovation of the Hamilton Baptist Home in Martin County was begun. When the renovation of the Hamilton Baptist Home is completed in mid-1995, all of the facilities operated by the Baptist Retirement Homes will be "State-of-the-Art."

In recognition of the changing profile of institutionalized Older Adults (47% of the "oldest old" in North Carolina suffer from some form of dementia), a special small group approach to the care for institutionalized Older Adults suffering from dementia was instituted at the Prince Nursing Care Center in Winston-Salem. Through the implementation of this program, Baptist Retirement Homes once again demonstrated its commitment to the principle that everyone has the right to age with dignity and to enjoy a certain quality of life throughout the aging process.

In an effort to provide Older Adults with affordable care, a sub-acute unit was developed at the Prince Nursing Care Center in Winston-Salem . . . a unit where frail Older Adults can receive such treatments as IV therapy, infusion, wound care, and stroke and bone fracture rehabilitation outside of a hospital setting.

In response to the need to provide quality long-term care services to the ever growing number of frail Baptist Older Adults, Baptist Retirement Homes expanded its nursing services in 1994 to include an additional 100 Older Adults (80% of that group being classified as the poor elderly . . . men and women who lack sufficient financial resources to pay for the institutional services they receive).

Thank you North Carolina Baptists for helping us make life for Older Adults . . . **Th Best of Times!**

The Biblical Recorder

The rapid changes taking place in our world have produced distorted values, vi lence, threats and uncertainty and the surrender of much that is good and whol some while creating false heroes who fail. Baptists must rise up to face these decisio and issues before our window of opportunity is lost forever. We must not squand our heritage from yesterday and our mission for tomorrow.

There is no way to address these issues without correct and reliable informatio The *Biblical Recorder* was born and continues to serve for that purpose. Never w

the *Recorder* more needed than now, with charges and countercharges flying, with people trying to use and manipulate others.

People are reading less than any time in recent history. It is true of secular publications, it is true of wholesome books from respected libraries, it is true of religious publications. We live in an electronic age where many think they know the answers to the issues only to discover they do not. It is impossible to know in depth what is happening when we depend on "60-second sound bites" of news on television or radio.

An informed Baptist is a better Baptist; an uninformed Baptist may be an uninvolved or disruptive Baptist. No democracy, including our local churches, can survive long without an informed, involved constituency which makes decisions based upon accurate information from reliable sources.

The most important thing facing us at this point is to get the *Recorder* into more Baptist homes then ever before. Your support as a subscriber and reader and your encouragement to others will enable the paper to better serve the constituency with accurate and helpful information delivered to Baptist homes and churches. We need your help!

In order to save churches large amounts of money and to increase the readership of the *Recorder*, Church News Service (CNS) was launched in 1990. This system lets any congregation have their church news incorporated into the *Biblical Recorder* which saves staff time, postage and printing costs. Usually, for less than what it costs to produce the church newsletter, CNS gives the entire Baptist communication package to each family in the congregation. Anticipated increases in mailing costs makes CNS a greater value in 1995 than even when it was started in 1990.

The paper focuses more and more attention on North Carolina Baptists with news, features and inspirational articles which will encourage individuals and churches in their witness and ministry. One sure way to conquer problems and overcome the barriers to effective witness and ministry is to have the facts, know the issues and be adequately informed. With all the stress and disturbance in the world, "The North Carolina Baptist Way" has become even more important to us than ever before.

That is why the *Recorder* was born; that is why it serves today. For more information on how your church can subscribe or use CNS, contact:

Gardner-Webb University School of Divinity Report

Thank you for the interest, prayer and support as we have begun the Gardner-Webb University School of Divinity. Let me report our progress to this point by answering the questions we are most often asked.

What is a School of Divinity? Is it purely academic in contrast to the professional education offered by seminaries?

Our purpose is to provide professional education for Christian ministry in a local church. We also help student ministers shape their ministry through courses such as models for ministry, Christian spirituality and religion and personality. Each student meets regularly with a mentor/teacher. We also offer courses in professional

areas such as preaching, teaching, worship leadership, church administration, organizational leadership, counseling, evangelism and pastoral care. You can see that we balance classical disciplines with knowledge of practical church leadership and continued personal spiritual growth.

The name "School of Divinity" is usually used when ministerial education is offered by a university. The work "seminary" usually describes a free-standing institution.

Why offer ministerial education in a university?

As a university affiliated with the North Carolina Baptist State Convention, we can provide an excellent ministerial education based on historic Baptist principles. From the beginning we can enjoy the resources of the university such as the programs for the deaf and/or blind students, and masters level studies in other areas such as psychology and business.

How many students do you have?

The School of Divinity is off to a good start. The first semester (Spring 1993) we enrolled 23 students. The fall and spring semesters of our first full year we had 51 students. Projections for enrollment for the fall indicate that we will continue to grow.

Who are your teachers?

Faculty members with long experience such as Dr. Donald E. Cook in New Testament, Dr. Roy B. Wyatt in Old Testament, and Dr. Robert Lamb in church administration form a core full-time faculty. Dr. Albert Meiburg directs Clinical Pastoral Education. Other faculty from the university and from churches and agencies along with missionaries in residence also teach.

How are you doing financially?

The strength of the university has helped us launch the School of Divinity. We are grateful for the Theological Education Grants the Baptist State Convention of North Carolina has made available. Many churches and individuals have helped us. The Christian Service Organization is engaged in a drive to secure additional scholarships.

Where do you stand theologically?

We take the bible seriously, believing its message about sin, salvation and grace should be applied to every aspect of life. We take a traditional, inclusive Baptist approach, welcoming both men and women who answer God's call to prepare with us.

1993 Annual Report Summary/Highlights

The Home Mission Board (HMB) is a missionary-sending agency of the Southern Baptist Convention (SBC). Headquartered in Atlanta, GA., the HMB's purpose is to serve Southern Baptists by assisting churches to proclaim the gospel of Jesus Christ, start and grow New Testament congregations, and minister to people in the name of Christ.

At the end of last year, 4,882 missions personnel were serving in the United States, the Caribbean, Guam, American Samoa, and Canada. The HMB also had endorsed more than 2,300 chaplains who were serving in healthcare agencies, institutions, businesses, the military, and pastoral-care roles. More than 1,700 Mission Service

Corps volunteers were serving on home mission fields. During the year there were 1,500 church starts (more than four per day) and 349,073 baptisms.

Approximately half of the HMB's support comes from individual SBC churches through the annual Annie Armstrong Easter Offering for Home Missions. In 1993, gifts to the offering totaled $36.31 million, about 3 percent less than the 1992 total. One hundred percent of the offering goes to support the work of home missionaries in the field. The 1994 Annie Armstrong Easter Offering goal is $40 million. About 36 percent of the HMB's income comes from the denomination's Cooperative Program.

The following is a summary of program/support ministry highlights from 1993:

Chaplaincy Ministries--The 2,325 Southern Baptists now serving as chaplains and pastoral counselors reported more than 24,000 professions of faith and 4,500 baptisms.

Church Loans--Approximately 1,056 churches had active loans totaling $131.1 million. The Church Loans Division closed 120 church loans totaling $32 million, including $3.8 million of refinancing.

Language Missions--Home missionaries and pastors in the Language Church Extension Division serve among 102 ethnic groups using 98 languages and dialects.

Evangelism--During Crossover Houston, the Mass Evangelism Department coordinated 35 street evangelism events, 25 block parties, nine evangelistic rallies, and 68 special Harvest Revivals and events. These activities resulted in 1,253 conversions. The Personal Evangelism Department produced and shipped materials for "Here's Hope. Share Jesus Now." This emphasis will include 60 Days of Soul-Winning, January 9 - March 9, 1995.

Volunteers--More than 74,860 Southern Baptist adults, college students, and youth group members volunteered for long- and short-term projects. In addition, several thousand more were involved in disaster relief efforts in the Midwest.

Church Evangelism Development--over 1 million teens participated in "See You At The Pole," gathering at their flagpoles to pray for the schools of our nation.

Administration--The Home Mission Board broke ground for a new national office building which will be completed in 1995. Customer Services received more than 51,000 calls and shipped almost 5 million pieces of HMB material.

North Carolina Baptist Foundation, Inc.
Annual Report 1994

With the 75th anniversary of the chartering of the N.C. Baptist Foundation approach ing, it is exciting to reflect on the fulfillment of dreams of the founding fathers. The prayerful deliberation that led to the vote in the 1919 Baptist State Convention meet ing for the beginning of "a trust agency" envisioned a viable entity which would promote and manage funds given by individuals for perpetual support of severa struggling institutions and the mission programs at the heart of this missionary mind ed denomination.

As of December 31, 1993, the Foundation held $45,878,748 under management In 1993, $1,243,217 was distributed to Baptist work and $1,196,748 was distribut ed to individuals for a total income distribution of $2,439,965.

The income distributions for the entire 74 year history of the N.C. Baptist Founda tion totals: $7,009,154 income paid to individuals and $10,011,893 to Baptis churches, institutions and mission causes for a grand historical total of $17,021,047

In 1993, the staff of the Foundation consisted of seven full time employees an two persons who provided part-time service in accounting and legal services. In Ma of 1994, Rev. Coy H. Jeans, Jr. was employed by the Foundation Board as Wester Area Manager of Trust and Endowment Development. Rev. Jeans will serve individu als in western North Carolina through estate stewardship planning to better provid for families and Christian endeavors. North Carolina Baptist Hospitals Report 1994

Founded in 1922, Baptist Hospital is a missionary enterprise of the Baptist churche of North Carolina. The essence of our purpose is to carry out a ministry of healin

s taught by Jesus Christ. We remain as fully committed to this mission as were our ounding fathers. In the midst of changing health-care norms, we have not, nor will ve, deviate from this mission. The following paragraphs report, not only basic facts, ut various results of how we have sought in the last year to remain true to our heritage hile providing quality health care at affordable prices.

ROVIDERS AND RECIPIENTS OF HEALING

Our Hospital healing team now consists of 5,777 employees. The Medical Center North Carolina Baptist Hospital and Bowman Gray School of Medicine) personnel otal employment is fast approaching 9,000 people making us the second largest mployer in Forsyth County. In our 806-bed facility, we had 23,545 inpatient admis- ions during our fiscal year 1993-94. Our Outpatient Department, physicians' clin- cs, and other related departments received 523,672 patient visits.

)EPARTMENT OF PASTORAL CARE

Our chaplaincy division joins with our health-care professionals to provide spiritu- l and emotional healing. With 15 to 35 chaplains present at various times, 58,747 ministries were provided to patients, families, staff and groups. Mission dollars from he Cooperative Program enabled this ministry to be carried out.

The Center for Congregational Health, in its second year of ministry as a part of ur Department of Pastoral Care, continues to expand and strengthen. To date thru 993, 40 ministers have completed intentional interim training and 29 are in train- ng. The number of churches calling intentional interim pastors continues to increase. he training of consultants for conflicted churches and leadership training for young inisters were both begun.

The Pastoral Counseling Division now operates 12 counseling centers across the tate. These centers provided 26,716 hours, a five percent increase over the previ- us year.

In December 1994, Dr. Dewey Hobbs will retire as Director of the Deparment of astoral Care. His eleven years of leadership and ministry have brought quality and xpansion in every facet of the department.

3APTIST BENEVOLENT CARE FUND

Last year Baptists across our state gave $425,734 to our annual Mother's Day Offering. All of these monies went toward relieving the financial burden of scores f former patients who have little or no health-care insurance and no financial me- ans to pay their hospital bills. The churches and individuals help make this ministry ossible and we are grateful.

EXCELLENT FINANCIAL STEWARDSHIP

In the midst of escalating health-care costs, we have a proven record of superb tewardship.

(1) The latest report of the North Carolina Database Commission comparing the verage of other state academic medical center charges vs. Baptist Hospital for our nost frequent diagnoses reveals our charges are 21% lower.

(2) We are one of only 17 hospitals nationally with a "AA" bond credit rating.

(3) Averaging the last two years and the projection for 1994, the Consumer Price ndex will average 2.8% and the Medical CPI for hospitals will average 8.9%. Bap- ist Hospital rate increases for the same period will average 1.8% under both the bove-mentioned indexes.

MEETING THE CHALLENGES OF THE FUTURE

The health care environment is and will continue to be changing. Baptist Hospital

is proactively facing these changes on a daily basis. Below are listed several visions which have recently been or will soon be realized.

Nursing Center at Oak Summit

Opened in July 1993 this 170-bed facility offers four levels of care. It is also one of only a few nursing centers in North Carolina that provides care for ventilator-dependent patients.

Emergency Department/Dietary Building

Progressing toward a late 1995 opening, this facility will expand our ED capacity to 70,000 visits annually. It will also house three flours of patient private rooms, our Pharmacy Department, a new kitchen and 900-seat cafeteria, and a 35-bed Day Hospital.

J. Paul Sticht Center on Aging and Rehabilitation

This building will usher in a new era in rehabilitation at our Medical Center. Housing a total of 128 beds, it will contain a geriatric day hospital which will aid the transition from hospital to home, inpatient rehabilitation nursing units, a psychiatric floor geriatric research and education. Completion is targeted for 1996.

At home health care

Our Home Health Solutions provides our local region with parenteral nutrition and intravenous antibiotic therapy, chemotherapy and pain management. Home Health Specialists provides nursing care, personal care and physical and occupational therapy.

Center for Research on Human Nutrition and Chronic Disease Prevention

Our continued partnership with Bowman Gray School of Medicine enables our Medical Center to provide the highest quality of research, education, and patient care. Quoting Dean Richard Janeway, "We are trying to prevent the major killers such as cancer, strokes, and heart attacks. With this facility we'll be able to transfer the information straight to the patient's bedside."

COMMUNITY HOSPITAL ASSISTANCE

Developing relationships with community hospitals such as Stokes Reynolds in Danbury and Hoots Hospital in Yadkinville enables us to assist them in lowering costs as well as providing quality hospital and outpatient care. We anticipate expanding this endeavor to include other smaller, outlying hospitals. We also have significant affiliate relationships with hospitals in Wilkesboro, Lexington, and Mt. Airy and are in the process of developing other affiliate relationships.

QUALCHOICE OF NORTH CAROLINA

Joining with BGSM and Wake Forest University, Baptist Hospital has developed a managed care plan. Our design is one which offers affordable quality health care while providing the insured freedom of choice. This plan will be opened for public enrollment beginning January 1, 1995.

A CLOSING WORD

We continue to esteem our heritage, celebrate our current capabilities, and strive to position ourselves for the future. Your partnership, prayers, and utilization of our services inspires our dedication to our mission. We are grateful to God and to the North Carolina Baptist family.

Respectfully submitted,
Len B. Preslar, Jr., President
The North Carolina Baptist Hospitals, Inc.

History of Beach Road Baptist Church

In 1984, Rev. John Elder, pastor of Southport Baptist Church, saw a need fo a mission between Southport and Oak Island. Several families formed the Beac Road Mission. Robert Norton, a Southeastern Baptist Seminary student, wa called as the first pastor. For over a year, the mission group met in the Moos Lodge on Long Beach Road. Average attendance was 25. Later, a small hous was remodeled by members and used for services.

In late 1985, Gib Barbee, a Brunswick County land developer, donated tw and one-half acres of land to the mission. A mobile unit was purchased to serv as a sanctuary. Rev. Johnny Roberts was called as full-time pastor. A secon mobile unit was loaned by the Baptist State Convention to be utilized as Sunda School space. When Rev. Roberts left one year later, Dave Cover, Jim Ellis an Rev. Bryan Dosher served in the interim until Rev. Ray Webb was called as pas tor in July, 1988. Attendance and membership grew and the mission was const tuted as a self-supporting Southern Baptist Church on April 2, 1989. Plans soo followed to construct the present facility. Groundbreaking ceremonies were he March 4, 1990 and construction began in April. The Baptist Men of North Carolin co-ordinated by Wayne Honeycutt of the State Convention, provided most of th labor and was built at about one-third of the contracted cost. Dedication of th new building was held December 16, 1990.

David Arndt was called as the first staff Minister of Music in July, 1993. Beac Road has just completed a new 40'x50' addition to be used as an educational/fe lowship hall. Beach Road now has a membership of over 350.

Director of Missions Report

The longer I serve in the Brunswick Baptist Association the more I believe that Brunswick Baptists have a bright future. If we plan for the future we will have a bright future. A bright future demands faith, dedication, commitment, vision, and hard work. It demands a people who trust God for great things and believe God can do greater things through us than we can do ourselves. We have to put our hands to the plow and not look back - to give of the gifts and talents God has given us to help others.

Lt. Clebe McCrary, a Vietnam veteran, has had the opportunity to share his testimony throughout the Southern Baptist Convention of how God spared him and has used him to reach people. He tells of how he was shot-up and metal pierced his body from grenades. He almost died from the wounds of battle. After approximately six months in an army hospital, surgery after surgery, he began to improve. Even though his body will never be the same, he is thankful that God spared his life. He tells of the day that the men who served under him and survived the war came by to visit him in the hospital. They presented him with a plaque. These words were inscribed, "In this world of give and take, there are not enough people who are willing to give what it takes." I thank God we have people in the Brunswick Association that are willing to give what it takes to help plan and work toward the future for this association.

As we stand in the presence of time there is no going back, all we can do is reach for the future and it will take all of us to shape the future of this association. Sometimes it will be painful and discouraging. Sometimes it will be pleasant and rewarding. Whatever the circumstances, we must give it our best for future generations of Brunswick Baptist.

This past year, January 1995 - September 1995, the churches of the association had the opportunity to participate in "Here's Hope 1995." There were two phases; First, "Here's Hope, Share Jesus Now" January 1995 to March 1995. This phase gave us an opportunity for sixty days of witnessing to share Christ with others. The second phase focused on Harvest Revivals March 1995 - September 1995. As of May, 1995 twenty-nine out of forty-three churches reported 229 baptisms, 204 members by letter and 19 by statement. The final tally for the year will be recorded in the Annual Minutes. Though we can never be happy until every person is reached with the message of Christ and all have been saved then can we be pleased with our results. However, we can say that we are reaching and continuing to reach out to people. The churches have moved and are moving forward. We thank God for you.

This past year on July 11, 1994 the association voted to call a church planter apprentice for the purpose of starting a new work in Calabash. Ron and Susan Lewis of California were called to the field and began the first of February, 1995. The Home Mission Board, N.C. Baptist State Convention, and the association work together in order that the financial needs of Ron and family might be met. The work has progressed and we look forward to a vibrant ministry in the near future.

This past year, January 9, 1995, the association voted to purchase ten acres of land adjacent to our existing property. At that meeting the moderator was instructed to bring a seven member Long Range Planning Committee to the next Executive Board meeting for the purpose of providing a plan to pay the balance of $25,000 owed on the property and to begin to make long range plans and goals for the future of Brunswick Baptist. The persons elected were: Gene Pinkerton, Beach Road; Jay Houston, Shell Point; Betty Ridgeway, Ocean View; James Whitworth, Supply; Jackie Smith, Friendship; John Butler, Elah; Ted Wood, Jr., Southport. The committee is continuing to meet and plans are progressing.

The organizational heads have provided our people with many opportunities this past year. The Sunday School ASSISTeam has provided us with training; . . .One on One witness training and two literature workshops. The ASSISTeam went for training in Cary, N.C. in February, 1995.

The Brotherhood supplied many an opportunity this year as well. It was involved in several mission trips and training opportunities. The RA's and Brotherhood had a fishing tournament September 4, 1995 and was well attended with roughly 150 men and boys in attendance. The Baptist Men sponsored the N.C. Baptist Men's Medical/Dental Van this year at Shallotte First Baptist Church. Approximately 50 people were ministered to on Saturday, August 26, 1995.

During the year we had VBS Training, Bible Drill, recreational activities; softball, basketball, volleyball, golf tournament, etc. Many people were reached as a result of these activities.

The migrant ministry is still in the process of growing and developing a feasible approach to helping the migrants in the association.

This year we had four groups to come to the association and helped in our churches. Some passed out flyers in Calabash and others helped with VBS and Backyard Bible Clubs, passed out tracts and led in worship.

The WMU provided training this year for all age groups and opportunities for GA's and RA's at Caswell. The Annual WMU Meeting was at First Baptist Church of Shallotte on September 29, 1995. The speakers were Keith and Kathy Reynolds, foreign missionaries to Honduras. We had a good attendance.

The Youth Council provided occasions for our youth and leaders. The Baptist Student Union of Wilmington Association were at Mt. Pisgah Baptist and approximately 200 youth and adults were in attendance. "Witness" from the Baptist State Convention came again this year.

Plans are still in progress for our World Missions Conference in 1996. We are excited about the possibilities as a result of these meetings.

Many other opportunities were provided this year that have not been mentioned and we look forward to the greater days ahead.

Please note that the Calabash church agreed to deed the property to the association in order that we might help in working toward a vibrant ministry. We are excited about the possibilities there. May God help us as we work toward a tremendous opportunity.

We just look forward to 1996!. . .and 1997 and 1998, and 1999 - Yes, in 1999 we will be celebrating 100 years of the Brunswick Baptist Association. Thank you for your love and support. Brunswick Baptist are great people.

Yours in Christ,
William L. Smith
Director of Missions

1995 Clerk's Report to the Association

By the time we began this Annual Session, I had received the annual church profiles from 31 of the 42 churches in our association. I appreciate the hard work of the Church Clerks in getting these prepared and in my hands. I have not yet heard from Shallotte, First; Old Shallotte, Town Creek, Woodburn, Beulah, Bolivia, Fellowship, Lebanon, Goshen, Prospect, and Bethel. I hope there are those here today who have brought ACPs from those churches.

I cannot, of course, because of the missing letters, give a full report, but I do want to mention some information which I think you will find interesting:

> *The ACP's received showed 280 baptisms, an increase so far of 22; 344 other additions, decrease of 33 and 7,980 total members, a decrease of 238. Of these, 6,348 are resident members. Two churches reported no baptisms. Two churches reported no other additions.*

There are some changes on the ACP this year and one is that there is no place to request how many annuals each church wants. Please see me today and tell me how many to order for your church. The cost per copy will be $3.00.

We still have some copies of the 1994 annuals that have not been delivered. If you haven't yet received yours, please see me after today's session.

Lalon R. Willoughby,
Associational Clerk

Coastal Baptist Study Center

This past year 7,457 students enrolled in a Seminary Extension course, many taking more than one course. The value of this program is seen in that we now have more than 350 centers across the country. Last semester saw 67 students from across the convention earn either a certificate or a diploma. Our local center enrolled 16 students during the winter semester studying New Testament Theology and the book of Jeremiah. We encourage you to become a part of this on-going process of education.

V.C. Potter, Jr., Director

Media Library Report

TACMO (The Associational Church Media/Library Organization) has not met during this year but plans are in the making for re-starting early as possible.

Your director attended Key Leadership Conference and has a lot of new ideas to get out to all churches with media/libraries.

As associational librarian I have added many new books, videos and material to the associational library.

If you need assistance in updating or starting a media/library, please contact me. I met with Ocean View on September 18 to help them see what we could do for their library.

If you have any input as to how TACMO or the associational library can help you or your church, let me know.

Respectively submitted,
Margaret J. Clemmons,
Media/Library Director

1994-95 Associational Discipleship Supporter Report

It has been a difficult year for Discipleship Training. We tried, with little success, to implement a new approach to Associational Discipleship Training. This new approach is a needs-driven approach in which you identify discipleship needs in our Association. After the needs are identified, then we plan modeling events designed to address those needs.

The first step in this process involves small group strategy sessions in which you are invited to identify and discuss discipleship needs. We planned four such meetings, but all of them had to be cancelled due to lack of interest. Our new approach was thwarted before we got out of the starting blocks.

We were certainly disappointed by this turn of events. However, we learned. We still believe that a needs-driven approach is best, but we will implement this approach in a different manner this year. We have already planned a modeling event for 1995-96 (ie. a Church Decision Making Conference on Feb. 19). We will again try to have some strategy sessions, but we will plan and promote them in a different way.

One bright spot in our Associational Discipleship Training in 1994-95 was the Children's Bible Drill. We had a Bible Drill training seminar last November, and our Bible drill was held in April.

This was a tough year, but we are hopeful for 1995-96. We must keep trying to improve discipleship because Jesus commanded us to make disciples. Thank you for allowing us to serve you.

Sincerely,
Jenni Johnson
David Stratton

Associational Youth Ministry

The Associational Youth Council sponsored three events during the 1994-95 Associational year. The first event was the Associational Youth Night held in March of 1995 at Mount Pisgah Baptist Church. Mt. Pisgah furnished hot dogs and all the trimmings for more than 200 youth and youth leaders from around our association. The service was lead by the Baptist Student Union from the University of North Carolina at Wilmington. The program was made up of singing, dramatic skits, personal testimonies and some good humored practical jokes. Our thanks to Mt. Pisgah for hosting the event and for the hard work they put into making it all a success.

Also in March, a training session for youth leaders was held at the Resource Center. The topic for the session was counseling teenagers. A small but eager group of youth leaders was present to learn some of the things to be aware of when counseling their youth.

Our final event of the year was the WITNESS concert in June. The concert was held in the gymnasium at Supply Elementary School. A small but very vocal crowd welcomed WITNESS and joined in with the singing. The WITNESS team was very excited at being able to do the concert for us and did a marvelous job. We encourage you to support WITNESS with your gifts and your prayers. These young people reach several thousand youth each summer in North Carolina.

We thank God for the work He is doing in our association and we give Him the praise and glory for every victory achieved. We ask the Association to remember our youth and their leaders in your daily prayers.

In His Service,
Billy W. Gilbert

1995 Baptist College/University Report

The Baptist State Convention is 165 years old. For 161 of those years the Convention has been in the business of founding, adopting, supporting and nurturing Baptist colleges and universities. North Carolina Baptists are known for their broad and deep commitment to Christian higher education. Our seven Convention-related education institutions are: Campbell University, Chowan College, Gardner-Webb University, Mars Hill College, Meredith College, Wingate University and Wake Forest University.

For 1995 the Convention's Christian higher education budget is $6,000,540, or 20.41 per cent of the total. These funds are divided among six colleges. Wake Forest is not in the budget, but receives designated gifts from churches and shares in student financial aid funding through the State Missions Offering.

The 1994 enrollment in North Carolina Baptist colleges and universities was 22,473, with 4,075 graduates. Approximately 476 students were enrolled in church-related vocation studies.

Sunday School/ASSISTeam Report

The ASSISTeam of the Brunwick Baptist Association has provided the leadership for a good year in the Sunday Schools in our churches.

Dr. Robert Stewart of the State Baptist Convention was our leader for an outstanding conference at Faith Baptist Church as we studied the book Going. . .One on One. The fellowship hall was full both nights.

Our Fall Sunday School Leadership Nights were well attended as the ASSISTeam provided leadership in studying different techniques of outreach for the different age groups. Linda Thompson from the Sunday School Board in Nashville, Tennessee led conferences on Sunday School literature and how best to use the material. She was outstanding. The conferences were conducted at Peace Memorial and Ocean View churches.

The ASSISTeam also taught three courses at individual churches and Winter Bible Study at two churches.

Thanks to all churches who helped make it happen in the Brunswick Baptist Association.

Jim Hartman
ASSISTeam Director

Missions Development Report

ANNUAL SESSION OCTOBER 20, 1995

Our churches are still slow to understand the role of mission development in the local church and in the association.

As your director, I'm still trying to find interesting ways to involve more of our churches in programs of total outreach into our communities.

There were no new church starts in 1994-1995. Our two youngest churches, however have shown remarkable growth. Beach Road has completed an education unit to accommodate its growing membership. Brunswick Islands is ready to purchase additional property and is planning a second building. The Baptist Mission of Calabash will soon begin a full program of activities.

It is a pleasure to report that more of our churches are getting involved in Habitat for Humanity (the first house was completed in Shallotte a few weeks ago), Hope Harbor Homes and the Hope Chest Thrift Store, Hospice and the Literacy Council. We are looking for great strides forward this year in our ministry to migrants and relationships. Also, we encourage our churches to participate in the associational activities as a meaningful mission outreach with our black Baptist friends. Resort ministries reported another good year. More of our people are becoming acquainted with the ministries of Alcoholic Anonymous and Alanon. Our churches are urged to check out a new program in our county called Communities in Schools.

The Southport-Oak Island Personal Counseling Service is having a great year. A few churches have contributed to its program. The present staff of six counselors counts five (5) Baptists. Also Baptist ladies serve as receptionists and several Baptists are on the Board of Directors.

There are unlimited mission opportunities available for our churches. Make it a serious matter of prayer and let the Lord lead you to minister to "the least of these - our brethren."

May God give you and your church the best "missions" year ever!

Jack D. Hancox, Director

World Missions Conference Report

ANNUAL SESSION OCTOBER 20, 1995

Our theme for this annual session declares this message: "Magnify Your Missions Vision." This is precisely our desire and our goal as your World Mission Conference leaders.

All of our plans are in place for this great forward movement in Missions involvement. Our staff has shown great enthusiasm and dedication, and we look forward eagerly to April 21-24 when our conference takes place.

We are pleased to announce that 24 of our churches have signed up for the conference. Our first training session took place at Faith Baptist Church on October 5, 1995, and sixteen of the twenty-four churches were represented. All participating churches are encouraged to have in place their own World Missions Conference local staff before Thanksgiving. This will give the local church World

We encourage all participating churches to send your $600 to the association as soon as possible. Remember to indicate on the check that it's for the World Missions Conference.

There is available here today some materials which will be useful to participating churches. Please check with me after this session if you wish to have this material.

Let us pray earnestly for this great opportunity to work together in the cause of missions. Let us pray that God will call out from among us young men and young women to the mission field, and pray that a new excitement for missions will fill all of our churches.

Resort Ministry

The dictionary defines *resort* as "to go, to go often; as people resort to parks in summer." As a noun it refers to "a place where people go; something to which one turns in absence of the usual means; a popular place of entertainment." To be sure, the beaches, golf links, and ocean fishing are popular and attractive places for many people. Many come, not only for rest, relaxation, and recreation, but to live. Brunswick County is the third fastest growing area on the east coast. These well attend *resort areas* are, therefore, areas of possible ministry.

Presently, our association sponsors a ministry at Long Beach and another at SeaMist Campground Resort at Shallotte. The First Baptist Church of Oak Island coordinates the ministry at Long Beach. They utilize the summer staff of our State Baptist Assembly and their own people as worship leaders on Sunday mornings between mid-June and Labor Day weekend. They meet in the Long Beach cabanas. These meetings are becoming a tradition for these weeks during the summer. They had an average weekly attendance of 72, with a total 13 weeks attendance of 933. Their highest attendance was 131. 1995 was their 5th year of ministry.

The SeaMist Campground Resort ministry is coordinated by Jennies Branch Baptist Church. Several people of their congregation serve as worship leaders for this campground community from Memorial Day weekend to Labor Day weekend. They met at poolside and had an average attendance of 15, with their highest attendance being 36. Often, special music was provided by the choir director of a Methodist church in Chesterfield, South Carolina. She did a beautiful job. Though the group is small, the services are greatly appreciated by those in attendance. The campground affords a beautiful setting for worship of God. 1995 was their sixth year of ministry.

A special *thanks* to those who led and were a part of these special summer services. To God be the glory! You will want to remember in prayer our new Associational Resort Ministry Director, Mrs. Mary Banner, of Holden Beach.

Respectfully submitted,
Herman C. Absher

Migrant Ministry Report

The Migrant Ministry has progressed slowly during this associational year. Thanks to Peace Memorial Baptist Church, food was distributed to migrants in the southern end of the county. We are working with the Brunswick Community College to provide English classes for the migrants throughout the associational area.

The following are some goals for the coming year:

1. Develop a program of building fellowship with the migrants.
2. Provide food and other material needs where needed.
3. Share the gospel and provide places of worship.
4. Continue the English classes in areas where needed.
5. Provide nurseries for children of those in the English classes.
6. Involve as many churches as possible.
7. Encourage migrants to get involved in the local church.
8. Encourage migrants to develop their own program of worship under the leadership of the local church.
9. Encourage advisers from the migrant community to be involved in writing a program that would be a meaningful experience.

Respectfully submitted,
Charlie Smith
Migrant Ministries Director

1994-1995 Recreation Annual Report

Again this year, God has blessed our association richly in outreach opportunities and Christian fellowship through athletics. This year saw the inaugural men's basketball league begin. Our mainstay and largest program, coed softball, was a again a resounding success and remains our most popular program. Young people were reached for Christ.

The annual golf tournament, held in November, continues to draw churches and players from Leland, Southport, Supply, Bolivia, Shallotte, Calabash, Ash, and all the beaches. The tournament date this year is Saturday, November 18, 1995 and will be held again at the Brierwood Golf Course in Shallotte.

Interest is high for coed volleyball among our young adults and teens, but at this time, a season is in doubt because of the lack of adequate facilities. Pending the availability of a gymnasium, we will again have men's basketball this year.

On behalf of the participating athletes in the association, I urge all member churches to heartily endorse the long range plan for the newly acquired association property. With God's leadership, we can provide a Christian atmosphere for our churches to play together and fellowship. With the tools of softball fields and a family life center, which can be built on the land recently purchased, we can reach hundreds of people for Christ while providing a central fellowship location for our association.

Please continue to pray for God's direction in this endeavor and for those who work so diligently to further the Kingdom. Also, please keep me in your prayers as I humbly attempt to follow God's direction as He opens doors of opportunity with recreation. God bless you all!!

In His service and for His sake,
Jay Houston

WMU Report

"A Time to Grow" was the theme for the WMU Workshop in October of '94 as we trained church leaders for the new year at Mill Creek Baptist Church. Eleven churches were represented.

Foreign Mission books for all ages were taught in twenty-one of the churches during the week of November 21-23. Twenty-seven churches observed the Week of Prayer for Foreign Missions and Lottie Moon Christmas Offering.

In January a Movie Mission Night was held for GIrls in Action at Elah Baptist Church. Sixty girls and leaders were present. GA's made valentines to be carried to nursing homes and distributed.

In February with Focus on WMU we learned more about Home Missions and began to pray for God to send workers for the Associational Leadership Team. During the Week of Prayer for Home Missions and the Annie Armstrong Easter Offering churches again exceeded their goals for the AAEO.

On March 25, the GA Mother-Daughter Banquet was held at Faith. Flags were placed on a wreath for each dollar the girls collected for the Annie Armstrong Easter Offering. Donnie White from Elah entertained with music and 110 girls, leaders and mothers enjoyed the program, "Grow in Grace and Knowledge."

On March 17 the WMU Rally was held at Mill Creek and we began to talk about the "new WMU" and changes to come. Sixty-four people enjoyed the salad supper and fellowship.

God answered our prayers and prospects for the new Leadership Team and the Associational WMU Council attended the "Mission Extravaganza" at Ridgecrest March 31 - April 2, to begin their training for leading churches in the "new WMU."

Once again some of the church WMU's provided snacks, food and beverages for the Statewide International Student Retreat at Caswell.

The Second Annual Myrtle Waves Day found 140 youth and adults present. The influence of Brunswick GA's and RA's has officials as Myrtle Waves considering having a Christian Day for us.

In August GA and RA Camp at Caswell had an attendance of 115 GA's and RA's and forth-five leaders. They made Promise Bags and Health Kits to be given out at the North Carolina State Fair by Jane and Bob Brown.

Keith and Kathy Reynolds, SBC missionaries to Honduras, were guest speakers at the Annual WMU meeting at First Baptist, Shallotte on September 29. Keith and Kathy were recipients of handbells purchased by the Brunswick Association in 1993. Our hearts swelled with gladness and praise as we listened to how the handbells had helped them in their ministry. Keith also presented priority needs from the Foreign Mission Board. Attendance was over 140.

It has been a time to grow in 1994-95. WMU approaches a new church year with a commitment to grow as we experience change. WE SHALL RISK THE JOURNEY to reach souls for our LORD and SAVIOR, JESUS CHRIST. For we have heard HIS call to "go ye into all of Brunswick County, North Carolina, and to the uttermost parts of the earth."

In His Service and respectfully submitted,
Jacqueline B. Smith, WMU Director
and the Brunswick WMU Leadership Team

1994-1995 Evangelism Report

We believe this has been a great year in our association. We hope that evangelism has accelerated to a new level. In January of 1995 thru March 1995, we were challenged to witness to one person each day for sixty days. Only eternity will reveal what we really did those days. Our hope is that not only many were won to Jesus, but that witnessing has become a lifestyle for many of God's children. My hope is that we will never forget the two elements that were the theme of our "Here's Hope" Campaign. First, "Here's Hope-Share Jesus Now" and second, "Here's Hope-Jesus Cares for You."

Also, this year we had something wonderful happen; a new work started in the Calabash area. Many people have helped in the people search, finding people who need to be ministered to. At this time we have a Tuesday and Wednesday night Bible study. We are thankful for God calling Brother Ron and Sister Susan Lewis to this great work. Brother Ron and Susan are doing a great job in this new work. By the way, we don't want to leave their daughter, Alicia, out. Serving Jesus is a great family effort.

Our motive this year was to allow the Holy Spirit to challenge all of us to be soul winners.

We hope our associational churches have been drawn closer to the Lord Jesus and to one another.

"To God be the Glory,"
Brother Gene Perritt
Director of Evangelism

The Baptist Retirement Homes Report

As a result of the wonderful support given by North Carolina Baptists, 1995 will be remembered as one of the finest years in the forty-four year history of the Baptist Retirement Homes of North Carolina, Inc. The following are some highlights from the year:

In recognition of its commitment to the spiritual well-being of the residents that it serves, Baptist Retirement Homes hired Luther Osment of Sylva, North Carolina as its first full-time Chaplain. Reverend Osment's work responsibilities include ministry to the residents of the Brookridge Retirement Community in Winston-Salem and the Western North Carolina Baptist Home in Asheville.

Reaffirming its commitment to the idea that retirement should be a "step up" for Older Adults, the final phase of the renovation of The Taylor House Facility in Albemarle was completed in the Fall of 1995. The renovation of The Hamilton Baptist Home in Martin County was also begun in 1995 and hopefully will be completed by year end. When the renovation of The Hamilton Baptist Home is completed, all of the facilities operated by the Baptist Retirement Homes will be "state-of-the-art."

In recognition of the changing profile of institutionalized Older Adults (47% of the "oldest old" in North Carolina suffer from some form of dementia), the Young Solarium addition was completed in the Fall of 1995. The Young Solarium will house a new small-group program designed to enhance the quality of life experienced by institutionalized Older Adults suffering from dementia.

In an effort to provide Older Adults with affordable care, a sub-acute unit was developed at the Prince Nursing Care Center in Winston-Salem. . .a unit where frail Older Adults can receive IV therapy, infusion, wound care, and stroke and bone fracture rehabilitation outside of a hospital setting.

In response to the need to provide quality long-term care services to the ever growing number of frail Baptist Older Adults who may not need institutionalized care, the Baptist Retirement Homes developed a new home and community based service program, In Home Care, Inc. . .the new service designed primarily to extend the amount of time that frail Baptist Older Adults can remain in the home environment.

Thank you North Carolina Baptists for helping us make life for Older Adults. . .**The Best of Times!**

William B. Stillerman, President
Baptist Retirement Homes of North Carolina, Inc.

1995 Christian Action League of North Carolina, Inc. Report

This year has been a significant one for the Christian Action League of N.C. as we gave leadership and support to local communities in their battle against the proliferation of alcohol, provided a voice for Christian Morals and ethics in the halls of the legislature and continued our battle against on-going legislation concerning the lottery and other anti-family issues.

1. Legislative Issues:

A. Alcohol

The alcohol industry sought to implement state-wide Liquor-By-the-Drink and beer/wine sales through legislative action. House Bill 599 would have implemented LBD without a vote of the people. The Christian Action League prompted churches to action and strong opposition developed from across the state, the bill was withdrawn and died in committee.

B. Lottery

In the 1995 Session of the General Assembly, there were four lottery bills introduced. Several times in the past decade, gambling forces were able to secure the passage of a lottery measure in the Senate, but not in 1995. Lottery legislation was defeated in the Senate by a 28-20 vote. In the House, HB 838 (Lottery for School Buildings) was brought out of committee by an unusual parliamentary move and placed on the House calendar. Calls and Prayers from CAL members and the Christian community were honored when the measure was sent back to committee where it remained until the end of session.

We praise the Lord for this victory and for the fact that N.C. remains the largest state in the nation that has no state-sponsored lottery. However, we request your prayers as the Christian Action League will continue to be on the front-line fighting this battle again in 1996.

C. Abortion

The Christian Action League and other Christian organizations have continuously lobbied for abolition of the state abortion fund. House Bill 229 has passed and will **cut** the **abortion funding** from $1.2 million to $50,000 and then to be used only in cases of rape or incest.

For many years we have been working for legislation requiring **Parental Consent** before a minor can obtain an abortion. House Bill 481 was adopted this year providing this "common sense" legislation.

D. Abstinence Education

Another proposal that the Christian Action League has been working on became law this year. House Bill 834 (Teaching Abstinence Until Marriage) is pro-family and supports biblical and moral values. This bill requires schools to offer a program encouraging abstinence until marriage and also provides for parental review of teaching materials before comprehensive sex education instruction can be implemented.

2. League Leadership:

Rev. Johnny R. Henderson became the League's Executive Director in July upon the retirement of Coy C. Privette. Johnny brings a wealth of experience to this position. A trustee since 1977, he is the North Carolina Baptist Men's Correctional Ministries Coordinator and serves on the Executive Committee of Prison Fellowship of North Carolina. Also, his church was featured on ABC News last year for its outstanding prison ministry.

We are grateful to God for the prayer and financial support that the League receives from the churches of your association. May others join you as we seek to be the "Salt and Light" in a world hostile to Biblical ethics and morality.

Respectfully submitted,
Joe S. Lennon, President

1994 Home Mission Board Annual Summary/Highlights Report

The Home Mission Board (HMB) is a missionary-sending agency of the Southern Baptist Convention (SBC). With national offices in the Atlanta, Georgia area, the HMB's purpose is to serve Southern Baptists by assisting churches to proclaim the gospel of Jesus Christ, start and grow New Testament congregations, and minister to people in the name of Christ.

As of December 31, 1994, there were 4,913 missions personnel serving in the United States, the Caribbean, Guam, American Samoa, and Canada. This is only 87 short of the Bold Mission Thrust (BMT) goal of 5,000 home missionaries. The HMB also had endorsed more than 2,300 chaplains who were serving in healthcare agencies, institutions, businesses, the military, and pastoral-care roles. More than 2,000 Mission Service Corps volunteers were serving on home mission fields, exceeding another BMT goal six years early. During the year there were nearly 1,300 church starts. Southern Baptist churches baptized 378,463 people in 1994, an increase of nearly 30,000 over 1993.

Approximately half of the HMB's support comes from individual SBC churches through the annual Annie Armstrong Easter Offering for Home Missions. In 1994, gifts to the offering totaled $37,177,500, about 2 percent more than the 1993 total and the second largest in HMB history. One hundred percent of the offering goes

to support the work of home missionaries in the field. The 1995 Annie Armstrong Easter Offering goal is $50 million, in commemoration of the HMB's 150th Anniversary. About 35 percent of the HMB's income comes from the denomination's Cooperative Program.

The following is a summary of program/support ministry highlights from 1994:

Chaplaincy Ministries — The 2,364 Southern Baptists now serving as chaplains and pastoral counselors reported more than 24,000 professions of faith.

Church Loans — The Church Loans Division closed 107 church loans totaling $21.5 million, including $3.9 million of refinancing.

Language Missions — Home missionaries in the Language Church Extension Division serve among 102 ethnic groups and 97 American Indian tribes, using 102 languages and dialects, in addition to sign language.

Volunteers — Volunteers continue to serve in record numbers and represent more than $100 million in value to the HMB. In 1994, nearly 80,000 persons served as volunteers, about 5,000 more than in 1993. Mission Service Corps missionaries, numbering 2,016, and serving in 1,385 locations, represent a cadre of committed people responding to God's call to be personally involved in home missions.

Christian Social Ministries — More than 2,500 volunteers were trained to teach English as a second language, tutor children and youth, and assist adult non-readers.

Church Extension — Through Praxis, 47 men and 31 women from six Southern Baptist seminaries participated in church planting during the summer.

Special Ministries — International ministries were conducted at the United Nations, in Washington, D.C., in 40 port cities, and among international students.

Prayer and Spiritual Awakening — The Home Missions Intercessory Prayerline received 82,000 calls in 1994.

Campbell University Report

On behalf of the Trustees, President Norman Wiggins, The Board of Ministers and the entire Campbell University Family, it is my pleasure to bring greetings to the Brunswick Association. I thank you for giving me the opportunity to speak to you tonight (today).

Campbell University is a Baptist university affiliated with the Baptist State Convention of North Carolina. Both in and out of the classroom, the University endeavors to present Christian principles to students and to foster their application to daily life.

The purpose of Campbell University arises out of three basic theological and Biblical presuppositions: learning is appointed and conserved by God as essential to the fulfillment of human destiny; in Christ, all things consist and find ultimate unity; and the Kingdom of God in this world is rooted and grounded in Christian community.

Therefore, the mission of Campbell University, as a community of Christian scholars, is to: Provide students the opportunity to get a world class education in a Christian atmosphere and to teach students not only how to make a living, but how to make a life.

Campbell University is grateful for the support of Baptist Churches through the Cooperative Program and the Baptist State Convention; and, for your leadership and support that have lead to the establishment of scholarships and gifts to help endow and insure the future and mission of Campbell.

Campbell received $1,112,593 last year from the Baptist of North Carolina through the Baptist State Convention. Again this year, the University used all of these funds for scholarships and direct student assistance. None of the funds were used for operational or building needs.

In order that we might be together, let me mention some facts that I believe will be helpful. It may come as some surprise that Campbell is the second largest of 37 private colleges in North Carolina. Campbell is the third largest of the 53 Baptist colleges affiliated with the Southern Baptist Convention. Actually, Campbell is the largest Baptist University in the world.

Although the majority of our students are from North Carolina, this year we have 50 states and 43 foreign countries represented in our student body. Our total enrollment is approximately 6,500.

Today, Campbell is one of seven universities that are classified as a level V school. Approximately 80 percent of her faculty hold an earned doctorate.

If time permitted tonight, I would tell you how our College of Arts and Sciences, Schools of Education, Law, Pharmacy and Business compare with their counterparts. Suffice it to say "very well."

We have one of the most extensive programs in "Global Education" and I might say one of the most successful. Our "Flagship Program" is in Malaysia where we have almost 1,200 students. But we have other highly successful but smaller programs in other foreign countries.

Campbell is proud of its off-campus programs, offering programs in Ft. Bragg, Pope, Sanford, Raleigh, Rocky Mount, Goldsboro and Jacksonville. The combination of all our programs results in the savings of millions of dollars to hard-pressed North Carolina taxpayers.

Through our programs and activities in the area of Denominational Relations, we remain keenly focused on the mission of Campbell University (quality education in a Christian atmosphere) and our relationship with the Baptist State Convention of North Carolina; and, the churches of the Baptist State Convention.

The Campbell University Board of Ministers offers support and promotes the various schools that make up the University. At the present time we have approximately 200 pastors serving on the Board with one fourth (1/4) rotating off each year. They meet at least once during the year for briefings concerning the work of the University. The board meeting is held in July in conjunction with the annual Pastors' School on the University campus.

I must mention Acteen and Royal Ambassador "See Campbell University Day." Each year, we have several hundred Acteens from the convention churches across the state who come on campus for a day of entertainment and information. Early each year, we have Royal Ambassadors, boys from elementary through junior high age, who come from churches across the state of North Carolina. It would be difficult to try to determine the value received from those girls and boys, and their leaders, appearing on campus.

In these days in which we live, — when our society literally is starving for young men and women of strong moral character with solid educational backgrounds — you should take great pride in the fact that you have and are playing a vital role in meeting the needs of these students who will eventually lead this Nation and world.

Some wonder why Campbell's enrollment continues to grow in an ever-declining market. — You are making the difference.

Some wonder why Campbell's graduates who serve as pastors and in other Christian ministries are leaders in their profession and communities. — You are making the difference.

Some wonder why Campbell graduates excel in business and government. — You are making the difference.

Some wonder why Campbell educators lead our state from the Superintendent's office in Raleigh, to the "Teacher of the Year." — You are making the difference.

Some wonder why Campbell pharmacists lead the State and Nation in National passing rate on their licensing examination. — You are making the difference.

Some people wonder why Campbell lawyers lead the State and Nation in academic and vocational achievement. — You are making the difference.

I know that you recognize the important role you play in the lives of these students and in Campbell University's mission. Although "thank you" seems inadequate, those simple words come from the heart of this school, and we trust you will accept them with our deepest gratitude.

Thank you again for granting me the privilege to report on Campbell University. We invite you to visit our campus and to take advantage of the many resources available to you that are offered by Campbell in support of Baptist Churches and your Association.

1995 North Carolina Baptist Foundation, Inc. Annual Report

The messengers present at the Baptist State Convention meeting 75 years ago, when the establishment of the Baptist Foundation was approved, believed that the services to be provided by the Foundation could benefit both the individuals who would use its services as well as Christian purposes for which the Convention had organized many years earlier.

With a well trained and dedicated staff, the Baptist Foundation is now in position to assist any Baptist church member who has a desire to preserve their estate for their families and provide greater financial service to their church, association, missions, Baptist institutions or the Convention in its program of work.

Those who have become involved with the Foundation thus far, many of whom no longer are alive today are providing critically needed resources for either their family members and/or the Christian causes they dearly love. In many instances their use of a trust or endowment fund has helped reduce income and/or estate taxes and increased the value of assets they left for their families at their death. In addition, they continue to provide for sharing the Gospel with the income from endowment funds they created while they were living.

Many North Carolina Baptists are today enjoying the benefit of increased retirement income through the creation of an annuity trust with the transfer of property or other assets which the Foundation sold and invested under guidance of professional managers. When these trusts were created, the individuals were provided tax benefits which enhanced their estates. In most cases, the income they now receive is greater than that received prior to starting the trust. At some future date of their choosing, the assets in trust will serve the Lord in ways chosen by the donors.

During the past year, an area manager was employed to serve the western portion of the state. A twelve-minute video, "Pillars of the Church," was prepared which shares through personal example how the Foundation can serve every church

member. A copy of this video is available by request in writing to 201 Convention Drive, Cary, North Carolina 27511. Personal and confidential assistance is available by calling our office at 919-380-7334 or written request directed to the above address.

The total assets under management by the Foundation at the end of 1994 were $47,312,575. A total of $1,241,756 was paid to Baptist churches, institutions and mission causes during 1994. The amount paid to individuals from trusts, which will eventually pay to Baptist causes, was $1,499,098 during the year. During the first six months of 1995 the total performance of the charitable endowment funds under management was 15.3% (annualized).

The North Carolina Baptist Hospitals Report 1995

Founded in 1922, Baptist Hospital is a missionary enterprise of the Baptist churches of North Carolina. The essence of our purpose is to carry out a ministry of healing as taught by Jesus Christ. We remain as fully committed to this mission as were our founding fathers. In the midst of changing health-care norms, we have not, nor will we, deviate from this mission. The following paragraphs report not only basic facts, but various results of how we have sought in the last year to remain true to our heritage while providing quality health care at affordable prices.

"THE BAPTIST"

Affectionately known to many simply as "The Baptist," our hospital now employs 5,544 members who comprise our healing team. We are joined with Bowman Gray School of Medicine and thus The Medical Center has over 9,000 employees making us the largest employer in Forsyth County. In fiscal year 1994-95, our 806-bed facility provided care for 23,712 inpatient admissions. Our rapidly growing Outpatient Department provided care for 557,511 patient visitors.

"A NEW DIVISION: PASTORAL CARE AND CHURCH RELATIONS"

In May restructuring created a new division with the consolidation of the departments of Pastoral Care and Church/Community Relations. This division consists of four ministry components which are listed below with a brief ministry synopsis.

DEPARTMENT OF CHAPLAINCY AND PASTORAL EDUCATION

Through spiritual and emotional healing to patients, families and staff, approximately 55,000 ministries were provided by our chaplains.

THE CENTER FOR CONGREGATIONAL HEALTH

This rapidly expanding ministry to churches, pastors and staff, and congregational leaders also enables the training of intentional interim pastors. Also, training is provided for leadership and church consultants. Workshops and other events are held as well.

DEPARTMENT OF CHURCH AND DENOMINATIONAL RELATIONS

This department serves as the liaison between Baptist Hospital and the churches, associations, and convention, as well as other church groups. By facilitating appointments, policy interpretation, understanding of our health care services, this function helps keep our vital bond with North Carolina Baptists strong. Mission dollars for benevolent care through this department in excess of $452,000 were given by Baptists to the Mother's Day Offering. This mission effort helps re-

lieve the financial burdens of patients who have little or no healthcare insurance. This is truly a ministry of renewing hope in their lives and is a source of great joy for us.

THANK YOU LETTERS FROM MOTHER'S DAY OFFERING RECIPIENTS

"I would like to take this opportunity to tell you how grateful I am for the generous contribution made to help me with my recent medical expenses. I have been extremely concerned as to how this account would be settled . I never dreamed that such a fund was available. To all Southern Baptists across the state of North Carolina, I sincerely thank them for their generosity and concern for my well-being. This gift has definitely lightened my life's load. The gratitude I have in my heart is difficult to express on paper, but truly one deeply appreciated."

"Please accept my sincere appreciation for the financial assistance you and Southern Baptists contributed toward my late husband's hospital bill. This was a gracious gesture on your part that truly helped lighten the financial burden left to me due to his extended illness. A gift of this magnitude will not be forgotten by me or my family. Through all this ordeal my faith in God has been unshaken, and your kindness only strengthens that faith."

PASTORAL COUNSELING

With increasing requests from churches and associations across the state, this ministry continues to expand. Our thirteen strategically located counseling centers provided 27,000 ministry hours last year.

POINTS OF EXCELLENCE AND PROGRESS

• FINANCIAL STEWARDSHIP - Annually Baptist Hospital's rate increases consistently are less than both the medical consumer price index for hospitals and general inflation. The most recent North Carolina Database Commission report comparing the average of charges at other instate academic medical centers for our most frequent diagnoses reveals our charges are 21% lower. For all hospitals statewide we are 7.7% lower on those same charges, despite treating the most critically ill patients from across the state.

• QualChoice OF NORTH CAROLINA - A managed care plan providing quality healthcare and patient physician choice. Established by The North Carolina Baptist Hospitals, Incorporated and Bowman Gray School of Medicine and Wake Forest University, QualChoice is now expanding to employers in our region.

• ACCREDITATION WITH COMMENDATION - This distinction was awarded us by the Joint Commission of Accreditation of Healthcare Organizations. With a grade of 96 we earned the distinction as one of America's most highly rated hospitals.

• EMERGENCY DEPARTMENT/DIETARY BUILDING - With a Fall 1995 opening date this 300,00 square foot facility will expand our Emergency Department capacity to 70,000 visitors annually. It will also house a 35-bed Day Hospital, as well as a 900-seat cafeteria, and will double the proportion of private beds available to patients.

• COMPREHENSIVE OUTPATIENT REHABILITATION FACILITY - A 64,000 square foot facility scheduled for completion in the Summer of 1996.

• STICHT CENTER ON AGING AND REHABILITATION - Housing a geriatric research and education center, geriatric day hospital and inpatient acute rehab beds, gero-physchiatry, and adult acute psychiatry, a planned completion and opening date for this center if the Spring of 1996.

• HOME HEALTH SOLUTIONS AND HOME HEALTH SPECIALISTS - Specialist provide at home care such as intravenous chemotherapy, pain management, nursing care, and physical and occupational therapy.

• COMMUNITY HOSPITAL ASSISTANCE - Baptist Hospital continues to develop relationships with hospitals and physicians in other communities inviting them to join our expanding healthcare delivery system.

A CLOSING WORD

Historical methods of delivering healthcare are changing in significant ways. We are constantly seeking to position ourselves to develop the methodologies, services, and delivery systems to meet these challenges. In the midst of the multiplicity of changes remain several treasured, time tested constants. Among these are our commitment to excellence and compassion in providing care, the demonstrated support of North Carolina Baptists, and most significantly, the providence of our Lord. Trusting in these, we move forward boldly and confidently into the future.
